Mr Whittaker,

Strictly Business Computer Systems Inc is pleased to respond to WV Department of Motor Vehicles Request for Proposal for a Cash Management System.

Strictly Business brings twenty-five years experience in large-scale system design and development to this effort.

We are also pleased to announce the hiring of Mike Lester, owner of Fletcher Data Systems, who brings extensive domain experience to our team.

This expansion of our in-house corporate capabilities adds years of DMV domain expertise along with our proven track record of success in software development, thus ensuring a successful implementation of this important system.

We look forward to working with the WV DMV on this effort.

Sincerely,

Michael G. Owens
President
Strictly Business Computer Systems Inc
