STATE OF WV

Re: Request for Quotation; RFQ# FASTEN08

Dear Ms. Jo Ann Adkins,

W.W. Grainger, Inc., "Grainger" is pleased to respond to your Request for Quotation. Grainger is a national, wholesale distributor of industrial products such as the Fasteners requested on this bid.

Grainger takes its contract compliance and customer satisfaction seriously. To that end, Grainger respectfully requests the opportunity to clarify terms of the enclosed offer and our acceptance of a bid award is conditioned upon your agreement to the following conditions:

FASTNE08 Specifications/Information

Number 5, Page 1. Grainger is offering a firm discount of 7% which applies to Fasteners. Individual net prices are firm fixed for each 6 month period base on the discounted price. 30 days prior to the end of each 6 month term, Grainger will update the catalog to reflect the most current catalog prices. In all cases, the State Of West Virginia will receive 7% discount from the catalog price for each respective 6 month term.

Number 6, Page 2. Grainger has already provided copies of our catalog prior to this bid response. Please contact the local branch if more copies are needed.

Number 10, Page 2. Please note that the Fastener products Grainger is offering in this response are supplied by various manufacturers. As such, these products do not have a designated brand name. We have indicated a brand name of "Grainger Global" in our response.

Number 14, Page 3. Because of (a) the very large number of items involved in this procurement and (b) the lack of reliable data from the manufacturers/suppliers of those items regarding country of origin and specific manufacturing content, all items to be supplied should be considered to be other foreign end products.

Thank you for this opportunity to participate in this Request for Quotation. Should these clarifications not be satisfactory, please contact your Grainger Account Manager, 304.545.4505. We certainly do not want to be considered non-responsive and we will work to accommodate any concerns you may have with our offer.

Sincerely,

Joseph Gacek
Government Account Manager

DEFINITIONS:

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

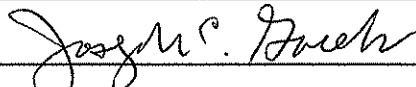

"Debtor" means any individual, corporation, partnership, association, limited liability company or any other form or business association owing a debt to the state or any of its political subdivisions. "Political subdivision" means any county commission; municipality; county board of education; any instrumentality established by a county or municipality; any separate corporation or instrumentality established by one or more counties or municipalities, as permitted by law; or any public body charged by law with the performance of a government function or whose jurisdiction is coextensive with one or more counties or municipalities. "Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceed five percent of the total contract amount.

EXCEPTION: The prohibition of this section does not apply where a vendor has contested any tax administered pursuant to chapter eleven of this code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

LICENSING: Vendors must be licensed and in good standing in accordance with any and all state and local laws and requirements by any state or local agency of West Virginia, including, but not limited to, the West Virginia Secretary of State's Office, the West Virginia Tax Department, West Virginia Insurance Commission, or any other state agencies or political subdivision. Furthermore, the vendor must provide all necessary releases to obtain information to enable the Director or spending unit to verify that the vendor is licensed and in good standing with the above entities.

CONFIDENTIALITY: The vendor agrees that he or she will not disclose to anyone, directly or indirectly, any such personally identifiable information or other confidential information gained from the agency, unless the individual who is the subject of the information consents to the disclosure in writing or the disclosure is made pursuant to the agency's policies, procedures and rules. Vendors should visit www.state.wv.us/admin/purchase/privacy for the Notice of Agency Confidentiality Policies.
