West Virginia Division of Highways Work Boot Specifications

Purpose

The West Virginia Division of Highways, "DOH", is soliciting quotations for a blanket open-end, catalog-based contract to provide various types and styles of work boots for male and female employees throughout the State. This contract shall also be available for use by other state agencies and political subdivisions within the State.

All terms and conditions in the written specifications are absolute and compliance will not be waived or negotiated. Vendors must comply with all mandatory requirements. Mandatory terms are indicated by the use of the terms "*shall, will, must, maximum or minimum*".

Questions will be answered by formal addendum.

Scope/Requirements

1. The following is a listing of the State Districts that will be covered by this contract:

- District 1: Boone, Clay, Kanawha, Mason and Putman Counties
- District 2: Cabell, Lincoln, Logan, Mingo & Wayne Counties

- District 10: McDowell, Mercer, Raleigh & Wyoming Counties

2. DOH will provide one (1) pair of work boots annually for eligible employees. Accordingly, it is anticipated that approximately 3,000 pairs of work boots will be ordered annually under this contract. The provision of work boots to eligible employees is a new program. There is no usage history available. DOH is preparing written policies and procedures for employees' use of the contract. DOH reserves the right to reject catalog line items determined to be excessive in cost or that do not fall within the parameters of the work boot program.
3. Within the ten (10) Districts, it is anticipated there will be approximately fifteen (15) location sites authorized to place orders, which will be placed by District/Division Storekeepers. Following the initial order from each order location, it is the intent of the DOH to limit orders to a quarterly basis. However, DOH reserves the right to adjust the order frequency as needed.
4. The following boot types must be available for men and woman, in all sizes, and must be water proof or water resistant:
 - a. Safety Toe
 - b. Non-Safety Toe

6. It is the intention of the DOH to award a single contract which shall be awarded to the vendor providing the most complete, lowest overall cost based on the pricing scenario in the attached Bid Form. The contract shall

be for a one (1) year period with the possibility of two (2), one (1) year renewals.

7. Vendors may base bids on existing catalogs containing multiple manufacturer products or multiple catalogs by manufacturer will also be accepted. Internet catalogs must be submitted in paper format. It is preferred that the catalog or catalogs be submitted with the bid. Vendors failing to provide catalogs within the time allotted by the Purchasing Division upon written notification shall be disqualified.
8. Bid prices shall be a discount from list. The DOH will accept varying discounts by manufacturer only. Discounts shall apply to all products offered by each manufacturer contained in the catalog. The attached Bid Form contains nine (9) line items which are representative of boot styles that may be ordered. The purpose is to provide a means by which bids can be evaluated. The actual boots that will be ordered over the life of the contract will vary depending on each employee's work needs and preferences. Varying discounts by manufacturer will not be accepted and shall be rejected. All discounts must be specifically stated on the attached Bid Form and must be firm for the life of the contract. In accordance with §148-1-4, 4.5 of the Code of State Rules, the DOH reserves the right to reject any bid in whole or in part. Accordingly, manufacturer discounts that are determined by the DOH to be unacceptable may be rejected at the discretion of the DOH.
9. The catalog/price list may be updated at the time of contract renewal only. If the DOH extends the offer to renew and new catalog/pricing lists have significant price increases, the DOH may decline and rebid the contract accordingly.
10. The successful vendor shall provide catalogs/price lists, at no charge or cost to the State, upon request to any state agency or political subdivision choosing to piggyback this contract throughout the contract duration.
11. Orders in excess of fifty (50) pairs shall be delivered within thirty (30) business days from receipt of the order. Orders fewer than fifty (50) pairs shall be delivered within 7 business days from receipt of order. All deliveries shall be FOB destination, freight prepaid.

13. Bidders must be a manufacturer or a regular stocking, licensed dealer for the products offered at the time of bid.

14. Vendors shall carry or have access to an adequate stock to insure such delivery service for the duration of the contract. In the event an item is unavailable at the time of order, the vendor must contact the DOH immediately upon receipt of the order. Another comparable selection will be made and the order shall be resubmitted accordingly. Excessive out of stock and back orders will not be tolerated and may result in cancellation of the contract.
15. All deliveries must be made during normal working hours for the delivery location. All orders (including back orders) shall not be invoiced until the actual item is delivered. Agencies shall have 30 days in which to return un-opened/un-used items at no charge. Normal returns may be done during a future delivery from the vendor. Agencies may request non-ordered items to be picked up within five days of delivery, even if there are no deliveries within this five-day time frame. Vendor must send a packing slip in each order.

Bidder understands if the Secretary of Revenue determines that a Bidder receiving preference has failed to continue to meet the requirements for such preference, the Secretary may order the Director of Purchasing to: (a) reject the bid; or (b) assess a penalty against such Bidder in an amount not to exceed 5% of the bid amount and that such penalty will be paid to the contracting agency or deducted from any unpaid balance on the contract or purchase order.

By submission of this certificate, Bidder agrees to disclose any reasonably requested information to the Purchasing Division and authorizes the Department of Revenue to disclose to the Director of Purchasing appropriate information verifying that Bidder has paid the required business taxes, provided that such information does not contain the amounts of taxes paid nor any other information deemed by the Tax Commissioner to be confidential.

PURCHASING AFFIDAVIT

West Virginia Code §5A-3-10a states: No contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and the debt owed is an amount greater than one thousand dollars in the aggregate.

DEFINITIONS:

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

"Debtor" means any individual, corporation, partnership, association, limited liability company or any other form or business association owing a debt to the state or any of its political subdivisions. "Political subdivision" means any county commission; municipality; county board of education; any instrumentality established by a county or municipality; any separate corporation or instrumentality established by one or more counties or municipalities, as permitted by law; or any public body charged by law with the performance of a government function or whose jurisdiction is coextensive with one or more counties or municipalities. "Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceeds five percent of the total contract amount.

EXCEPTION: The prohibition of this section does not apply where a vendor has contested any tax administered pursuant to chapter eleven of this code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

Under penalty of law for false swearing (*West Virginia Code §61-5-3*), it is hereby certified that the vendor affirms and acknowledges the information in this affidavit and is in compliance with the requirements as stated.
