RE: RFQ HSE9023

Contract to Provide Architect Analysis Services for the WV Division of Homeland Security for the Economic Impact Related to Flooding

Dear Mr. Abbott:

Parsons Brinckerhoff (PB), along with the WVU Bureau of Business and Economic Research (BBER), Cambridge Systematics and Thrasher Engineering, is pleased to provide this Expression of Interest in preparing a Economic Sustainability and Planning Study.

We are very familiar with the toll that repeated flooding has taken on West Virginia: lives lost, businesses and infrastructure destroyed. We believe our team is the right team to help the state move forward in achieving community and economic sustainability.

Very truly yours,

PB AMERICAS, INC., d/b/a PARSONS BRINCKERHOFF AMERICAS, INC.
