		<p>VENDOR QUESTION #1:</p> <p>The listing of line items in the RFQ is specific for catalogue numbers for the incumbent laboratory. There is no detailed description provided so that other vendors may fairly evaluate the request for each line item.</p> <p>EXAMPLE: Line number 230-236 lists Collection Fees A-G. What are the services expected from a "Collection Fee" and what is the difference between A-G?</p> <p>EXAMPLE: Lines 557-570 "ICup" What is the description of the "ICup" and the expected differentiation between these line items?</p> <p>EXAMPLE: Lines 370-380 "Drug of Abuse, 6" There are multiple listing for the same description. What are the scope of tests that are expected in these different drug of abuse panels?</p> <p>RESPONSE:</p> <p>These tests pertain to collection of urine or hair from living patients, so Line Number 230-236 could be considered : Not Applicable. Same for 557-570, these are "on-site", urine drug screening tests on living patients. Same for 370-380, these are drugs of abuse screens with different concentration cut-offs and do not pertain to postmortem testing.</p> <p>VENDOR QUESTION # 2:</p> <p>Is it to be assumed that all prices for testing are to be for blood, unless otherwise noted?</p> <p>RESPONSE:</p> <p>Yes, unless otherwise noted, tests are on blood.</p> <p>VENDOR QUESTION # 3:</p> <p>Must all testing listed be performed on the premises of the laboratory awarded the contract or is subcontracting allowable?</p> <p>RESPONSE:</p> <p>Yes, if the subcontracted lab is acceptable to the primary lab, these test results will be acceptable to the OCME. It is expected that the subcontracted lab will also be able to furnish a documentation package that supports their results.</p> <p>VENDOR QUESTION # 4:</p> <p>Who are the current providers of these services? Is a pricing list available?</p> <p style="text-align: center;">Continued on next page</p>

		<p>RESPONSE:</p> <p>AIT Laboratories is the current provider of these services. No price list is available.</p> <p>VENDOR QUESTION # 5:</p> <p>Is it possible to only list pricing for some, but not all, of the tests listed?</p> <p>RESPONSE:</p> <p>Yes, all tests requested may not be offered by all vendors.</p> <p>VENDOR QUESTION # 6:</p> <p>Does the OCME lab anticipate outsourcing at least one of each of the tests listed on pages 10-42 or primarily those listed as numbers 1-5 on page 9?</p> <p>RESPONSE:</p> <p>Primarily those listed as numbers 1-5 on page 9 will be the tests used the most, however, OCME wanted the ability to use the other tests if necessary.</p> <p>VENDOR QUESTION # 7:</p> <p>Is a specific list of the contents of the various panels listed on pages 1-42 available; i.e. Abbreviated Drug Panel, Alcohol Panel, Amphetamine Panel, etc. If not, are the individual bidders allowed to offer services and pricing based on the contents of what are believed to be potentially comparable panels?</p> <p>RESPONSE:</p> <p>On line at www.AITLABS.COM there is a "test catalog" - which has descriptions of tests, panels, reporting limits, specimen requirements, etc. Access under catalog on left side of web page to acquire the information.</p> <p>VENDOR QUESTION # 8:</p> <p>Can the bidders submit tests or profiles provided by their laboratories that may not appear on the list present on pages 10-42?</p> <p>RESPONSE:</p> <p>Yes, bidders may submit tests or profiles that are not already included on pages 10-42. However, OCME reserves the right as to whether or not to utilize the tests.</p>

The West Virginia Chief Medical Examiners' Office (CME) is seeking qualified vendors to perform postmortem toxicology testing services to assist with the determination of whether drugs/chemicals played a part in someone's death.

Services Requested

Analytical toxicology testing shall be provided as requested for a broad array of drugs, environmental, and industrial chemicals/poisons. Preferred methods include mass spectrometry analysis, i.e. Gas Chromatograph/Mass Spectrometry and Liquid Chromatograph/Mass Spectrometry (GC/MS and LC/MS).

- The lab must be capable of furnishing documentation in the form of a litigation package that indicates the accuracy and reliability of the method used for a specific test from which the results can be defended in court.
- The lab must be able to provide paper documentation of who had custody of the sample at a given time and that the sample was kept in a secured area, only if requested due to court proceedings. Not on every case, only if a litigation package is requested.
- In accordance with the Health Insurance Portability and Accountability Act (HIPAA), the lab must maintain the confidentiality of all information provided on the submission form, the toxicology report and all other written and verbal communication pertaining to cases submitted for testing
- The lab must provide proof they are accredited by at least one of the following:
 - American Board of Forensic Toxicology
 - American Society of Crime Lab Directors (ASCLD/LAB)
 - College of American Pathologists
- Results must be provided in the form of a toxicology report transmitted by fax and must be reported within 10 days.
- The lab must have personnel available for court testimony in support of their analysis, if needed.
- The lab must show documentation of more than 10 years of experience performing postmortem toxicological drug analysis.
- The lab must provide shipping supplies and must pay shipping charges to and/or from their facility.

ANNUAL GRAND TOTAL					*

* Prices for individual tests are included in the enclosed NMS Labs 2008 Fee schedule. Annual Grand Total is dependent upon the testing panels and tests requested by the WV Office of the Chief Medical Examiner.

At the anniversary of renewal, new tests that have become available during the year, may be added to the contract.

This shall be a progressive award contract and will be made according to each qualifying vendor's bid response and lowest costs. Low bid will be designated as CME90092A, next lowest bid will be CME90092B, and so on. Agency will contact vendor "A" first to provide their needs. If vendor "A" cannot provide services, agency will go to vendor "B" and so on.

PURCHASING AFFIDAVIT

VENDOR OWING A DEBT TO THE STATE:

West Virginia Code §5A-3-10a provides that: No contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and the debt owed is an amount greater than one thousand dollars in the aggregate.

PUBLIC IMPROVEMENT CONTRACTS & DRUG-FREE WORKPLACE ACT:

West Virginia Code §21-1D-5 provides that: Any solicitation for a public improvement construction contract shall require each vendor that submits a bid for the work to submit at the same time an affidavit that the vendor has a written plan for a drug-free workplace policy in compliance with Article 1D, Chapter 21 of the West Virginia Code. A public improvement construction contract may not be awarded to a vendor who does not have a written plan for a drug-free workplace policy in compliance with Article 1D, Chapter 21 of the West Virginia Code and who has not submitted that plan to the appropriate contracting authority in timely fashion. For a vendor who is a subcontractor, compliance with Section 5, Article 1D, Chapter 21 of the West Virginia Code may take place before their work on the public improvement is begun.

ANTITRUST:

In submitting a bid to any agency for the state of West Virginia, the bidder offers and agrees that if the bid is accepted the bidder will convey, sell, assign or transfer to the state of West Virginia all rights, title and interest in and to all causes of action it may now or hereafter acquire under the antitrust laws of the United States and the state of West Virginia for price fixing and/or unreasonable restraints of trade relating to the particular commodities or services purchased or acquired by the state of West Virginia. Such assignment shall be made and become effective at the time the purchasing agency tenders the initial payment to the bidder.

I certify that this bid is made without prior understanding, agreement, or connection with any corporation, firm, limited liability company, partnership or person or entity submitting a bid for the same materials, supplies, equipment or services and is in all respects fair and without collusion or fraud. I further certify that I am authorized to sign the certification on behalf of the bidder or this bid.

LICENSING:

Vendors must be licensed and in good standing in accordance with any and all state and local laws and requirements by any state or local agency of West Virginia, including, but not limited to, the West Virginia Secretary of State's Office, the West Virginia Tax Department, West Virginia Insurance Commission, or any other state agencies or political subdivision. Furthermore, the vendor must provide all necessary releases to obtain information to enable the Director or spending unit to verify that the vendor is licensed and in good standing with the above entities.

CONFIDENTIALITY:

The vendor agrees that he or she will not disclose to anyone, directly or indirectly, any such personally identifiable information or other confidential information gained from the agency, unless the individual who is the subject of the information consents to the disclosure in writing or the disclosure is made pursuant to the agency's policies, procedures and rules. Vendors should visit www.state.wv.us/admin/purchase/privacy for the Notice of Agency Confidentiality Policies.

Under penalty of law for false swearing (West Virginia Code §61-5-3), it is hereby certified that the vendor acknowledges the information in this said affidavit and is in compliance with the requirements as stated.

VENDOR PREFERENCE CERTIFICATE - N/A

Certification and application* is hereby made for Preference in accordance with West Virginia Code, §5A-3-37. (Does not apply to construction contracts). West Virginia Code, §5A-3-37, provides an opportunity for qualifying vendors to request (at the time of bid) preference for their residency status. Such preference is an evaluation method only and will be applied only to the cost bid in accordance with the West Virginia Code. This certificate for application is to be used to request such preference. The Purchasing Division will make the determination of the Resident Vendor Preference, if applicable.

- 1. Application is made for 2.5% resident vendor preference for the reason checked: Bidder is an individual resident vendor and has resided continuously in West Virginia for four (4) years immediately preceding the date of this certification; or, Bidder is a partnership, association or corporation resident vendor and has maintained its headquarters or principal place of business continuously in West Virginia for four (4) years immediately preceding the date of this certification; or 80% of the ownership interest of Bidder is held by another individual, partnership, association or corporation resident vendor who has maintained its headquarters or principal place of business continuously in West Virginia for four (4) years immediately preceding the date of this certification; or, Bidder is a nonresident vendor which has an affiliate or subsidiary which employs a minimum of one hundred state residents and which has maintained its headquarters or principal place of business within West Virginia continuously for the four (4) years immediately preceding the date of this certification; or,
2. Application is made for 2.5% resident vendor preference for the reason checked: Bidder is a resident vendor who certifies that, during the life of the contract, on average at least 75% of the employees working on the project being bid are residents of West Virginia who have resided in the state continuously for the two years immediately preceding submission of this bid; or,
3. Application is made for 2.5% resident vendor preference for the reason checked: Bidder is a nonresident vendor employing a minimum of one hundred state residents or is a nonresident vendor with an affiliate or subsidiary which maintains its headquarters or principal place of business within West Virginia employing a minimum of one hundred state residents who certifies that, during the life of the contract, on average at least 75% of the employees or Bidder's affiliate's or subsidiary's employees are residents of West Virginia who have resided in the state continuously for the two years immediately preceding submission of this bid; or,
4. Application is made for 5% resident vendor preference for the reason checked: Bidder meets either the requirement of both subdivisions (1) and (2) or subdivision (1) and (3) as stated above; or,
5. Application is made for 3.5% resident vendor preference who is a veteran for the reason checked: Bidder is an individual resident vendor who is a veteran of the United States armed forces, the reserves or the National Guard and has resided in West Virginia continuously for the four years immediately preceding the date on which the bid is submitted; or,
6. Application is made for 3.5% resident vendor preference who is a veteran for the reason checked: Bidder is a resident vendor who is a veteran of the United States armed forces, the reserves or the National Guard, if, for purposes of producing or distributing the commodities or completing the project which is the subject of the vendor's bid and continuously over the entire term of the project, on average at least seventy-five percent of the vendor's employees are residents of West Virginia who have resided in the state continuously for the two immediately preceding years.

Bidder understands if the Secretary of Revenue determines that a Bidder receiving preference has failed to continue to meet the requirements for such preference, the Secretary may order the Director of Purchasing to: (a) reject the bid; or (b) assess a penalty against such Bidder in an amount not to exceed 5% of the bid amount and that such penalty will be paid to the contracting agency or deducted from any unpaid balance on the contract or purchase order.

By submission of this certificate, Bidder agrees to disclose any reasonably requested information to the Purchasing Division and authorizes the Department of Revenue to disclose to the Director of Purchasing appropriate information verifying that Bidder has paid the required business taxes, provided that such information does not contain the amounts of taxes paid nor any other information deemed by the Tax Commissioner to be confidential.

Under penalty of law for false swearing (West Virginia Code, §61-5-3), Bidder hereby certifies that this certificate is true and accurate in all respects; and that if a contract is issued to Bidder and if anything contained within this certificate changes during the term of the contract, Bidder will notify the Purchasing Division in writing immediately.

Request for Quotation Response
RFQ #CME90092
Bid Opening Date 1/22/2009
Supplementary Information for Response from NMS Labs

Page 8 Services Requested

NMS Labs has reviewed all of the services requested on pages 8 and 9 of the RFP # CME90092 and is compliant with all of the requested bulleted items.

Copies of accreditations by American Board of Forensic Toxicology (ABFT), American Society of Crime Laboratory Directors/Laboratory Accreditation Board (ASCLD/LAB) and College of American Pathologists (CAP) are attached.

Experience

Dr. Fredric Rieders founded National Medical Services, d.b.a. NMS Labs over 35 years ago. Dr. Fredric Rieders was the Chief Forensic Toxicologist for the city of Philadelphia Medical Examiners Office and the Office of the Chief Medical Examiner of New York City. He used his education and knowledge of postmortem toxicology to begin NMS Labs. NMS Labs has performed postmortem toxicology for these past 35 years for over 1,000 post mortem clients in every US State and territory as well as internationally. Detailed documentation is available upon request and authorization from NMS clients. NMS Labs experience in postmortem toxicology meets and exceeds the 10 years experience required in this RFP.

*Alternative Information

NMS Labs is providing their comprehensive catalogue of toxicology laboratory services with associated prices, to be considered as an alternative to the catalogue of lab testing included in the RFP which is offered by the incumbent laboratory.

*Estimated Yearly Annual Cost

Page 7 and Page 42

Prices for individual tests are included in the enclosed NMS Labs 2008 Fee Schedule. Annual Grand Total is dependent upon the testing panels and tests requested by the WV Office of the Chief Medical Examiner.

Dear Director Beamer:

ASCLD/LAB is in receipt of your recent request for an extension of accreditation for the National Medical Services Inc., NMS Labs. A six month extension of accreditation has been granted under the ASCLD/LAB Legacy program from October 28, 2008 until April 28, 2009. This action was taken to provide sufficient time for a successful transition from the ASCLD/LAB Legacy program to the ASCLD/LAB-*International* program and with the understanding that the NMS Labs will remain compliant with the requirements of the Legacy program during the period of transition.

Should you have any questions concerning the extension, please feel free to contact us.

Sincerely,

A handwritten signature in cursive script that reads "Ralph M. Keaton".
