4.5 Cost Proposal Bid Sheet

\$ 0.00 per card per month X 1900 cards/month = \$ 0.00 / month

X 12 months = \$ 0.00 Total for evaluation.

If the State chooses the ARI co-branded card, full data integration of the fuel data would be a no-charge item.

If the State chooses another card provider and desires to integrate the fuel data onto the ARI *insights* system, there would be a \$0.50 per vehicle per month charge.
