**RE: Expression of Interest –Raleigh County Dunloup Creek Complex  
#DEP14481**

To Whom It May Concern:

Pentree, Inc. is pleased to have the opportunity to provide the West Virginia Department of Environmental Protection with our high standard of professional engineering design services on the Raleigh County Dunloup Creek Complex.

Along with the knowledge of AML procedure gained from the recently completed construction of the Mullens/Wyco Water Project for Eastern Wyoming County P.S.D.(Wyoming County) we offer our extensive experience with drainage, stream bank protection and re-vegetation. Our qualifications as a full service civil engineering firm will provide the DEP's Office of Abandoned Mine Lands and Reclamation with quality professional engineering service in a timely and cost efficient manner.

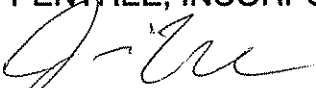

Pentree, Inc. has been performing the design and field monitoring for the Kilsyth Wastewater Project in the immediate area of the Dunloup Creek Complex. While performing the engineering services during construction we assisted in rectifying a drainage problem directly associated with the Dunloup site.

Following the instructions outlined in the RFQ, this proposal contains information regarding Pentree, Incorporated's history, qualifications and management and staffing capabilities along with the required DEP/AML Consultant's Confidential Qualifications Questionnaire, and an affidavit stating Pentree, Incorporated has no debt owed to the State of West Virginia.

## PREVIOUS EXPERIENCE

Over the past century, Pentree, Incorporated has surveyed, planned, designed and managed construction for numerous utility projects.

On the following pages are examples of specific recent projects that represent our abilities with drainage and stabilization projects that are comparable in scope of services similar to the needs of the WV DEP for the Raleigh County Dunloup Creek Complex.

The representative projects are as follows:

- Eastern Wyoming Public Service District
- City of Oak Hill
- US Gypsum
- King Coal Highway
- Inwood Watershed Study

References for each of these projects are included and we welcome you to contact them, most of whom are repeat clients.

**Mullens-Wyco Water Project**

Project consists of five contracts to improve and upgrade the Eastern Wyoming Public Service District's water system. This project includes a Water Treatment Plant, Water Storage Tanks, an upgrade of the Lower Gulf Water System and an upgrade of the Upper Gulf Water System. The design called for the closure of four mine portals, one of which was sealed with the capacity to continue to provide a raw water source for the District. The other three portals were wet sealed with allowance for controlled overflow.

**Project Location:**  
Wyoming Co., WV

**Professional Engineering Services Provided:**

- Preparation of preliminary engineering reports
- Assisting Owner with applications for State and Federal funding
- Design in accordance with all applicable State and Federal regulations
- Assisting Owner with permits required
- Preparation of bidding and contracting documents
- Participation in the evaluation of bids received
- Monitor and inspect construction activities
- Assisting Owner with construction administration

**Pentree, Incorporated** provided the City of Oak Hill with a study, preliminary and final design plans, and specifications for management of approximately 2,200 acre watershed which created flooding along the path of Arbuckle Creek and throughout the city limits. The first phase of the project consisted of replacement of eleven culverts totalling 1,252 lineal feet. The new culverts were designed to carry a 50-year flood and alleviate consistent annual flooding along the banks of Arbuckle Creek. Pentree, Incorporated has worked closely with the West Virginia DEP to satisfy Soil Conservation and wetlands concerns. Phase II of the project is in the Virginia Street/ Trump Avenue area of the City as shown in the flood and construction pictures above.

Phase I construction project was completed in 2004. Phase II of the project is currently in the construction stage.

**Project Location:**  
Fayette Co., WV

### **Professional Engineering Services Provided:**

- Preparation of preliminary engineering reports
- Assisting Owner with applications for State and Federal funding
- Design in accordance with all applicable State and Federal regulations
- Assisting Owner with permits required
- Preparation of bidding and contracting documents
- Participation in the evaluation of bids received
- Monitor and inspect construction activities
- Assisting Owner with construction administration

## PURCHASING AFFIDAVIT

### VENDOR OWING A DEBT TO THE STATE:

*West Virginia Code* §5A-3-10a provides that: No contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and the debt owed is an amount greater than one thousand dollars in the aggregate.

### PUBLIC IMPROVEMENT CONTRACTS & DRUG-FREE WORKPLACE ACT:

*West Virginia Code* §21-1D-5 provides that: Any solicitation for a public improvement construction contract shall require each vendor that submits a bid for the work to submit at the same time an affidavit that the vendor has a written plan for a drug-free workplace policy in compliance with Article 1D, Chapter 21 of the West Virginia Code. A public improvement construction contract may not be awarded to a vendor who does not have a written plan for a drug-free workplace policy in compliance with Article 1D, Chapter 21 of the West Virginia Code and who has not submitted that plan to the appropriate contracting authority in timely fashion. For a vendor who is a subcontractor, compliance with Section 5, Article 1D, Chapter 21 of the West Virginia Code may take place before their work on the public improvement is begun.

### ANTITRUST:

In submitting a bid to any agency for the state of West Virginia, the bidder offers and agrees that if the bid is accepted the bidder will convey, sell, assign or transfer to the state of West Virginia all rights, title and interest in and to all causes of action it may now or hereafter acquire under the antitrust laws of the United States and the state of West Virginia for price fixing and/or unreasonable restraints of trade relating to the particular commodities or services purchased or acquired by the state of West Virginia. Such assignment shall be made and become effective at the time the purchasing agency tenders the initial payment to the bidder.

I certify that this bid is made without prior understanding, agreement, or connection with any corporation, firm, limited liability company, partnership or person or entity submitting a bid for the same materials, supplies, equipment or services and is in all respects fair and without collusion or fraud. I further certify that I am authorized to sign the certification on behalf of the bidder or this bid.

### LICENSING:

Vendors must be licensed and in good standing in accordance with any and all state and local laws and requirements by any state or local agency of West Virginia, including, but not limited to, the West Virginia Secretary of State's Office, the West Virginia Tax Department, West Virginia Insurance Commission, or any other state agencies or political subdivision. Furthermore, the vendor must provide all necessary releases to obtain information to enable the Director or spending unit to verify that the vendor is licensed and in good standing with the above entities.

### CONFIDENTIALITY:

The vendor agrees that he or she will not disclose to anyone, directly or indirectly, any such personally identifiable information or other confidential information gained from the agency, unless the individual who is the subject of the information consents to the disclosure in writing or the disclosure is made pursuant to the agency's policies, procedures and rules. Vendors should visit [www.state.wv.us/admin/purchase/privacy](http://www.state.wv.us/admin/purchase/privacy) for the Notice of Agency Confidentiality Policies.

Under penalty of law for false swearing (West Virginia Code §61-5-3), it is hereby certified that the vendor acknowledges the information in this said affidavit and is in compliance with the requirements as stated.
