Security America:

A West Virginia Success Story

As the state's largest private security and loss prevention company, Security America is proud to be a West Virginia corporation. State pride figured prominently in the 1982 founding of the company by our President and CEO, T. William Signorelli, a life-long West Virginian. And it also contributed to Security America's winning the "Expect the Best from West Virginia" Award in recognition of quality principles and practices.

Security America's Commitment

We're invested in the Mountain State and its future through hundreds of skilled, good-paying jobs and careers. We're committed to maintaining our headquarters here while serving many clients throughout West Virginia, Ohio, Virginia, North Carolina, Kentucky and Tennessee. And we're dedicated to providing all of our clients with quality people, services and product.

Environment of Excellence

Every Security America employee is charged with the responsibility of achieving professional success. Only those who meet the Security America standard of excellence are eligible to represent us. We don't hire "security guards." We recruit, train and deploy professional security officers; it's the critical difference between us and other protection companies. It's what makes Security America a trusted service provider to our clients and an outstanding West Virginia success story.

Security America Founder, T. William Signorelli, CPP

Security America CEO and President Bill Signorelli has more than 30 years of management experience in security, loss prevention and criminal justice. He's a Certified Protection Professional whose work has been recognized by professional organizations in-state and nationally.
