PURCHASING AFFIDAVIT

West Virginia Code §5A-3-10a states: No contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and the debt owed is an amount greater than one thousand dollars in the aggregate.

DEFINITIONS:

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

"Debtor" means any individual, corporation, partnership, association, limited liability company or any other form or business association owing a debt to the state or any of its political subdivisions. "Political subdivision" means any county commission; municipality; county board of education; any instrumentality established by a county or municipality; any separate corporation or instrumentality established by one or more counties or municipalities, as permitted by law; or any public body charged by law with the performance of a government function or whose jurisdiction is coextensive with one or more counties or municipalities. "Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceeds five percent of the total contract amount.

EXCEPTION: The prohibition of this section does not apply where a vendor has contested any tax administered pursuant to chapter eleven of this code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

Under penalty of law for false swearing (*West Virginia Code §61-5-3*), it is hereby certified that the vendor affirms and acknowledges the information in this affidavit and is in compliance with the requirements as stated.

The following questions were asked by vendors at the Pre-Bid meeting, with responses shown from the hospital's representatives.

Tri-State Roofing:

Question 1: For clarification purposes, does the flashing on Building #1's parapet wall have to be extended past the present flashing that will be left in place?

Answer 1: Yes, that is correct.

MIRC Construction Services, LLC

Question 2: Is the vendor responsible for penetrating the roof to install the four new drains on Building 5's roof? And secondly, is the vendor to provide the drains and the hospital will plumb the drain?

Answer 2: The vendor is responsible for penetrating the roof and installing the drain in the roof. The hospital already has the drains but the vendor must install them and then the hospital will plumb the drains in Building 5.

Question 3: Does the hospital have Buildings Risk insurance on the project in case something goes wrong due to the bad weather we have been having?

Answer 3: No, the hospital does not have Buildings Risk insurance and if you want to buy it and include it in your costs that will be your decision. You are responsible for the entire project until the hospital accepts the project as complete.

Question 4: Do any of the roofs contain Asbestos?

Answer 4: No Asbestos in roofs.
