Re: DEP14845
Cambria Portals & Drainage Design

Dear Mr. Bowman,

Enclosed please find P & A Engineers Expression of Interest for the above referenced project.

If you should have any questions or need additional information please feel free to call me at our Louisa office, phone (606) 673-4413 or by email at jsmiley@pandaengineers.com.

Respectfully,

*Jim P. Smiley, P.E.
Engineering Project Manager
P & A Engineers and Consultants*

12. A. Is your firm experienced in Abandoned Mine Land Remediation/Mine Reclamation Engineering?

YES Description and Number of Projects: **P & A has developed and submitted at least 25 SMA applications in the previous 5 years. These projects have involved Mine Reclamation Engineering. P&A has on its staff a Registered Professional Engineer and an Environmentalist with 17 years and 4 years, respectively, of direct experience in Abandoned Mine Lands Remediation covering 45 projects.**

NO

B. Is your firm experienced in Soil Analysis?

YES Description and Number of Projects: **In the previous 5 years P & A has performed at least 25 overburden and soil analyses in relation to preparation of Surface Mine Applications.**

NO

C. Is your firm experienced in hydrology and hydraulics?

YES Description and Number of Projects: **In the previous 5 years P & A has prepared at least 25 SMA applications. These applications have involved hydrology and hydraulics design including Storm Water Runoff Analysis, pond design, sediment channel design, culvert design, etc.**

NO

D. Does your firm produce its own Aerial Photography and Develop Contour Mapping?

YES Description and Number of Projects: **P & A Engineers has survey crews experienced in setting flight control. A sub-contractor preforms the actual flight. P & A also has the software capabilities to develop contour mapping from digital elevation modeling collected from the Statewide Addressing and Mapping Board.**

NO

E. Is your firm experienced in domestic waterline design? (Include any experience your firm has in evaluation of aquifer degradation as a result of mining.)

YES Description and Number of Projects: **P & A Engineers has worked on at least 10 domestic waterline projects. P&A Engineers has on its staff a Registered Professional Engineer and an Environmentalist that have been involved in 10 AML projects involving the evaluation of aquifer degradation as a result of mining.**

NO

F. Is your firm experienced in Acid Mine Drainage Evaluation and Abatement Design?

YES Description and Number of Projects: **In the previous 5 years P & A has prepared at least 25 SMA applications. These applications have involved acid mine drainage evaluation and abatement design.**

NO

STATE OF WEST VIRGINIA
Purchasing Division

PURCHASING AFFIDAVIT

VENDOR OWING A DEBT TO THE STATE:

West Virginia Code §5A-3-10a provides that: No contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and the debt owed is an amount greater than one thousand dollars in the aggregate.

PUBLIC IMPROVEMENT CONTRACTS & DRUG-FREE WORKPLACE ACT:

If this is a solicitation for a public improvement construction contract, the vendor, by its signature below, affirms that it has a written plan for a drug-free workplace policy in compliance with Article 1D, Chapter 21 of the *West Virginia Code*. The vendor **must** make said affirmation with its bid submission. Further, public improvement construction contract may not be awarded to a vendor who does not have a written plan for a drug-free workplace policy in compliance with Article 1D, Chapter 21 of the *West Virginia Code* and who has not submitted that plan to the appropriate contracting authority in timely fashion. For a vendor who is a subcontractor, compliance with Section 5, Article 1D, Chapter 21 of the *West Virginia Code* may take place before their work on the public improvement is begun.

ANTITRUST:

In submitting a bid to any agency for the state of West Virginia, the bidder offers and agrees that if the bid is accepted the bidder will convey, sell, assign or transfer to the state of West Virginia all rights, title and interest in and to all causes of action it may now or hereafter acquire under the antitrust laws of the United States and the state of West Virginia for price fixing and/or unreasonable restraints of trade relating to the particular commodities or services purchased or acquired by the state of West Virginia. Such assignment shall be made and become effective at the time the purchasing agency tenders the initial payment to the bidder.

I certify that this bid is made without prior understanding, agreement, or connection with any corporation, firm, limited liability company, partnership or person or entity submitting a bid for the same materials, supplies, equipment or services and is in all respects fair and without collusion or fraud. I further certify that I am authorized to sign the certification on behalf of the bidder or this bid.

LICENSING:

Vendors must be licensed and in good standing in accordance with any and all state and local laws and requirements by any state or local agency of West Virginia, including, but not limited to, the West Virginia Secretary of State's Office, the West Virginia Tax Department, West Virginia Insurance Commission, or any other state agencies or political subdivision. Furthermore, the vendor must provide all necessary releases to obtain information to enable the Director or spending unit to verify that the vendor is licensed and in good standing with the above entities.

CONFIDENTIALITY:

The vendor agrees that he or she will not disclose to anyone, directly or indirectly, any such personally identifiable information or other confidential information gained from the agency, unless the individual who is the subject of the information consents to the disclosure in writing or the disclosure is made pursuant to the agency's policies, procedures and rules. Vendor further agrees to comply with the Confidentiality Policies and Information Security Accountability Requirements, set forth in <http://www.state.wv.us/admin/purchase/privacy/noticeConfidentiality.pdf>.

Under penalty of law for false swearing (*West Virginia Code* §61-5-3), it is hereby certified that the vendor affirms and acknowledges the information in this affidavit and is in compliance with the requirements as stated.

Vendor's Name: P&A ENGINEERS AND CONSULTANTS, INC.
Authorized Signature: C. Hughes Date: 12/7/09
