Berwind Lake and Long Branch Lake Dams
Engineering Investigation and Certificate of Approval**

Dear Selection Committee:

Stantec Consulting Services Inc. (formerly R.D. Zande and Associates, Inc. and Fuller, Mossbarger, Scott & May) is pleased to submit this Expression of Interest on the above referenced project. As we will demonstrate in this submittal, Stantec has the necessary experienced personnel supported by the required resources to complete the needed work in a timely and cost effective manner.

Our personnel are experienced in dam inspection, analysis, remediation, hydrologic and hydraulic modeling and engineering design. We plan to utilize the services of Novel Geo-Environmental for any drilling, sub surface exploration, sampling and testing. We have previously worked with Novel on many projects and have a successful relationship with them. Our personnel will complete the surveying and mapping, prepare construction drawings, erosion and sediment control plans, permit applications, bidding documents, contract administration, construction inspection and material testing services.

We appreciate the opportunity to offer our services, and look forward to hearing from you. If you have any questions, or require additional information, please feel free to contact me at your convenience.

Respectfully,

STANTEC CONSULTING SERVICES INC.

William S. Thornton, PE, PS
