Building 15
2019 Washington Street, East
Charleston, WV 25305-0130

Dear Tara:

On behalf of Fisher Scientific, we are pleased to present our proposal documents to the State of West Virginia's RFQ Number LABSUP12. The pricing on this response will remain open for 90 days after the date of this response.

Included in our response are:

- LABSUP12 Request for Quotation with signatures
- LABSUP12 Purchasing Affidavit with signature
- LABSUP12 Addendum Acknowledgement with signature
- Proof of Vendor Registration Fee paid
- LABSUP12 Pricing pages (Addendum 4 version) with signatures
- LABSUP12 Pricing pages (Addendum 4 version) electronic copy (Flash Drive)
- Pricebook with current List price (CD)

Due to size and weight of our catalog, Fisher Scientific did not provide a catalog with pages marked for products offered. A majority of these products are viewable on Fisher Scientific's website www.fishersci.com with pictures and detailed specifications. If any product is not available on our website, Fisher Scientific's Sales Representative for the State of West Virginia, Mark Sumpter, will obtain the requested information.

We acknowledge the terms and conditions referenced in the State of West Virginia's RFQ. The following items are, however, highlighted as issues for discussion and confirmation with you in the event of contract award:

1. Credit Card Payments. Fisher Scientific is happy to accept payment by credit card or p-card, provided that this is identified as the means of payment at the time of order placement.
2. Delivery times. Fisher Scientific is happy to confirm that normal delivery times for standard stocked items will be within the five days identified in the RFQ. Please note, however, that for larger equipment and non-standard items, longer lead times may apply. Where these apply, we will be happy to work with you to ensure that your requirements are met.
2. As a matter of corporate policy, Fisher must include an appropriate limitation of liability. Indirect and consequential loss is to be excluded in full and Fisher's liability for direct damages to be limited to an appropriate amount (which we would propose to be \$1 million per event).

Should Fisher Scientific be awarded the LABSUP12 agreement, we look forward to working with the state to take full advantage of the entire Fisher portfolio of products and our value added services.

Sincerely,
Fisher Scientific Company L.L.C.

Lee Yeckel

PURCHASING AFFIDAVIT

West Virginia Code §5A-3-10a states: No contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and the debt owed is an amount greater than one thousand dollars in the aggregate. Fisher Scientific Company L.L.C. agrees with the foregoing to the extent set forth in Attachment A.

DEFINITIONS:

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

"Debtor" means any individual, corporation, partnership, association, limited liability company or any other form or business association owing a debt to the state or any of its political subdivisions. "Political subdivision" means any county commission; municipality; county board of education; any instrumentality established by a county or municipality; any separate corporation or instrumentality established by one or more counties or municipalities, as permitted by law; or any public body charged by law with the performance of a government function or whose jurisdiction is coextensive with one or more counties or municipalities. "Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceeds five percent of the total contract amount.

EXCEPTION: The prohibition of this section does not apply where a vendor has contested any tax administered pursuant to chapter eleven of this code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

Under penalty of law for false swearing (*West Virginia Code §61-5-3*), it is hereby certified that the vendor affirms and acknowledges the information in this affidavit and is in compliance with the requirements as stated.
