RE: Expression of Interest for Architectural/ Engineering Services – RFQ # DPS0843

To Whom It May Concern:

As we celebrate our 25th year of business, Thrasher Engineering, Inc. greatly appreciates the opportunity to express our interest in providing services to the West Virginia Department of Public Safety and the West Virginia State Police. As you may know, Thrasher Engineering has provided a very high quality of engineering services to the State of West Virginia for many years. We added architectural design to our services in 2005, and since that time, our architecture staff has grown to serve numerous clients throughout West Virginia. We believe you will find that our architectural experience and expertise will assure you of a quality project completed on time and within budget.

In addition to our technical and practical expertise, our team offers many qualifications that make us the right choice for your project, including:

- ❖ **Full Service:** Thrasher Engineering, Inc. offers the full complement of services necessary for this project in-house. We will only sub-contract MEP services.
- ❖ **Priority:** Although our architectural design team has over forty years of combined experience, we are a young and growing firm. By virtue of that, our current work load will allow us to place the projects as a priority. We will work as a team with you to determine your needs and design the rehabilitations to meet and exceed your expectations and the regulations required of state agencies.

PURCHASING DIVISION
STATE OF WV

❖ **Location:** Our proximity to many of these projects will allow for immediate response to your needs in addition to cost savings for travel time. Additionally, our experience in the area will be an asset in procuring permits due to our working relationships with code officials.

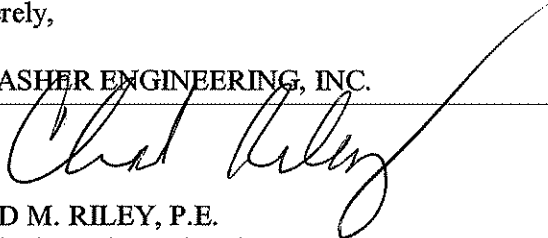

We are aware of, and comply with Title VI of the Civil Rights Act of 1954, Executive Order 11246, Section 109 of the Housing and Urban Development Act of 1968, Conflict of Interest Statement and Access to Records provisions and all other requirements as they relate to federal and state funded projects

Enclosed please our proposal in paper and CD format, along with our No Debt affidavit and other required Bid Forms.

The Thrasher Engineering, Inc. team looks forward to the opportunity to meet with you to discuss how we can contribute to the success of this project.

Sincerely,

THRASHER ENGINEERING, INC.

CHAD M. RILEY, P.E.
Principal-In-Charge / Project Manager
