RE: Request for Quotation
RFQ Number INS12015

Dear Ms. Murray:

Thank you very much for the opportunity to propose on the West Virginia Insurance Commission's audit services for the fiscal year ending June 30, 2012.

Unfortunately, at this time we must respectfully decline this proposal, but please feel free to keep us in mind for future audits and/or services.

Very truly yours,

A handwritten signature in black ink, appearing to read "Dominic A. Walker". The signature is fluid and cursive, with the first name "Dominic" being more prominent.
