Michael:

Enclosed, please find the price submission of Crop Production Services, Inc. for the WV Division of Highways Herbicide bid: RFQ 669C0032. Also included, you will find label and MSDS information for alternate products not specified in the Bidding Schedule. These products were included because the specified product is either no longer available or the original manufacturer has provided an alternative.

On behalf of Crop Production Service, Inc. I have submitted the following herbicides for substitution:

DOH-15H QuikPro for Roundup Pro Dry (manufacturer substitute)
DOH- 25H Proclipse 65 WDG for Endurance (manufacturer substitute)
DOH-30H Direx 4L for Diuron 4L (product no longer available)

Also enclosed, please find label and MSDS information for the surfactants and adjuvants not currently specified in the Bidding Schedule.

I have previously submitted information to the State of West Virginia regarding my company's name change. I have included a copy of that letter in this mailing for verification. I greatly appreciated your verbal affirmation at the pre-bid meeting on April 13, 2009. However, the reason for my concern is that this RFQ was originally

mailed to our Butler, PA location and included our previous company name. Similarly, our VA location received an RFQ that should have been sent to our Butler location. Due to the difficulties UAP Distribution, Inc. experienced with last year's WVDOH bid, I simply want to ensure Crop Production Services, Inc. does not encounter a similar situation this year.

I also wish to avoid any confusion that may exist regarding the title of my operating Division. Crop Production Services, Inc. operates in numerous markets across the nation. To create an identity and allow for market separation, my group is referred to as the "CPS Timberland Division". Although you will see the CPS Timberland Division title on my business card and correspondences, please do not confuse it with that of the parent company, Crop Production Services, Inc.

If you have any further questions on my company's name change or should you have additional inquiries, please do not hesitate to contact me.

Yours truly,

Charles E. Smyth

Dear Valued Customer,

We would like to thank you for your business this past season and to take this opportunity to inform you of some important changes. With the recent acquisition of UAP Distribution Inc, Crop Production Services is excited about the future and what we have to offer you - our customer.

There have been and will be several changes as we make this transition, some of which you may have already experienced. You may have also received letters outlining the changes to terms, statements, and your remittance address.

On January 1, 2009, both Crop Production Services, Inc. and Western Farm Service, Inc. were merged into UAP Distribution, Inc. UAP Distribution, Inc. was chosen as the surviving entity because it is currently registered to do business in all 50 states and has the appropriate licenses to easily incorporate all three companies. Simultaneously to that merger, UAP Distribution, Inc.'s name has been changed to Crop Production Services, Inc. Effectively, on January 1, 2009, the new company is Crop Production Services, Inc. and is fully registered to do business in all 50 states. Our Federal ID Number is still the same.

VENDOR PREFERENCE CERTIFICATE

Certification and application* is hereby made for Preference in accordance with West Virginia Code, §5A-3-37. (Does not apply to construction contracts).
