ADDENDUM #1

HYDRAULIC CONTRACT

7011C010

- 1. It would be unreasonable for us to give up our trade secrets of who our vendors are.
- 2. Trade secrets would become public knowledge and knowledge to competitors.
- 3. We would not have received our invoices from most of our supplier's for 2 to 4 weeks after shipment date of the parts, which would make it impossible to have a copy with the invoice.
- 4. We have purchased a large amounts of components for stock for which invoices are in storage.
- 5. Since there are no parts listings or suppliers for certain types of equipment it has to be either "matched up" or manufactured. To satisfy your request, how would one account for this type of invoice.

Response to vendor comments and questions specification language will be changed as follows:

4.0 Change # 1 Remove: Copy of manufacturer's parts list or invoice for each part, component, or material provided.

Add: The State of WV reserves the right to request Manufacturer's parts list for audit purposes.

4.0 Change # 2 Remove: Copies of manufacturer's price list or invoice must match in the order by which parts appear on the Vendors invoice.

Additional Specification Changes:

- 4.0 Should read WV-39 instead of WV-35
- 4.0 Remove Bold Underlined Section: <u>NO INDIVIDUAL JOB IN EXCESS OF \$25,000 (PARTS AND SERVICE) SHALL BE PERMITTED UNDER THIS CONTRACT. ISSUANCE OF MULTIPLE RELEASE ORDERS TO CIRCUMVENT THIS REQUIREMENT IS STRICTLY PROHIBITED.</u>

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

"Debtor" means any individual, corporation, partnership, association, Limited Liability Company or any other form or business association owing a debt to the state or any of its political subdivisions. "Political subdivision" means any county commission; municipality; county board of education; any instrumentality established by a county or municipality; any separate corporation or instrumentality established by one or more counties or municipalities, as permitted by law; or any public body charged by law with the performance of a government function or whose jurisdiction is coextensive with one or more counties or municipalities. "Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceed five percent of the total contract amount.

EXCEPTION: The prohibition of this section does not apply where a vendor has contested any tax administered pursuant to chapter eleven of this code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.
