Dear Mural Committee:

Thank you for the privilege to be considered to complete the vision of Cass Gilbert for the State Capitol of West Virginia.

It is clear much time and effort have been undertaken thus far, to compile this request for information and to research the best potential artist for this important project. We have assembled the attached booklet for your review and consideration.

We are in your area often and would welcome the opportunity to meet with the members of the committee to learn your ideas and vision for the murals and answer any questions.

We thank you again for the privilege to be considered for this esteemed endeavor. We look forward to the possibility to meet with the committee to further discuss this special project.

Kind regards,
