Truck

2011 Freightliner M2 106 or equal

Truck must meet the following specifications:

- New conventional cab truck with a minimum GVWR of 38,000 pounds
- Wheel base: 170 inches
- Minimum 80,000psi yield strength steel frame, reinforcement of 50/80,000 frame
- Engine: Turbo charged diesel with a minimum of 300 horsepower and a minimum 860 ft lb. of torque. Also must have an engine compression brake (not exhaust)
- Transmission: Eaton Fuller 10-speed manual with provisions for power takeoff or equal. Control pad to be dash mounted.
- Front Axle: Minimum 12,000 pound capacity with a minimum of 12,000 pound capacity leaf springs and heavy duty shocks.
- Rear Axle: Minimum 26,000 pound capacity (Dana or equal), driver operated locking differential. Gear ratio should be so that the maximum speed is 75 miles per hour. Axle to be single speed.
- Brakes: Air, cam type anti-lock drum brakes with air compressor that has a minimum rating of 13 CFM. Must also have air dryer and moisture ejector systems. Dust shields on rear brakes. Automatic slack adjusters on front and rear brakes. Automatic limiting valves on front brakes.
- Batteries: Dual 12 volt with a minimum 1,850 CCA
- Alternator: 12 volt with a minimum of 160 amp output
- Wheels: Steel disc 10 hole, 22.5 x 8.25 front and rear
- Tires: Front: 11R22.5 G (14 ply) radial tubeless highway tread
Rear: 11R22.5 G (14 ply) radial tubeless mud and snow tread
Spare same as front
- Vehicle to have the following equipment:
 - Reverse warning beeper
 - Front tow hooks (2)
 - Single horizontal exhaust system
 - Pedestal mount dual trumpet air horn with weather shields
 - AM/FM radio
 - Circuit breakers
 - Low oil pressure/high water temp indicator, with light and alarm
 - Minimum two speed intermittent wipers
 - Air Brake Pressure Gauge
 - Wrench to fit front and rear lugs
 - Electric high idle switch
 - Engine block heater
 - Dual step fuel tanks with a minimum 50 gallon each capacity (mounted under cab)
 - Factory tinted glass

- Cruise control
- Dual minimum 6" x 15" (maximum 8" X 17") heated exterior side mirrors
- English gauge cluster with electric speedometer
- Tachometer
- Electric hour meter mounted in cluster
- Cloth material high back air suspension drivers and passenger seats
- RH/LH minimum 8" spot mirrors (mounted under primary mirrors)
- Integral air conditioning
- Auxiliary driving/fog lights to be mounted in or on the bumper
- Cab assist entry handles (both sides)
- Full width steel bumper
- Halogen headlamps
- Fiberglass tilt hood
- Auxiliary 12 volt plug mounted on dash
- Cab Insulation to provide reduction of noise and heat from the engine
- Color: Dark forest green metallic or equal

Bed Specs:

- Steel platform type with a minimum 15-ton single cylinder hydraulic scissor hoist.
- Air shift PTO control to be mounted on dash of cab.
- Hoist pump control lever cable type not acceptable, to be mounted in an easily accessible location to the outside rear of cab on driver's side.
- Platform is to be 13 feet long by 8 feet wide, constructed of 3/16 smooth steel to be welded to bed sills. Cross members shall extend to and be welded to side rails except where cross member may interfere with wheel clearance. Bed cross members to be 4" x 1/5", 11 gauge steel channel on 12 inch centers and welded to bed sills. Front and rear cross members and every one in between to be braced to bed sill with 1/4" steel plates, triangular in shape with 6" edges. One edge of plate to be welded to sill and the other edge welded to underside of cross member to extend 6" toward outside of bed.
- Side rails and ends to be 6" high and to be 12 gauge metal. Bed sills to be 7" construction channel, sufficient height to allow enough clearance for the use of tire chains on a fully loaded truck.
- Bed to be mounted 8" from rear of cab. Bed to have clearance and marker lights and mud flaps that comply with WV state law.

Note: Manufacturer's standard warranty and service policy to be included and shall be honored by all the manufacturer's authorized dealers.

RE: DNR211111 2 Trucks Over 1 Ton Capacity

Mr. Whittaker,

Thank you for this opportunity to submit a proposal on the state's vehicle needs.

Please find attached the vehicle summary for a 2011 Kenworth T370, a Godwin body, and brochures on the Paccar PX 8 engine and the Kenworth T370.

Deviations from your bid specs are:

- 188" wheelbase to meet horizontal exhaust specifications
- 22.5X8.25 steel disc wheels – 5 hole instead of 10
- 12R22.5 G (16 ply) tires to meet GVW specifications
- Dual 45 gallon tanks instead of 50
- Hood is a 4 piece Metton instead of fiberglass
- Bed is 14' instead of 13'
- Pump control is inside cab at the door area of the drivers side instead of outside

Thank you again for this opportunity.

Cab & Equipment

8024310	S	Cab: Curved Glass Conventional. C500 includes heavy-duty reinforcements. Cab Includes aluminum & fiberglass fully hucked cab w/ all aluminum bulkhead doors & continuous stainless steel piano-style door hinges. Single electric horn. Incandescent exterior lights include diagnosable bulb detection and warning. Trailer cable on tractors includes integrity detection. Standard features include multiplex wiring for interior lights, automated pre-trip inspection, short and open check diagnostics, and programmable daytime running lights. Warning alarm will sound when lights are left on.	0
8090310	S	Hood: Sloped aerodynamic hood includes grill & separate bumper.	0
8108010	S	Cab heater: W/integral defrosters & A/C 45,000 btu cab heater. No sleeper heater/AC. Includes 5 mode rotary control. T660 include filter media.	0
8205045	O	Flip valve: On dash for single speed PTO. Customer-installed. Includes indicator light & piping.	2
8205093	O	Information for customer-installed PTO Chelsea 880 8-bolt.	0
8282009	S	Instrument package: Includes speedometer, tachometer, fuel gauge, engine coolant temperature gauge, engine oil pressure, voltmeter. Class 8 also includes primary & secondary air reservoir gauges & an air application gauge. DEF level gauge and warning lamp are included with 2010 engines. Engine hour meter and outside air temperature readouts are standard. Primary read out will be MPH. Add 8240620 to switch primary scale to KPH in Canada.	0
8330003	S	Cab interior: Pinnacle. Includes vinyl headliner & cab back panel, slate gray interior, dark slate gray seats, floormats, LH/RH inside sunvisor & door courtesy lights.	0
8410091	O	Driver seat: Kenworth Air cushion Plus HB cloth. Standard features includes 7 in. fore and aft slide adjustment w/isolator, 6-23 degree recline, air suspension with cover, dual armrests, and single chamber air lumbar support. Seat cushion is 20 inches wide w/ 2-position tilt and 2-position front cushion extension. Seat material has a horizontal stitch pattern and is 2-tone in color. Seat back is carpeted and includes a map pocket. Seat is manufactured by National. Includes inside visor and retractable 3-point matching seat belts. Black seat belts for T700, gray on all other models.	0

VENDOR PREFERENCE CERTIFICATE

Certification and application* is hereby made for Preference in accordance with West Virginia Code, §5A-3-37. (Does not apply to construction contracts). West Virginia Code, §5A-3-37, provides an opportunity for qualifying vendors to request (at the time of bid) preference for their residency status. Such preference is an evaluation method only and will be applied only to the cost bid in accordance with the West Virginia Code. This certificate for application is to be used to request such preference. The Purchasing Division will make the determination of the Resident Vendor Preference, if applicable.

- 1. Application is made for 2.5% resident vendor preference for the reason checked: Bidder is an individual resident vendor and has resided continuously in West Virginia for four (4) years immediately preceding the date of this certification; or, Bidder is a partnership, association or corporation resident vendor and has maintained its headquarters or principal place of business continuously in West Virginia for four (4) years immediately preceding the date of this certification; or 80% of the ownership interest of Bidder is held by another individual, partnership, association or corporation resident vendor who has maintained its headquarters or principal place of business continuously in West Virginia for four (4) years immediately preceding the date of this certification; or, Bidder is a nonresident vendor which has an affiliate or subsidiary which employs a minimum of one hundred state residents and which has maintained its headquarters or principal place of business within West Virginia continuously for the four (4) years immediately preceding the date of this certification; or,
2. Application is made for 2.5% resident vendor preference for the reason checked: Bidder is a resident vendor who certifies that, during the life of the contract, on average at least 75% of the employees working on the project being bid are residents of West Virginia who have resided in the state continuously for the two years immediately preceding submission of this bid; or,
3. Application is made for 2.5% resident vendor preference for the reason checked: Bidder is a nonresident vendor employing a minimum of one hundred state residents or is a nonresident vendor with an affiliate or subsidiary which maintains its headquarters or principal place of business within West Virginia employing a minimum of one hundred state residents who certifies that, during the life of the contract, on average at least 75% of the employees or Bidder's affiliate's or subsidiary's employees are residents of West Virginia who have resided in the state continuously for the two years immediately preceding submission of this bid; or,
4. Application is made for 5% resident vendor preference for the reason checked: Bidder meets either the requirement of both subdivisions (1) and (2) or subdivision (1) and (3) as stated above; or,
5. Application is made for 3.5% resident vendor preference who is a veteran for the reason checked: Bidder is an individual resident vendor who is a veteran of the United States armed forces, the reserves or the National Guard and has resided in West Virginia continuously for the four years immediately preceding the date on which the bid is submitted; or,
6. Application is made for 3.5% resident vendor preference who is a veteran for the reason checked: Bidder is a resident vendor who is a veteran of the United States armed forces, the reserves or the National Guard, if, for purposes of producing or distributing the commodities or completing the project which is the subject of the vendor's bid and continuously over the entire term of the project, on average at least seventy-five percent of the vendor's employees are residents of West Virginia who have resided in the state continuously for the two immediately preceding years.

Bidder understands if the Secretary of Revenue determines that a Bidder receiving preference has failed to continue to meet the requirements for such preference, the Secretary may order the Director of Purchasing to: (a) reject the bid; or (b) assess a penalty against such Bidder in an amount not to exceed 5% of the bid amount and that such penalty will be paid to the contracting agency or deducted from any unpaid balance on the contract or purchase order.

By submission of this certificate, Bidder agrees to disclose any reasonably requested information to the Purchasing Division and authorizes the Department of Revenue to disclose to the Director of Purchasing appropriate information verifying that Bidder has paid the required business taxes, provided that such information does not contain the amounts of taxes paid nor any other information deemed by the Tax Commissioner to be confidential.

Under penalty of law for false swearing (West Virginia Code, §61-5-3), Bidder hereby certifies that this certificate is true and accurate in all respects; and that if a contract is issued to Bidder and if anything contained within this certificate changes during the term of the contract, Bidder will notify the Purchasing Division in writing immediately.

Bidder: GENERAL TRUCK SALES / WORLDWIDE Signed: [Signature] Title: SALES REP. Date: 03/22/2011

*Check any combination of preference consideration(s) indicated above, which you are entitled to receive.

PURCHASING AFFIDAVIT

West Virginia Code §5A-3-10a states: No contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and the debt owed is an amount greater than one thousand dollars in the aggregate.

DEFINITIONS:

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

"Debtor" means any individual, corporation, partnership, association, limited liability company or any other form or business association owing a debt to the state or any of its political subdivisions. "Political subdivision" means any county commission; municipality; county board of education; any instrumentality established by a county or municipality; any separate corporation or instrumentality established by one or more counties or municipalities, as permitted by law; or any public body charged by law with the performance of a government function or whose jurisdiction is coextensive with one or more counties or municipalities. "Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceed five percent of the total contract amount.

EXCEPTION: The prohibition of this section does not apply where a vendor has contested any tax administered pursuant to chapter eleven of this code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

Under penalty of law for false swearing (*West Virginia Code* §61-5-3), it is hereby certified that the vendor affirms and acknowledges the information in this affidavit and is in compliance with the requirements as stated.
