DNR210051
Blackwater Falls State Park
Wastewater Treatment Plant Operations
Open End Contract

Services shall consist of the following:

Operation, repair & maintenance, monitoring, and sampling of four (4) sewage-treatment plants located throughout the park (including the following areas: cabin area, new cabin area, lodge area, campground area/nature center), lift stations, manholes, chlorine contact units, U/V units, lodge grease trap, flow meters and effluent outlets.

A mandatory pre-bid will be held onsite on **10/07/09, at 1:00 PM.**

Contractor to conduct operations and maintenance visits in accordance with all operational standards and guidelines mandated by the West Virginia Division of Environmental Protection.

Contractor to collect and submit, for analysis, all wastewater samples as required by the various governmental regulatory agencies and submit DMR's to the WVDEP as required by the NPDES Permit for the treatment systems, with the sampling to be paid for by Blackwater Falls State Park. Cost of re-sampling due to delays, or improper sampling, will be the responsibility of the contractor.

Contractor must be available at all times to meet with regulatory agencies' personnel and/or inspectors.

Contractor must maintain all required files, records and permits in accordance with all applicable regulations. Copies of all transactions and reporting data, including maintenance logs, will be provided to the park superintendent's office at a minimum of once per month, by no later than the 10th day of the following month.

Contractor will perform all general maintenance and repairs on all treatment plants, lift stations (including electric pumps and motors), manholes, chlorine contact chambers, collection lines, effluent outlets, flow meters, and all other associated equipment. General and preventive maintenance repair failure that causes major repairs will be the responsibility of the contractor to repair. General maintenance and repairs are those items which do not exceed \$2,500.00 per repair per plant, lift stations (including electric pumps and motors), manholes, chlorine contact chambers, U/V disinfection units, lodge grease trap, collection lines, polishing ponds, flow meters, and all other associated equipment. Contractor must submit copies of all repair invoices by no later than the 10th day of the following month. Major repairs are defined as those repairs that exceed \$2,500.00 in cost.

Contractor will directly assist park staff on major repairs to the entire collection system.

DNR210051
 Blackwater Falls State Park
 Wastewater Treatment Plant Operations
 Open End Contract

Contractor is responsible for the cost of sludge pumping from wastewater plants, sufficient to maintain plants in proper working condition or at the direction of the park superintendent. All records of sludge pumping and removal shall be maintained by the Contractor and copies of such activity shall be turned into the park superintendent on a monthly basis, by no later than the 10th day of the following month. Contractors hauling and removing sludge shall have proper permits in accordance with all regulations regarding the transport and disposal of sludge wastes. Minimum sludge pumping shall be no less than 25,000 gallons per year with an **emphasis on solids removal**. Sludge removal in excess of the stipulated 25,000 gallons per year, must be approved by Blackwater Falls State Park prior to removal.

The Contractor will be required to respond twenty four (24) hours a day and seven (7) days a week. Phone number for emergency response time is (304) 842-6824 or (304) 641-8370.

Emergency response time must be no more than three (3) hours from the time of call.

Contractor will be responsible for purchase of chemicals and necessary treatment and maintenance items for full and complete operation of all listed facilities.

Life of Contract: This contract becomes effective at 12:00 AM on _____, 2009 and will extend for a period of one year until 11:59 PM on _____, 2010.

Renewal: This contract may be renewed upon the mutual agreement, in writing, of the spending unit and Contractor, submitted to the Director of Purchasing within thirty (30) days of expiration date. Such renewal shall be in accordance with the terms and conditions of the original contract and shall be limited to two (2) successive one (1) year periods.

Interested vendors may review the NPDES permit at the Blackwater Falls State Park office, M-F 8AM to 4 PM. *Sampling must be done with the approved vendor and must be submitted by the dates required by the permit.*

Permit, DMRs and all documentation may be reviewed at park office Monday – Friday, excluding Holidays, 8AM-4PM. Copies are available at \$1.00 a page.

Contractor must submit current applicable state certifications for the qualified operation of the described facilities.

Contractor must provide current certificate of liability insurance and must, prior to the award of contract, list the West Virginia Division of Natural Resources, Blackwater Falls State Park as an *additional insured* and as the *certificate holder* of a general liability insurance policy with a minimum coverage of one million (1,000,000,000) dollars per occurrence.

Open End Contract

Contractor must be a registered vendor with the State of West Virginia.

Prevailing wage rates apply for Tucker County, West Virginia.

AWARD PROCEDURE:

The award of this contract will be based on adherence to specifications and ability to deliver the scope of work. The lowest overall bid will be determined by calculating the base bid plus or minus the unit prices bid for each additional item based on the following hypothetical scenario.

EVALUATION OF BID PRICES:

When evaluating bid prices, all of the charges itemized in the hypothetical scenario which follows will be considered.

CALCULATION OF TOTAL BID PRICE:

One total bid figure will be calculated for each vendor based upon the sum of the breakdown of operation, repair and maintenance, monitoring, and sampling of four (4) sewage-treatment plants located throughout the park (including the following areas: cabin area, new cabin area, lodge area, campground area/nature center), lift stations, manholes, chlorine contact units, U/V units, lodge grease trap, flow meters and effluent outlets, plus the hourly rate for assisting the park with major repairs and the cost of additional sludge removal.

VENDOR PREFERENCE CERTIFICATE

Certification and application* is hereby made for Preference in accordance with West Virginia Code, §5A-3-37. (Does not apply to construction contracts). West Virginia Code, §5A-3-37, provides an opportunity for qualifying vendors to request (at the time of bid) preference for their residency status. Such preference is an evaluation method only and will be applied only to the cost bid in accordance with the West Virginia Code. This certificate for application is to be used to request such preference. The Purchasing Division will make the determination of the Resident Vendor Preference, if applicable.

- 1. Application is made for 2.5% resident vendor preference for the reason checked: Bidder is an individual resident vendor and has resided continuously in West Virginia for four (4) years immediately preceding the date of this certification; or, Bidder is a partnership, association or corporation resident vendor and has maintained its headquarters or principal place of business continuously in West Virginia for four (4) years immediately preceding the date of this certification; or 80% of the ownership interest of Bidder is held by another individual, partnership, association or corporation resident vendor who has maintained its headquarters or principal place of business continuously in West Virginia for four (4) years immediately preceding the date of this certification; or, Bidder is a nonresident vendor which has an affiliate or subsidiary which employs a minimum of one hundred state residents and which has maintained its headquarters or principal place of business within West Virginia continuously for the four (4) years immediately preceding the date of this certification; or,
2. Application is made for 2.5% resident vendor preference for the reason checked: Bidder is a resident vendor who certifies that, during the life of the contract, on average at least 75% of the employees working on the project being bid are residents of West Virginia who have resided in the state continuously for the two years immediately preceding submission of this bid; or,
3. Application is made for 2.5% resident vendor preference for the reason checked: Bidder is a nonresident vendor employing a minimum of one hundred state residents or is a nonresident vendor with an affiliate or subsidiary which maintains its headquarters or principal place of business within West Virginia employing a minimum of one hundred state residents who certifies that, during the life of the contract, on average at least 75% of the employees or Bidder's affiliate's or subsidiary's employees are residents of West Virginia who have resided in the state continuously for the two years immediately preceding submission of this bid; or,
4. Application is made for 5% resident vendor preference for the reason checked: Bidder meets either the requirement of both subdivisions (1) and (2) or subdivision (1) and (3) as stated above; or,
5. Application is made for 3.5% resident vendor preference who is a veteran for the reason checked: Bidder is an individual resident vendor who is a veteran of the United States armed forces, the reserves or the National Guard and has resided in West Virginia continuously for the four years immediately preceding the date on which the bid is submitted; or,
6. Application is made for 3.5% resident vendor preference who is a veteran for the reason checked: Bidder is a resident vendor who is a veteran of the United States armed forces, the reserves or the National Guard, if, for purposes of producing or distributing the commodities or completing the project which is the subject of the vendor's bid and continuously over the entire term of the project, on average at least seventy-five percent of the vendor's employees are residents of West Virginia who have resided in the state continuously for the two immediately preceding years.

Bidder understands if the Secretary of Revenue determines that a Bidder receiving preference has failed to continue to meet the requirements for such preference, the Secretary may order the Director of Purchasing to: (a) reject the bid; or (b) assess a penalty against such Bidder in an amount not to exceed 5% of the bid amount and that such penalty will be paid to the contracting agency or deducted from any unpaid balance on the contract or purchase order.

By submission of this certificate, Bidder agrees to disclose any reasonably requested information to the Purchasing Division and authorizes the Department of Revenue to disclose to the Director of Purchasing appropriate information verifying that Bidder has paid the required business taxes, provided that such information does not contain the amounts of taxes paid nor any other information deemed by the Tax Commissioner to be confidential.

Under penalty of law for false swearing (West Virginia Code, §61-5-3), Bidder hereby certifies that this certificate is true and accurate in all respects; and that if a contract is issued to Bidder and if anything contained within this certificate changes during the term of the contract, Bidder will notify the Purchasing Division in writing immediately.

PURCHASING AFFIDAVIT

VENDOR OWING A DEBT TO THE STATE:

West Virginia Code §5A-3-10a provides that: No contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and the debt owed is an amount greater than one thousand dollars in the aggregate.

PUBLIC IMPROVEMENT CONTRACTS & DRUG-FREE WORKPLACE ACT:

If this is a solicitation for a public improvement construction contract, the vendor, by its signature below, affirms that it has a written plan for a drug-free workplace policy in compliance with Article 1D, Chapter 21 of the **West Virginia Code**. The vendor **must** make said affirmation with its bid submission. Further, public improvement construction contract may not be awarded to a vendor who does not have a written plan for a drug-free workplace policy in compliance with Article 1D, Chapter 21 of the **West Virginia Code** and who has not submitted that plan to the appropriate contracting authority in timely fashion. For a vendor who is a subcontractor, compliance with Section 5, Article 1D, Chapter 21 of the **West Virginia Code** may take place before their work on the public improvement is begun.

ANTITRUST:

In submitting a bid to any agency for the state of West Virginia, the bidder offers and agrees that if the bid is accepted the bidder will convey, sell, assign or transfer to the state of West Virginia all rights, title and interest in and to all causes of action it may now or hereafter acquire under the antitrust laws of the United States and the state of West Virginia for price fixing and/or unreasonable restraints of trade relating to the particular commodities or services purchased or acquired by the state of West Virginia. Such assignment shall be made and become effective at the time the purchasing agency tenders the initial payment to the bidder.

I certify that this bid is made without prior understanding, agreement, or connection with any corporation, firm, limited liability company, partnership or person or entity submitting a bid for the same materials, supplies, equipment or services and is in all respects fair and without collusion or fraud. I further certify that I am authorized to sign the certification on behalf of the bidder or this bid.

LICENSING:

Vendors must be licensed and in good standing in accordance with any and all state and local laws and requirements by any state or local agency of West Virginia, including, but not limited to, the West Virginia Secretary of State's Office, the West Virginia Tax Department, West Virginia Insurance Commission, or any other state agencies or political subdivision. Furthermore, the vendor must provide all necessary releases to obtain information to enable the Director or spending unit to verify that the vendor is licensed and in good standing with the above entities.

CONFIDENTIALITY:

The vendor agrees that he or she will not disclose to anyone, directly or indirectly, any such personally identifiable information or other confidential information gained from the agency, unless the individual who is the subject of the information consents to the disclosure in writing or the disclosure is made pursuant to the agency's policies, procedures and rules. Vendor further agrees to comply with the Confidentiality Policies and Information Security Accountability Requirements, set forth in <http://www.state.wv.us/admin/purchase/privacy/noticeConfidentiality.pdf>.

Under penalty of law for false swearing (**West Virginia Code** §61-5-3), it is hereby certified that the vendor affirms and acknowledges the information in this affidavit and is in compliance with the requirements as stated.
