Re: RFQ #DEFK 8224
Expression of Interest
Architect and Engineering Services
WV Army National Guard
Center for National Response
Gallagher, WV

Gentlemen:

CTL Engineering of WV, Inc. is very pleased to present this proposal to provide architect and engineering related services for the West Virginia Army National Guard. With over 80 years in the business, we feel our firm can provide the professionals and facilities the State of West Virginia is looking for.

CTL has evolved into a recognized leader in providing constructable designs for storm water control and site grading to eliminate erosion. We offer the services necessary to provide a non-subcontract, quality product to correct the site problems at the Center for National Response in Gallagher. Our capabilities include laboratory facilities, drilling rigs, surveying systems, design equipment, and a qualified staff. CTL has 12 Professional Engineers, three of which are located in and registered in West Virginia and have direct Site Design and Stormwater Experience. Our in-house disciplines of professionals include: Civil & Mining Engineers, CAD Designers, Surveyors, Geologists, Hydrologists and Biologists. We are experienced in completing more than 50 projects annually that require stormwater design and site grading plans and construction specifications

We have extensive contract administration and management experience with the procedures of the State of West Virginia. Our invoicing procedures and accounting software has been accepted, used, and audited by various state agencies.

With offices in Charleston and Morgantown, we can promptly and effectively respond to any your design tasks. In addition, we have six full time design teams available to complete this type of design project.
