**RE: West Virginia Division of Juvenile Services
RFQ – DJS010311**

Dear Ms. Lyle:

PrimeCare Medical of West Virginia, Inc. is pleased to submit this **Technical and Pricing Proposal** through yourself to the **West Virginia Division of Juvenile Services** for the provision of resident/patient comprehensive health care services at three (3) Juvenile Correctional Facilities and eight (8) Juvenile Detention Facilities. **PrimeCare Medical of West Virginia, Inc. accepts the RFQ in its entirety and has no exceptions to the contractual terms, conditions, or requirements of the RFQ.**

PrimeCare Medical of West Virginia, Inc. began its special “partnership” with the **State of West Virginia** over eighteen (18) years ago, on February 22, 1993, when it assumed medical operations at the Eastern Regional Jail. **PrimeCare Medical of West Virginia, Inc.** has since expanded its operations to include eleven (11) facilities under the jurisdiction of the **West Virginia Regional Jail and Correctional Facility Authority**, as well as eleven (11) Juvenile Correctional and Detention facilities under the jurisdiction of the **West Virginia Division of Juvenile Services**. In that context, **PrimeCare Medical of West Virginia, Inc.** was awarded an emergency services contract by the **West Virginia Division of Juvenile Services** on January 15, 2001 for the **West Virginia Industrial Home for Youth** in Salem, West Virginia.

Recognizing this “special relationship” with the **State of West Virginia**, **PrimeCare Medical of West Virginia, Inc.** was formed as a domestic West Virginia corporation on July 28, 1998, which is now located at 117 State Street, Bridgeport, West Virginia. Accordingly, **PrimeCare Medical of West Virginia, Inc.** is a recognized Corporation in West Virginia, paying local property taxes at each of its facilities, as well as the Health Care Provider Tax. We employ 266 West Virginia Nurses, Medical Assistants, and Administrative Assistants; as well as Physicians, Dentists, Psychologists, Psychiatrists and 28 other Independent Sub-Contractors.

Now, celebrating its “25th” **Year Anniversary**, **PrimeCare Medical, Inc.** and **PrimeCare Medical of West Virginia, Inc.** have continued to build and expand its leadership

and support structures for all contracted facilities, to include the long-standing contract with the **West Virginia Division of Juvenile Services**. The **Vice President of West Virginia Operations** is **Linda Bernard, RN, CCHP-RN**, who resides in Bridgeport, West Virginia. Ms. Bernard works very closely with the **West Virginia Division of Juvenile Services** and provides all direct clinical and operational supervision to these facilities. The **Junior Vice President of West Virginia Operations** is **Timothy Bowen**, of Salem, West Virginia, who has worked for **PrimeCare Medical of West Virginia, Inc.** for over eight (8) years. The **Regional Coordinator**, who administratively oversees the **West Virginia Division of Juvenile Services** facilities, is **Kathy Nicholson, LPN, CCHP**, a resident of Gilmer County, West Virginia. All three (3) of these individuals are available to the **West Virginia Division of Juvenile Services** and its staff to resolve any medical emergencies and other complex issues inevitably arising in correctional juvenile medicine.

Through the commitment from, and the support of the West Virginia Division of Juvenile Services Facilities' Senior Administrative leadership, **PrimeCare Medical of West Virginia, Inc.** successfully achieved a "**100%**" success rate in receiving and maintaining Accreditation from the **National Commission on Correctional Health Care (NCCHC)** at seven (7) facilities, with three (3) sites pending. As a result of this proven "**TEAM**" approach, **PrimeCare Medical of West Virginia, Inc.** is in an excellent position to continue to improve and efficiently operate the Medical Departments of the **West Virginia Division of Juvenile Services**.

In an effort to continue to show PrimeCare Medical of West Virginia, Inc.'s commitment to the partnership already established in West Virginia, we are prepared to provide the West Virginia Division of Juvenile Services with a complete "electronic medical records system". PrimeCare Medical of West Virginia, Inc. is willing to provide this electronic medical records system to the West Virginia Division of Juvenile Services at our actual acquisition cost, should the Division request this service. PrimeCare Medical of West Virginia, Inc. continues to believe and promote this type of system which has demonstrated improved patient outcomes, improved continuity of care and most importantly, improved efficiencies throughout our Corporation through the use of this "state-of-the-art technology". The West Virginia Division of Juvenile Services is ideally suited for this type of system.

PrimeCare Medical of West Virginia, Inc. remains committed to providing quality health care services as each new facility is constructed and/or opened. It will continue to improve health care services with new innovations and creative approaches to problem solving. Current address and telephone numbers are as follows:

PrimeCare Medical of West Virginia, Inc.'s entire proposal is based on an attempt to continue to provide high quality, cost effective health care systems for the **West Virginia Division of Juvenile Services**. **PrimeCare Medical of West Virginia, Inc.** will not only meet, but far exceed all levels of service presented in this proposal. **PrimeCare Medical of West Virginia, Inc.** has outlined its experience, its Medical Team, its Medical Directors, its Operations, Medical Staff, and all Corporate Support Staff. The Company has been in existence for "twenty-five (25) years" and is highly qualified to implement this proposal, which is designed specifically to service the health care delivery systems in the **West Virginia Division of Juvenile Services**. We are hopeful that, following your review of our proposal, you will renew the medical services contract with **PrimeCare Medical of West Virginia, Inc.** We have enjoyed a strong "partnership" with the **West Virginia Division of Juvenile Services** for over ten (10) years and are anxiously looking forward to continuing with the challenging opportunity of providing quality, comprehensive health care services to the **State of West Virginia**.

If there are questions or concerns, please do not hesitate to call **Francis J. Komykoski Sr., MBA, CCHP, Vice President of Operations; Todd W. Haskins, RN, CCHP, Vice President of Operations; or myself**. These are the only three (3) officers that are authorized to speak on behalf of the Company or negotiate contractual provisions for this contract.

Sincerely,
