The State of West Virginia reserves the right to perform inspections and tests that are deemed necessary to assure that commodities conform to the prescribed requirements. Random samples may be selected from delivered commodities in order to assure compliance with these specifications. Failure to supply samples can result in bid disqualification.

Spending units must be advised in writing if orders will be delayed for any reason. Contractor shall carry an adequate stock to insure such delivery service for the duration of the contract.

Bidder understands if the Secretary of Revenue determines that a Bidder receiving preference has failed to continue to meet the requirements for such preference, the Secretary may order the Director of Purchasing to: (a) reject the bid; or (b) assess a penalty against such Bidder in an amount not to exceed 5% of the bid amount and that such penalty will be paid to the contracting agency or deducted from any unpaid balance on the contract or purchase order.
