ADDENDUM # 1

QUESTION

On page 6 of the RFQ under the section titled "Qualified Certified Public Accounting Firm" defined, the first indented box states... "Except for the engagement being procured by this Request for Quotation, the firm has no accountant-client relationship with the State of West Virginia Department of Revenue and the West Virginia Lottery." We question why an accountant-client relationship with the Lottery would eliminate a firm from consideration under this RFQ. Under professional independence standards, which auditors are required to evaluate before accepting an engagement, performing financial review analysis services and advisory services for the Lottery Commission concerning the Lottery's vendors, licensees, and permit applicants is not incompatible with performing auditing services over the Lottery's financial statements and observing live drawings. Under this RFQ, the firm would be providing services related to financial information of vendors and others outside of the Lottery, while the auditing services relate to financial data of the Lottery and live drawings. The information related to the Lottery's vendors and licensees is external to the Lottery and had no effect on and does not interact with the Lottery's internal financial data or the live drawings. It would seem more likely that the experience and knowledge of the Lottery operations and applicable West Virginia Code sections gained from providing audit services to the Lottery would enhance the ability of the firm to perform the services required under this RFQ. We also note that the Certified Public Accounting firm currently providing these financial review analysis and advisory services requested under this RFQ was allowed to submit a proposal on the original bid for financial audit services for the Lottery on February 9, 2010 and the rebid for the financial audit services on June 8, 2010. The firm was not disqualified from bidding on these audit services even though it was performing the financial review analysis and advisory services at that time. Under generally accepting

auditing standards and Government Auditing Standards, the performance of the service required under this RFQ and providing auditing services to the Lottery by the same firm do not appear to create an independence issue. The firm currently performing the financial review analysis and advisory services to the Lottery submitted multiple bids to perform auditing services for the Lottery and would not likely have done so if the firm could not have complied with professional standards.

RESPONSE

Delete this requirement.

QUESTION

Are there any formal written reports issued to report the results of the financial review analysis and advisory service? If yes, please provide an example of such a report. If not in writing, what is the typical content of the information provided to the Commission?

RESPONSE

Yes. See attached example.

State of West Virginia VENDOR PREFERENCE CERTIFICATE

Certification and application* is hereby made for Preference in accordance with *West Virginia Code*, §5A-3-37. (Does not apply to construction contracts). *West Virginia Code*, §5A-3-37, provides an opportunity for qualifying vendors to request (at the time of bid) preference for their residency status. Such preference is an evaluation method only and will be applied only to the cost bid in accordance with the *West Virginia Code*. This certificate for application is to be used to request such preference. The Purchasing Division will make the determination of the Resident Vendor Preference, if applicable.

1. Application is made for 2.5% resident vendor preference for the reason checked:
 Bidder is an individual resident vendor and has resided continuously in West Virginia for four (4) years immediately preceding the date of this certification; or,
 Bidder is a partnership, association or corporation resident vendor and has maintained its headquarters or principal place of business continuously in West Virginia for four (4) years immediately preceding the date of this certification; or 80% of the ownership interest of Bidder is held by another individual, partnership, association or corporation resident vendor who has maintained its headquarters or principal place of business continuously in West Virginia for four (4) years immediately preceding the date of this certification; or,
 Bidder is a nonresident vendor which has an affiliate or subsidiary which employs a minimum of one hundred state residents and which has maintained its headquarters or principal place of business within West Virginia continuously for the four (4) years immediately preceding the date of this certification; or,
2. Application is made for 2.5% resident vendor preference for the reason checked:
 Bidder is a resident vendor who certifies that, during the life of the contract, on average at least 75% of the employees working on the project being bid are residents of West Virginia who have resided in the state continuously for the two years immediately preceding submission of this bid; or,
3. Application is made for 2.5% resident vendor preference for the reason checked:
 Bidder is a nonresident vendor employing a minimum of one hundred state residents or is a nonresident vendor with an affiliate or subsidiary which maintains its headquarters or principal place of business within West Virginia employing a minimum of one hundred state residents who certifies that, during the life of the contract, on average at least 75% of the employees or Bidder's affiliate's or subsidiary's employees are residents of West Virginia who have resided in the state continuously for the two years immediately preceding submission of this bid; or,
4. Application is made for 5% resident vendor preference for the reason checked:
 Bidder meets either the requirement of both subdivisions (1) and (2) or subdivision (1) and (3) as stated above; or,
5. Application is made for 3.5% resident vendor preference who is a veteran for the reason checked:
 Bidder is an individual resident vendor who is a veteran of the United States armed forces, the reserves or the National Guard and has resided in West Virginia continuously for the four years immediately preceding the date on which the bid is submitted; or,
6. Application is made for 3.5% resident vendor preference who is a veteran for the reason checked:
 Bidder is a resident vendor who is a veteran of the United States armed forces, the reserves or the National Guard, if, for purposes of producing or distributing the commodities or completing the project which is the subject of the vendor's bid and continuously over the entire term of the project, on average at least seventy-five percent of the vendor's employees are residents of West Virginia who have resided in the state continuously for the two immediately preceding years.

Bidder understands if the Secretary of Revenue determines that a Bidder receiving preference has failed to continue to meet the requirements for such preference, the Secretary may order the Director of Purchasing to: (a) reject the bid; or (b) assess a penalty against such Bidder in an amount not to exceed 5% of the bid amount and that such penalty will be paid to the contracting agency or deducted from any unpaid balance on the contract or purchase order.

By submission of this certificate, Bidder agrees to disclose any reasonably requested information to the Purchasing Division and authorizes the Department of Revenue to disclose to the Director of Purchasing appropriate information verifying that Bidder has paid the required business taxes, provided that such information does not contain the amounts of taxes paid nor any other information deemed by the Tax Commissioner to be confidential.

Under penalty of law for false swearing (*West Virginia Code*, §61-5-3), Bidder hereby certifies that this certificate is true and accurate in all respects; and that if a contract is issued to Bidder and if anything contained within this certificate changes during the term of the contract, Bidder will notify the Purchasing Division in writing immediately.
