**PURCHASING AFFIDAVIT**

**VENDOR OWING A DEBT TO THE STATE:**

*West Virginia Code* §5A-3-10a provides that: No contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and the debt owed is an amount greater than one thousand dollars in the aggregate.

**PUBLIC IMPROVEMENT CONTRACTS & DRUG-FREE WORKPLACE ACT:**

If this is a solicitation for a public improvement construction contract, the vendor, by its signature below, affirms that it has a written plan for a drug-free workplace policy in compliance with Article 1D, Chapter 21 of the *West Virginia Code*. The vendor **must** make said affirmation with its bid submission. Further, public improvement construction contract may not be awarded to a vendor who does not have a written plan for a drug-free workplace policy in compliance with Article 1D, Chapter 21 of the *West Virginia Code* and who has not submitted that plan to the appropriate contracting authority in timely fashion. For a vendor who is a subcontractor, compliance with Section 5, Article 1D, Chapter 21 of the *West Virginia Code* may take place before their work on the public improvement is begun.

**ANTITRUST:**

In submitting a bid to any agency for the state of West Virginia, the bidder offers and agrees that if the bid is accepted the bidder will convey, sell, assign or transfer to the state of West Virginia all rights, title and interest in and to all causes of action it may now or hereafter acquire under the antitrust laws of the United States and the state of West Virginia for price fixing and/or unreasonable restraints of trade relating to the particular commodities or services purchased or acquired by the state of West Virginia. Such assignment shall be made and become effective at the time the purchasing agency tenders the initial payment to the bidder.

I certify that this bid is made without prior understanding, agreement, or connection with any corporation, firm, limited liability company, partnership or person or entity submitting a bid for the same materials, supplies, equipment or services and is in all respects fair and without collusion or fraud. I further certify that I am authorized to sign the certification on behalf of the bidder or this bid.

**LICENSING:**

Vendors must be licensed and in good standing in accordance with any and all state and local laws and requirements by any state or local agency of West Virginia, including, but not limited to, the West Virginia Secretary of State's Office, the West Virginia Tax Department, West Virginia Insurance Commission, or any other state agencies or political subdivision. Furthermore, the vendor must provide all necessary releases to obtain information to enable the Director or spending unit to verify that the vendor is licensed and in good standing with the above entities.

**CONFIDENTIALITY:**

The vendor agrees that he or she will not disclose to anyone, directly or indirectly, any such personally identifiable information or other confidential information gained from the agency, unless the individual who is the subject of the information consents to the disclosure in writing or the disclosure is made pursuant to the agency's policies, procedures and rules. Vendor further agrees to comply with the Confidentiality Policies and Information Security Accountability Requirements, set forth in <http://www.state.wv.us/admin/purchase/privacy/noticeConfidentiality.pdf>

Under penalty of law for false swearing (*West Virginia Code* §61-5-3), it is hereby certified that the vendor affirms and acknowledges the information in this affidavit and is in compliance with the requirements as stated

Bid Specifications  
Digital Paging Services**

**General Information**

The West Virginia State Police is seeking bids to establish a contract for digital (alpha and numeric) paging service throughout West Virginia, inclusive of all 55 counties. The ideal vendor would be able to provide 100% saturation coverage (alpha or numeric messaging) for the entire state on a year round basis. Failing this, prospective vendors should clearly state, in unequivocal terms, exactly what their respective coverage areas are,

1. The West Virginia State currently owns approximately 150 Motorola Brand pagers which operate on 152.4800 MHz frequency. Prospective vendors must be able to provide service utilizing this equipment on the same frequency, with no reprogramming of the units required. If another frequency or different equipment is required, it should be clearly stated in your proposal that pagers will be provided at no additional charge.
2. Prospective vendors are encouraged to include lesser coverage options and/or spot coverage options in addition to their wide area coverage, as some agency personnel will not need statewide coverage.

The charges and prices requested are the only fees which will be payable under this contract. Vendors shall not include any "one time set-up fees" or extra charges for alpha service. Any charges of this nature shall be included in the prices quoted.

Bid evaluation will be based on the best value to the State and the State reserves the right to make multiple or split awards based on the best value. An award will be made for each and every item (#1 through #10) assuming

**DPS 1013 page 2 – Bid Specifications**

acceptable bids are received. Since a separate award may be made for each and every coverage, estimated usage will not be a factor in bid evaluation. Vendors are encouraged to submit quotes for any regional coverage they offer. Bids will not be rejected for failure to provide all coverage's sought.

**\*\*REGIONAL CALLING AREAS** (Charleston, Clarksburg and Hagerstown,MD) are taken from the April 2009-2010 edition of the Verizon Telephone Book covering Kanawha and Putnam Counties as per the attachment.

**Verizon Regional Toll Calls**

**Direct-dial calls**

are made from your home or business without the help of an Operator. You pay only for the minutes you are connected with a one-minute minimum.

**Holiday Rates**

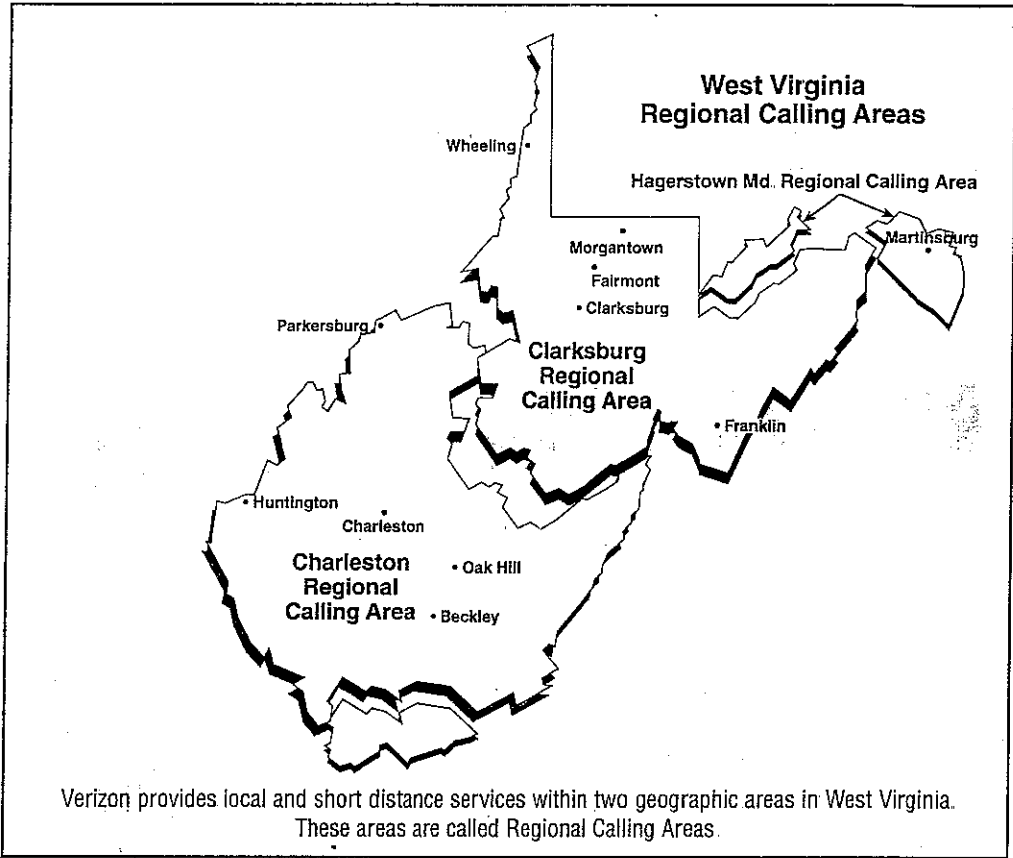

On direct-dial Verizon toll calls, holiday rates are in effect on: New Year's Day, Independence Day, Labor Day, Thanksgiving Day and Christmas Day. These calls are billed at the evening rate, unless a lower rate would normally apply.

**Charges are based on rates at the calling point**

Charges are based on the rates in effect at the time of connection at the calling (originating) point. If your call starts during one rate period and continues into another, your call will be billed at the rate that applies for each time period.

**Verizon Rates**

For the most current rates and packages available, please visit us online at [www.verizon.com](http://www.verizon.com) or contact our Business Office as listed on page 1 of this directory.
