Fine Murals for Your Corporation, Public Space & Estate

MURALISMO

State Capitol Mural Design, Painting and Installation

Dear Mural Committee,

My research on the history of your state and it's people has been very stimulating. The chance to honor that history at it's epicenter adds a profundity beyond the act of creation itself. As an artist who most often works solo, from laying the ground to the last stroke, I am excited by the opportunity for collaboration—both with my team and your citizens. I believe that will help us capture the color and passion of West Virginia's legacy.

I look forward to meeting you to discuss the subject matter, concepts, and scope of the Capitol project. Thank you for the honor of your regard.

Sincerely,

Tom Hooper Muralismo
