Gentlemen:

I am writing to you concerning the RFQ# COR61448 for the VTW-400 Electronic Taut Wire Fence System at the Mount Olive Correctional Facility. In regards to that RFQ, please find below conditions on which this Bid is based.

1. A Performance Bond and Labor/Material Bond are included in our Proposal. If these Bonds are not required, a credit of \$9000.00 will be provided.
2. The project completion is 150 days after receipt of the Notice to Proceed (NTP). Our Bid is based on the issuance of the NTP after approval of the submittals and shop drawings.
3. The estimated quantities of equipment on page 50 are incorrect. Our Bid is based on 26 Sensor Posts, 26 Processors/Transponders and 26 Junction Boxes as shown on the drawings. The estimated quantity listed at 27 is incorrect.
4. The controller changeover cannot be completed and made operational during a single day. During the controller changeover, the systems will be down for 2-4 days. Our Proposal assumes this down time is acceptable.

If you have any questions or need additional information, please contact me.

Sincerely,

Jim Walsh

PURCHASING AFFIDAVIT

West Virginia Code §5A-3-10a states: No contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and the debt owed is an amount greater than one thousand dollars in the aggregate.

DEFINITIONS:

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

"Debtor" means any individual, corporation, partnership, association, limited liability company or any other form or business association owing a debt to the state or any of its political subdivisions. "Political subdivision" means any county commission; municipality; county board of education; any instrumentality established by a county or municipality; any separate corporation or instrumentality established by one or more counties or municipalities, as permitted by law; or any public body charged by law with the performance of a government function or whose jurisdiction is coextensive with one or more counties or municipalities. "Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceed five percent of the total contract amount.

EXCEPTION: The prohibition of this section does not apply where a vendor has contested any tax administered pursuant to chapter eleven of this code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

Under penalty of law for false swearing (*West Virginia Code §61-5-3*), it is hereby certified that the vendor affirms and acknowledges the information in this affidavit and is in compliance with the requirements as stated.
