All services performed or goods delivered under State Purchase Order/Contracts are to be continued for the term of the Purchase Order/Contracts, contingent upon funds being appropriated by the Legislature or otherwise being made available. 5. Payment may only be made after the delivery and acceptance of goods or services.
6. Interest may be paid for late payment in accordance with the *West Virginia Code*.
7. Vendor preference will be granted upon written request in accordance with the *West Virginia Code*.
8. The State of West Virginia is exempt from federal and state taxes and will not pay or reimburse such taxes.
9. The Director of Purchasing may cancel any Purchase Order/Contract upon 30 days written notice to the seller.
10. The laws of the State of West Virginia and the *Legislative Rules* of the Purchasing Division shall govern the purchasing process.
11. Any reference to automatic renewal is hereby deleted. The Contract may be renewed only upon mutual written agreement of the parties.
12. **BANKRUPTCY:** In the event the vendor/contractor files for bankruptcy protection, the State may deem this contract null and void, and terminate such contract without further order.

Provided that the Agency meets the definition of a Cover Entity (45 CFR §160.103) and will be disclosing Protected Health Information (45 CFR §160.103) to the vendor.
14. **CONFIDENTIALITY:** The vendor agrees that he or she will not disclose to anyone, directly or indirectly, any such personally identifiable information or other confidential information gained from the agency, unless the individual who is the subject of the information consents to the disclosure in writing or the disclosure is made pursuant to the agency's policies, procedures, and rules. Such assignment shall be made and become effective at the time the purchasing agency tenders the initial payment to the bidder.

I certify that this bid is made without prior understanding, agreement, or connection with any corporation, firm, limited liability company, partnership, or person or entity submitting a bid for the same material, supplies, equipment or services and is in all respects fair and without collusion or fraud. Addendum #1 - Questions During Pre-Bid Meeting

For DEP 15305

Wayne Kisling Highwall and Pond

The following comments and questions were identified from the Pre-Bid Conference. The answers provided herein take precedence over verbal answers at the PBC should there be any conflict between the two.

Comments:

1. The specification for the grout mixture has changed and is noted under section 7.2.2 of the Technical Specifications.
2. The riprap headwall work at the upstream side of the driveway culvert going into Mr. Robey's property will be paid as incidental to Item 4.3 Gravel Road Rehabilitation.
3. The access road from the gate at the driveway to the borrow area will require 3" of 1 ½ " crusher run stone at the completion of the construction project. Any stone necessary to keep the road useable during construction will be the contractor's responsibility.

Questions:

1. **Q.** If mining equipment is found in the pond will it need to be removed?
A. No. All mining equipment (if any exists) will remain in the pond and be covered with the shot rock backfill. The only equipment, if encountered, that would be removed is anything that would prohibit the construction work required. Everything else will remain in place.
2. **Q.** Is filter fabric required over the shot rock fill before soil backfill?
A. No. There is no filter fabric required during the backfill.

The Contractor shall have 120 days from the date of the Notice to Proceed to complete construction activities on the project. The \$250.00 per day liquidated damages clause will be in effect after the 120 days. However, the total performance period will be 365 days from the date of the Notice to Proceed for invoicing purposes.
