**RE: RFQ No. DEFK10011 - WEST VIRGINIA ARMY NATIONAL GUARD
UNITED STATES PROPERTY AND FISCAL OFFICE AND WAREHOUSE**

Dear Mr Abbott:

Astorino is pleased to submit this response to the State of West Virginia's request for qualifications for the West Virginia Army National Guard United States Property and Fiscal Office and Warehouse. We have established a team that includes experienced architectural and engineering professionals who will fulfill your needs throughout the length of the contract

Among the strengths we provide are:

- A depth of experience in the design of a variety of facility types, including United States Armed Forces facilities;
- A proven record of responding quickly and thoroughly to contracts of significantly varying scopes;
- Significant expertise in-house as a full-service architectural, engineering, interior design and construction services firm;
- An ability to draw upon the expertise of professionals while establishing a strong cooperative team

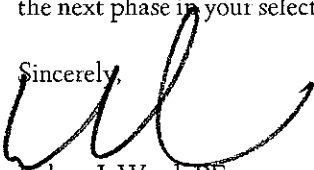

To further enhance our team, Astorino has enlisted the services of local West Virginia firms WYK Associates, Inc , providing architectural support, project management, Construction Administration oversight and Quality Assurance/Quality Control services, and KCI Technologies, Inc , for Civil and Environmental Engineering Services. We will leverage their local knowledge and relevant project experience in order to provide you with a superior level of service

Some of our recent project experience includes facilities for USACE Reserve Centers. In executing these projects, we have a solid understanding of specialized procedures such as the USACE Design Process and Submittal Requirements, as well as the "Specs-In-Tact" specifications format. This may prove valuable in this project.

The Astorino team's approach is designed to work closely with your representatives and any other individuals assigned to this project to ensure its success. We are dedicated to providing quality service by closely following project objectives, maintaining client contact, and most importantly by paying special attention to detail. Furthermore, we are able to respond rapidly to any circumstance or schedule requirements the West Virginia Army National Guard requests.

We appreciate this opportunity to provide our team's credentials. In the interim, should you have any questions or require additional information, please do not hesitate to call me at 412-209-2864. We look forward to the possibility of advancing to the next phase in your selection process.

Sincerely,

Robert J. Ward, PE
