Case filings can be reviewed at the Commission's web site at: <http://www.psc.state.wv.us/>. (Direct links to the filings are not available. Search by case number using the "case information" function of the site.)

Mountaineer is the largest gas utility in West Virginia. The Company's filing indicates that it is seeking an increase in rates of approximately \$26.4 million or at least 7.8 percent for residential customers. This is the first rate case since the assets of Mountaineer (including an affiliated production company – Mountaineer Gas Services) were acquired by IGS/ArcLight in 2005. In 2007, Mountaineer was granted permission to spin off the assets of Mountaineer Gas Services.

We are seeking bids for the general rate case. The consultant will be expected to provide expert testimony on all other revenue requirement issues, including rate base, revenues, expenses, service company billings, taxes, operating income, and all of the sub-areas which fall into these categories. The CAD anticipates that some accounting issues will be handled by the Consumer Advocate Division staff.

Please submit hourly rates for all positions listed on the bid form. Hours listed are estimates for bidding purposes only, actual number of hours required are unknown. Please provide a list of personnel who will be working on the identified elements of this case. Please submit a history of the regulated utility cases you have participated in involving revenue requirement issues and a list of any cases that could be in conflict with this case.

The general rate case consultant must have at least 10 years experience testifying on revenue requirement issues involving regulated utilities. Consultants must be Certified Public Accountants or have advanced degrees in business, economics, finance or accounting. The consultants must be able to coordinate and incorporate recommendations from multiple witnesses testifying on behalf of the Consumer Advocate Division.
