RE: Request for Proposals for Engineering Services, DNR 209169, Timber Pile Supported Pedestrian Boardwalk System for Stonewall resort State Park, Roanoke, West Virginia.

Dear Sir,

G.A. Covey Engineering appreciates the opportunity to submit this proposal for Design Services for the Stonewall Jackson Resort State Park. We are very familiar with the park as we worked with several contractors during construction of the parks buildings and Golf Course. We are Located near the Park at Sutton, WV, about 30 Miles away.

G.A. Covey Engineering was established in 1991 in Sutton by Gary Covey, who has worked in the community doing engineering with Brackenrich and Skidmore of Sutton, Monongahela Power, of Gassaway and Oneida Coal Company, of Wolf Creek, since 1977. G.A. Covey Engineering has been involved with site design directly and indirectly as the company has worked with Developers, Contractors and Architect on Design, bidding, construction layout, quality control, project management and inspection. Assisting in design changes in the field and assisting the contractors on critical construction and installation phases of the projects. We have been involved with various contractors on Timber pile walkway Construction and Rails to Trails Development Using wooden timber pile walkways.

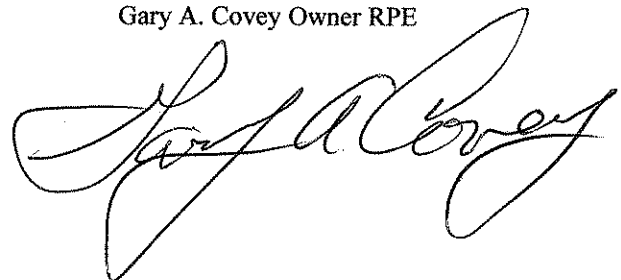

We have worked with the Braxton and Gilmer County commission on various sit developments, waterline projects and Industrial Parks. We were involved with all phases of engineering design, permitting, construction specifications, contracting and construction monitoring.

Our work with Go mart Corporation over the last several years has had us extensively working on all phases of engineering design and construction bidding and inspection throughout West Virginia and Ohio.

Our staff of engineers surveyors and quality control technicians and inspectors, have a wide range of experience in engineering design and construction. We are very aware of the growing cost of these projects and utilize our recent construction experience on projects throughout the State to keep cost down and best serve the State of WV and the local communities.

Sincerely

Gary A. Covey Owner RPE

G.A. Covey Engineering has two offices, the main office is located in Gassaway, WV

The Second office is located in Beckley, WV

G.A. Covey Engineering, PLLC

Guarantee

Our staff will always listen and discuss all aspects of a project to understand goals and objectives in order to provide the highest quality service that will empower completion of all projects with speed and accuracy while staying consistent with the budget.

Our goal is to establish more than a relationship with every client but a friendship based on trust and commitment.

G.A. Covey Engineering personnel summary

Gary A, Covey

Owner and Operator - G.A. Covey Engineering PLLC

Register Professional Engineer and Professional Land Surveyor

Civil Engineering design planning permitting and storm water design and permitting in the highway and commercial development industries. Mining engineering planning design and permitting for underground and surface mining operations throughout West Virginia since 1977. Planning and managing exploration programs for coal, gas, and aggregates. Project Design for Highways Mining, Commercial Developments. Construction Management and Quality Control Testing on Major Highways, Commercial Developments, Bridges, and Waterline Construction.

Construction Estimates and Bidding in the Construction Industries. Wetlands Studies and construction remediation. Stream Relocation and remediation. Water Collection and Acid Mine water treatment design and monitoring on Mining Sites. Mine Reserve analysis and studies for coal acquisitions and developments. Interpretation and clarification of Federal and State mining and environmental regulations.

Professional Land Surveyor involved with construction surveying and layout. Boundary surveying and property line disputes. Resolving boundary issues between land owners. Aerial mapping coordination and acquisition. GPS surveying and control. Hydrological analysis and drainage design on construction and mining projects. Drainage and structural fill construction certification for State and Federal Requirements.

STATE OF WEST VIRGINIA
Purchasing Division**PURCHASING AFFIDAVIT****VENDOR OWING A DEBT TO THE STATE:**

West Virginia Code §5A-3-10a provides that: No contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and the debt owed is an amount greater than one thousand dollars in the aggregate.

PUBLIC IMPROVEMENT CONTRACTS & DRUG-FREE WORKPLACE ACT:

If this is a solicitation for a public improvement construction contract, the vendor, by its signature below, affirms that it has a written plan for a drug-free workplace policy in compliance with Article 1D, Chapter 21 of the *West Virginia Code*. The vendor **must** make said affirmation with its bid submission. Further, public improvement construction contract may not be awarded to a vendor who does not have a written plan for a drug-free workplace policy in compliance with Article 1D, Chapter 21 of the *West Virginia Code* and who has not submitted that plan to the appropriate contracting authority in timely fashion. For a vendor who is a subcontractor, compliance with Section 5, Article 1D, Chapter 21 of the *West Virginia Code* may take place before their work on the public improvement is begun.

ANTITRUST:

In submitting a bid to any agency for the state of West Virginia, the bidder offers and agrees that if the bid is accepted the bidder will convey, sell, assign or transfer to the state of West Virginia all rights, title and interest in and to all causes of action it may now or hereafter acquire under the antitrust laws of the United States and the state of West Virginia for price fixing and/or unreasonable restraints of trade relating to the particular commodities or services purchased or acquired by the state of West Virginia. Such assignment shall be made and become effective at the time the purchasing agency tenders the initial payment to the bidder.

I certify that this bid is made without prior understanding, agreement, or connection with any corporation, firm, limited liability company, partnership or person or entity submitting a bid for the same materials, supplies, equipment or services and is in all respects fair and without collusion or fraud. I further certify that I am authorized to sign the certification on behalf of the bidder or this bid.

LICENSING:

Vendors must be licensed and in good standing in accordance with any and all state and local laws and requirements by any state or local agency of West Virginia, including, but not limited to, the West Virginia Secretary of State's Office, the West Virginia Tax Department, West Virginia Insurance Commission, or any other state agencies or political subdivision. Furthermore, the vendor must provide all necessary releases to obtain information to enable the Director or spending unit to verify that the vendor is licensed and in good standing with the above entities.

CONFIDENTIALITY:

The vendor agrees that he or she will not disclose to anyone, directly or indirectly, any such personally identifiable information or other confidential information gained from the agency, unless the individual who is the subject of the information consents to the disclosure in writing or the disclosure is made pursuant to the agency's policies, procedures and rules. Vendor further agrees to comply with the Confidentiality Policies and Information Security Accountability Requirements, set forth in <http://www.state.wv.us/admin/purchase/privacy/noticeConfidentiality.pdf>.

Under penalty of law for false swearing (*West Virginia Code* §61-5-3), it is hereby certified that the vendor affirms and acknowledges the information in this affidavit and is in compliance with the requirements as stated.
