## Request for Quotation EBA346

West Virginia Educational Broadcasting (WVEBA)(Owner) is requesting quotations to provide all labor, materials, equipment, supplies and anything incidental for the purchase and installation of at least one and possibly two (2) roof-top air conditioners and legally dispose of the existing two replaced units at 191 Scott Avenue, Morgantown, WV.

One unit to be replaced is unit #1, a 15 ton cooling only unit and/or the second is unit #9 a combination 10 ton air conditioner/natural gas heating unit. Replacement units shall meet or exceed the capabilities of the existing units.

This project is a prevailing wage project and labor wages shall be in accordance with wages based in Monongalia County, WV.

Vendors/Contractors must be current on workers compensation payments and be compliant with workers compensation policies.

#### 1. Vendor/Contractor Requirements

- 1.1 A mandatory vendor pre-bid conference is scheduled for May 17, 2011 10:30AM in the conference room of WNPB-TV, 191 Scott Avenue, Morgantown, WV. Failure to attend the mandatory pre-bid conference will result in bid rejection.
- 1.2 Contractor shall inspect existing conditions governing this work during mandatory pre-bid conference to determine conditions and extent of work required. No allowance will be made subsequently on behalf of the contractor for any error or negligence on his part in connection with this requirement.
- 1.3 Successful vendor shall provide shop drawings to owner for approval specifying products and installation methods for the scope of work as defined in Section 2. After owner has reviewed the drawings, a notice to proceed will be issued indicating approval of the shop drawings, and an assigned start date will be set.
- 1.4 Any damage to the electrical or roofing system of the main facility resulting from misuse or abuse to the existing system by the vendor/contractor by their workers shall be repaired or replaced by the contractor at no expense to the owner.
- 1.5 WVEBA intends to replace both units if sufficient funds are available. However, given the economic climate that currently exists, it may be necessary to award a bid on only one option. Bids shall be submitted with three distinct purchasing options. The intent of the owner is not to split vendor's bids among options. Bids shall be awarded based on the lowest bid for individual options within the agency budget.

Bids shall be submitted in the following manner:

- 1.5.1 A bid representing the costs of replacing both the 15 ton cooling only unit and the 10 ton cooling and heating unit.
- 1.5.2 A bid representing the costs of replacing a combination 10 ton cooling and natural gas heating unit.
  - 1.5.3 A bid representing the costs of replacing a 15 ton cooling only unit.

#### 2. Scope of Work and Specifications

- 2.1 The project shall be "turn-key"; all labor and materials shall be furnished by the contractor-including but not limited to concrete, wood, galvanized ductwork, pvc pipe or conduit, galvanized conduit, insulation materials, electrical, trenching, roof-top repair, transportation, crane rental, or any other reasonably required material or service.
- 2.2 The Owner will provide normal electrical service currently installed in the main facility for the use of the contractor. However, the Owner provides no guarantee or warranty as to the systems condition or capabilities. The Contractor shall assure himself that the system is adequate for his requirements or supply additional temporary utility service at his own expense.
- 2.3 Vendor shall remove existing units and associated materials and dispose in a responsible and environmental manner.
- 2.4 Refrigerant from existing units shall be removed and disposed in an industry standard and proper environmental manner.
- 2.5 Existing unit #1 shall be replaced by a 15 ton cooling only unit, a Trane Model TCH180E300 or equivalent, which will meet or exceed the capabilities of the present unit.
- 2.6 Existing rusted ductwork on unit #1 shall be replaced and shall not have any sharp edges exposed, nor present any obvious hazard to personnel.
- 2.7 Existing unit #9 shall be replaced by a 10 ton air conditioner/natural gas heating unit, Trane Model YSC120AD or equivalent, which will meet or exceed the capabilities of the present unit.
- 2.8 Replacement units for #9 and #1 shall have economizers during instances when outside air temperatures allow the use of such.
- 2.9 Units shall be capable of functioning in sub-zero weather conditions.
- 2.10 The condensate shall be routed to the building drain system.

- 2.11 Filter units shall be in an easily accessible location and accept readily available, standard sized filters.
- 2.12 All exterior electricity, both power and control, shall be installed using water-tight connections and enclosures.
- 2.13 An electrical disconnect of the appropriate size shall be mounted within sight of the outside units to allow positive disconnect during servicing.
- 2.14 All exterior hardware shall be stainless steel, galvanized, or painted with zinc-enriched galvanic paint. Factory finishes on cabinetry are acceptable. Any cutting or machining on these assemblies shall have zinc-enriched galvanic paint applied.
- 2.15 Full documentation of installation shall be provided, with particular emphasis on control wiring and power distribution.

#### 3. Tools and Equipment Storage

3.1 Contractor may set a trailer or temporary storage building on the site for all equipment and tools. The Contractor is responsible for his tools, equipment and materials.

#### 4. Safety Equipment

4.1 The Contractor shall provide safety barriers around work areas where heavy equipment may be in operation when unloading and/or placing equipment on the building or as required by OSHA.

#### 5. Coordination of Work

- 5.1 The Contractor shall coordinate with the WNPB-TV Site Manager for the proper relation of the work to the building structure and to the employees therein. In the event of conflict the WNPB-TV Site Manager shall prevail.
- 5.2 The Contractor shall provide the Owner with a date and time seven calendar days prior to the delivery of any materials for the demolition or installation. The Owner shall be notified of any variances to the delivery schedule two (2) working days prior to the change.

#### 6. Permits

6.1 The Contractor shall secure and pay for all permits, governmental fees and licenses which are necessary for the proper execution and completion of the work as specified.

#### 7. Warranty (Guarantee)

7.1 A minimum five year parts and labor warranty shall be required.

#### 8. Wage Rates

8.1 The Contractor and any sub-contractors shall pay the higher of the U.S. Department of Labor Minimum wage rates or of the West Virginia Department of Labor wage rates as established for Monongalia County pursuant to West Virginia Code 21-5A, et seq. West Virginia Department of Labor Wage Rates are available at website: <a href="http://www.wvsos.com/adlaw/wagerates/building06.htm">http://www.wvsos.com/adlaw/wagerates/building06.htm</a>

#### 9. Clean Up

9.1 The Contractor shall keep the work area as clean as possible during the entire progress of work, and shall be responsible to remove all debris and rubbish from the work site.

#### 10. Damages:

10.1 Any damages occurring to the building or property resulting from the contractor's performance of this work shall be the responsibility of the contractor to repair at his expense, either by using his own forces or that of an approved sub-contractor. The repair method and finished product will be subject to the approval of the owner.

#### 11. Shipping and Delivery

- 11.1. Delivery is FOB Destination
  - 2.1.1 Shipping costs shall be included in equipment cost
  - 2.1.2 Vendor is responsible for off-loading and placement of equipment
- 11.2 All items shall be delivered to:

WNPB-TV 191 Scott Avenue Morgantown, WV 26505

11.3 Shipping and Crane Staging Contact Information:

## STATE OF WEST VIRGINIA Purchasing Division

### **PURCHASING AFFIDAVIT**

West Virginia Code §5A-3-10a states: No contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and the debt owed is an amount greater than one thousand dollars in the aggregate.

#### **DEFINITIONS:**

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

"Debtor" means any individual, corporation, partnership, association, limited liability company or any other form or business association owing a debt to the state or any of its political subdivisions. "Political subdivision" means any county commission; municipality; county board of education; any instrumentality established by a county or municipality; any separate corporation or instrumentality established by one or more counties or municipalities, as permitted by law; or any public body charged by law with the performance of a government function or whose jurisdiction is coextensive with one or more counties or municipalities. "Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceed five percent of the total contract amount.

**EXCEPTION:** The prohibition of this section does not apply where a vendor has contested any tax administered pursuant to chapter eleven of this code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

Under penalty of law for false swearing (**West Virginia Code** §61-5-3), it is hereby certified that the vendor affirms and acknowledges the information in this affidavit and is in compliance with the requirements as stated.
