**A/E Services for Erosion Control of Access Road**  
**WV Army National Guard, Center for National Response**  
**Requisition No. DEFK8224**

Dear Mr. Abbott:

Charleston, WV  
Morgantown, WV  
Pittsburgh, PA

**Buchart-Horn, Inc.** presents our qualifications to provide engineering services to remedy excessive storm water runoff and slope erosion that is impacting the site access road and parking area for the Center for National Response facility located at Gallagher, Kanawha County, WV.

Buchart Horn has visited the project site, reviewed the existing conditions and discussed the problem with users of the facility. Section 1 of this package provides a discussion of this review as well an overview of our approach to solving the problem. In association with Novell GeoEnvironmental Services, we offer a team that is extremely well qualified to assist you in addressing the site issues. We bring extensive experience in preparing designs for projects in similar terrain, as well as extensive National Guard design experience and familiarity with all applicable design requirements and guidelines. Ken Bryant, PE, PS, Manager of our Charleston office, will serve as Project Manager. Ken brings over 25 years of West Virginia roadway and site design experience. Glen DeWillie, PE, will serve as Project Principal. Glen brings over 20 years of Army experience and is committed to ensuring your satisfaction with Buchart Horn's performance on this contract.

This Expression of Interest package has been prepared in accordance with the requirements outlined in your Request for Quotation. Should you have any questions regarding the material contained in this package, please contact me at (304) 346-1176. Thank you again for your consideration of Buchart-Horn for this assignment. We look forward to the opportunity to serve the State of West Virginia on this important endeavor.

Sincerely,

**BUCHART-HORN, INC.**

Charles L. Kinney, Jr., PG  
Vice President
