NTIRES11 Questions and Answers

1Q.	Will a vendor be allowed to "no bid" a group without being disqualified?
1A	Yes
2Q	At the end of each term of the contract will the State allow for pricing to be moved to the vendor's current published base price list with no change reduction in discounts, allowing for a price increase for the next term of the contract? Will the State allow for a price increase?
2A	That will be determined by the Purchasing Division at renewal.
3Q	What does the state consider "Life of the Contract" Does each term stand on it's own?
3A	Yes
4Q	All replaced tires that are covered under the Adjustment Warranty shall be replaced under the Manufacturer's Published Warranty, does the State agree?
4A	Can not determine, no knowledge of the Manufacturer's Published Warranty
5Q	Price List requirement. State ask that copies of price list be mailed to a list of agencies. All pricing is available on vendor website and can be printed as needed by each agency. These price list are updated as needed and would be more current than a price list created at time of the original bid. Would it not be more beneficial for State to direct each agency to the vendor website. Vendor ask that this requirement be reconsidered?
5A	Agencies with access to the web can obtain price list electronically, however those agencies without or with limited access to the web will require a mailed price list.
6Q	Failure to deliver product. Vendor ask that if a tire is not available at time of order that all agencies contact the Vendor's Contract Contact person and allow them to make final effort to deliver ordered product or offer another tire off the Vendor's price list as a replacement, before the agency would be allowed to purchase off contract?
6A	No
7Q	Failure by either party to perform its duties and obligations will be excused by unforeseeable circumstances beyond its reasonable control and not due to its negligence including acts of nature, acts of terrorism, riots, labor disputes and/or strikes, fire, flood, explosion, and governmental prohibition. The non-declaring party may cancel the contract without penalty if performance does not resume within 30 days of the declaration.

7A	No, per the West Virginia State Code, Law and as indicated in the Request for Quotation.
8Q	General Terms & Conditions AntiTrust. - Vendor request that this requirement be removed from the language.
8A	No

PURCHASING AFFIDAVIT

West Virginia Code §5A-3-10a states: No contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and the debt owed is an amount greater than one thousand dollars in the aggregate.

DEFINITIONS:

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

"Debtor" means any individual, corporation, partnership, association, limited liability company or any other form or business association owing a debt to the state or any of its political subdivisions. "Political subdivision" means any county commission; municipality; county board of education; any instrumentality established by a county or municipality; any separate corporation or instrumentality established by one or more counties or municipalities, as permitted by law; or any public body charged by law with the performance of a government function or whose jurisdiction is coextensive with one or more counties or municipalities. "Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceeds five percent of the total contract amount.

EXCEPTION: The prohibition of this section does not apply where a vendor has contested any tax administered pursuant to chapter eleven of this code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

Under penalty of law for false swearing (*West Virginia Code §61-5-3*), it is hereby certified that the vendor affirms and acknowledges the information in this affidavit and is in compliance with the requirements as stated.
