DNR 210240 Blackwater Cabin Furnishings Addendum No. 1

1. There is no specification for the drapery lining. Is it two pass blackout, three pass blackout, or a Roclon non-blackout lining? All are "hospitality grade" linings but are totally different in appearance and use.

Lining is Fabricut Pattern Thrifty Color White Contents: 50% cotton/50% poly;

Materials: linings width: 54" Repeat V: 0" H: 0" Retardant: Chemically

The lining is not blackout.

2. There are dimensions missing from the drawing of the bolster. What is the height of the bolster? Where is the zipper to be located? Can the designer label the bolster as to exactly where each fabric is to be applied?

The height of the bolster is 11 inches. As stated on the bolster detail, the zipper is located in the bottom. As stated in the specifications the front, top and side of bolster is Fabricut Pattern: Zenith Color: Spa or equal. The back, bottom and welt of bolster is Fabricut Pattern: Reliable Color: Spa or equal. This is also stated in the specifications.

3. Several items from Uttermost are either discontinued or in short stock. Will the designer reselect? Item # 42, Item # 43, Item # 45.

Delete Item # 42 Entry Foyer Picture Frame from the contract. Delete Item # 43 Living Room Bookends from the contract. Item # 45 Bedroom No. 1 Table Lamp is available and is to remain in the contract.

4. Are the bedspreads quilted? If so, what type of quilt pattern and what weight in ounces is the fiber fill?

The quilt pattern is double onion in Bedrooms 1 & 2, Queen bedspreads.

The quilt pattern is 6"square box quilt in Bedrooms 3 & 4, Twin bedspreads.

As stated in the specifications, the fiber fill weight is 8 ounces.

**5. I don't see any bedding on this bid, are the mattresses and box springs existing? -
Yes**

DNR 210240 Blackwater Cabin Furnishings Addendum No. 1

6. It has come to my attention that the Kimball headboards and night stands are out of stock and will not be produced for quantities of less than 100 each. Can you have the designer reselect these items?

Item #16 Queen head boards are Furniture Design from T.M. Garasic Item# H16A0QH01A010C-X.

Minimum dimensions must be 60" W x 1 5/8" D x 23" H; and must have white washed stained finish.

Item #17 Night stands are Furniture Design from T. M. Garasic Item # H16A0NS01A010C-X.

Dimensions must be between 19-22"W x 20-23" D x 23-26" H, must have white washed stained finish and must have laminated top with high-pressure laminate that conforms to NEMA LD3.

7. I am having a difficult time understanding what the designer wants in the closet organizers. Not one of the numbers of the product specified is a Rubbermaid number. We have checked with Rubbermaid and they cannot identify the product by these numbers. The "home free series triple shelf" is #FG3E28LWWHT not #94482. The "woven storage baskets" # 3S05, 3S06 are not good style #s either. On one line on page 11 they are described as "woven wood storage baskets" and a few lines later as just woven storage baskets". Rubbermaid makes slide out baskets in canvas or wire metal. Which one is required?

The numbers come from www.rubbermaid.com closet design tool.

Item # 19 is 3E28 3-Shelf Unit-Maple

Item # 20 is 3F05 Medium Woven Basket

Item # 21 is 3F06 Large Woven Basket

These are woven wood storage baskets with a cloth liner, not canvas or wire metal.

8. In addition, I don't see any shelves for hanging clothes. Are there any?

Not in this contract. They are already constructed.

DEFINITIONS:

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

"Debtor" means any individual, corporation, partnership, association, limited liability company or any other form or business association owing a debt to the state or any of its political subdivisions. "Political subdivision" means any county commission; municipality; county board of education; any instrumentality established by a county or municipality; any separate corporation or instrumentality established by one or more counties or municipalities, as permitted by law; or any public body charged by law with the performance of a government function or whose jurisdiction is coextensive with one or more counties or municipalities. "Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceed five percent of the total contract amount.

EXCEPTION: The prohibition of this section does not apply where a vendor has contested any tax administered pursuant to chapter eleven of this code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

Under penalty of law for false swearing (*West Virginia Code §61-5-3*), it is hereby certified that the vendor affirms and acknowledges the information in this affidavit and is in compliance with the requirements as stated.
