RE: EOI for **West Virginia State Police, Open-End Contract, Various Projects Across West Virginia**

Mr. John Abbott:

Paradigm Architecture Inc. is pleased to submit this Expression of Interest for the **Open-End Contract** for various projects across West Virginia for the **West Virginia State Police**. We have assembled a team of West Virginia based professionals with appropriate project experience.

Our proposal provides our Firm Profile, a brief History, References, staff Resumes, responses to all elements on the RFQ, and a sampling of projects Paradigm Architecture has been privileged to work on. We have experience with multi-purpose buildings including offices, conference rooms, locker and shower facilities and gymnasiums. Examples of our experience with offices are the **Jackson Kelly Building, One Waterfront Place, Suncrest Corporate Center, and Marina Tower**. We also have experience with renovations. Examples of our experience with renovations include **WVU's Physical Education offices in the Coliseum, Fairmont State University's Hunt Haught Hall, and Charleston Federal Building**. We have received design awards for two government office projects, the **Clarksburg Federal Center and Charleston Federal Center**. In addition to this, we are currently managing open-end contracts with WVU's Athletic Department, with the WVU Research Park, and for general institutional projects with WVU.

Our team consists of specialized engineers and consultants that share our commitment to service and quality and will best serve the technical requirements and demands of this project. **Triad Engineering, Inc.** with an office in Morgantown will provide Civil Engineering services. Dave Simpson, P.E. of **Allegheny Design Services** in Morgantown will serve as Structural Engineer. **Johnson Engineering & Associates** will provide Plumbing, HVAC and Electrical Engineering services. We have extensive professional relationships with these engineers and we have successfully completed many projects together.

Paradigm is a service-oriented architectural design firm capable of taking a project from inception to completion through the phases of schematic design, design development, bidding/negotiation, construction & contract documents, construction administration, and closeout procedures. We are able to meet a client's needs and expectations while upholding the budget and project deadlines.

It is our goal to provide a high level of personal service and design solutions that reflect the unique image and purpose of our clients. We welcome the opportunity to work with you on this project.

Best regards,

Paul A. Walker, AIA
