		<p>VENDOR QUESTION #1:</p> <p>We wanted to know if you would want all of these bags up for bid in one shipment or in multiple shipments? If multiple shipments is your answer, do you have an estimate on the quantity of bags per shipment?</p> <p>RESPONSE:</p> <p>The bags will be ordered on as needed basis, which will require multiple shipments. The quantity of bags per shipment will depend upon the number of bags required to replenish supplies, so the estimated amount per shipment is unknown.</p> <p>VENDOR QUESTION #2:</p> <p>When do you need the samples? Approximately how long after the opening of the bid would you request the samples? Do you need a sample of every item?</p> <p>RESPONSE:</p> <p>Samples of the products would be appreciated, but is not required. If vendor is submitting samples, they should be submitted with the bid.</p>
