Dear Mr. Rosenwasser:

All American Poly Corporation again was awarded PB Proposal No 2004-9 and 2004-10 for trash bags. As you are aware, these bids were for bags of different sizes and quantities. Your company has demonstrated that this is not a problem.

Additionally, we have asked for a quick shipment due to low inventory. I appreciate the steps that were taken to satisfy our needs. Your timeliness and willingness to help us out should not be overlooked.

RE: Plastic Trash Bags

Dear Mr. Rosenwasser:

On January 10, 2007, St. Louis County awarded RFP #7561 to All-American Poly Corporation. The bid was for 200 cases of bright yellow, high impact, 34" x 40", 2 mils thick, plastic trash bags, and boxed 200 per case. Upon receipt of the product, St. Louis County personnel determined that a minor glitch had taken place during the production run. We notified All-American of the discrepancy immediately.

You listened attentively to our needs, quickly identified the problem, and directly coordinated the delivery of the appropriate product. All-American Poly Corporation demonstrated the highest level of professionalism in providing their customers with a quality product and service. Your company exceeded all of St. Louis County's expectations.

Dear Mr. Rosenwasser,

All American Poly has been our trash bag supplier for more than six years. In that time we have ordered over 300 thousand bags and the quality has been excellent. The customer service, price and delivery have been more than satisfactory and it is commendable to find a company that provides that level of service. Thanks again for your service and will look forward to doing business with you again.

West Virginia Code §5A-3-10a states: No contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and the debt owed is an amount greater than one thousand dollars in the aggregate.

DEFINITIONS:

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

"Debtor" means any individual, corporation, partnership, association, limited liability company or any other form or business association owing a debt to the state or any of its political subdivisions. "Political subdivision" means any county commission; municipality; county board of education; any instrumentality established by a county or municipality; any separate corporation or instrumentality established by one or more counties or municipalities, as permitted by law; or any public body charged by law with the performance of a government function or whose jurisdiction is coextensive with one or more counties or municipalities. "Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceeds five percent of the total contract amount.

EXCEPTION: The prohibition of this section does not apply where a vendor has contested any tax administered pursuant to chapter eleven of this code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

Under penalty of law for false swearing (*West Virginia Code* §61-5-3), it is hereby certified that the vendor affirms and acknowledges the information in this affidavit and is in compliance with the requirements as stated.
