INFORMATION FOR BIDDERS

INFORMATION FOR BIDDERS

1. Examination of Contract Documents and Site

Each bidder must inform himself fully of the conditions relating to the construction of the project and the employment of labor thereon. Failure to do so will not relieve a successful bidder of his obligation to furnish all material and labor necessary to carry out the provisions of his contract. The bidder is required to examine carefully the Contract Documents and the site of the work contemplated. The submission of a bid shall be considered *prima facie* evidence that the bidder has made such examination and has judged for and satisfied himself as to the character, quality, and quantity of work to be performed and material required to be furnished under the Contract.

2. Addenda and Interpretations

No interpretation of the meaning of the plans, specifications, or other pre-bid documents will be made to any bidder orally.

Every request for such interpretations should be in writing addressed to the West Virginia Board of Pharmacy, c/o Frank Whittaker, Senior Buyer, Purchasing Division, 2019 Washington Street, East, Charleston, West Virginia 25305, and to be given consideration must be received before 4:00 p.m. EST on October 14, 2011. Any and all such interpretations and any supplemental instructions will be in the form of written addenda to the specifications which, if issued, will be mailed to all prospective bidders (at the respective addresses furnished for such purposes), not later than ten (10) days prior to the date fixed for the opening of bids. Failure of any bidder to receive any such addendum or interpretation shall not relieve such bidder from any obligation under his bid as submitted. All addenda so issued shall become part of the Contract Documents.

3. Substitutions

Requests for approval of substitutions must be addressed to and received by the West Virginia Board of Pharmacy, c/o Frank Whittaker, Senior Buyer, Purchasing Division, 2019 Washington Street, East, Charleston, West Virginia 25305, and to be given consideration must be received at least fourteen (14) days prior to the date fixed for the opening of bids.

Submission shall be made by prime Bidders: no consideration will be given to items submitted directly by manufacturers, suppliers, distributors or subcontractors. Substitutions of materials, products or equipment for those items specified will be considered only when a written request, on Bidder's company letterhead, is accompanied by suitable documentation to demonstrate that the product is equal and appropriate for use in this particular installation. Suitable documentation shall include the following, as well as any other pertinent other information:

- Detailed comparison of significant qualities of proposed substitution with those of the work specified. This comparison shall be specific to each feature of the original product. Submission of product literature alone, without a written item by item comparison of the significant qualities of

INFORMATION FOR BIDDERS

each product, will not be considered a complete submission.

- Product data, including drawings and descriptions of products and of fabrication and installation procedures. All furnished data must be manufacture's original product data information, no faxes or copies will be accepted.
- Samples, where applicable or requested.
- Lists of similar installations for completed projects with project names and addresses and names and addresses of Engineers and Owners.
- Material test reports from a qualified testing agency indicating and interpreting test results for compliance with requirements indicated.
- Research/evaluation reports evidencing compliance with building code in effect for Project, from model code organization acceptable to authorities having jurisdiction if applicable.
- Bidder's certification that proposed substitution complies with requirements in the bidding documents and is appropriate for the applications indicated,
- Written request for approval of the substitution on company letter head transmitting the aforementioned information and addressing any item not included.

Burden of proof of merit of requested substitution is upon the submitter. Any request not including all of the required information will be considered incomplete. Incomplete requests shall be rejected. The State has no obligation to request additional information in order to consider the request. Approved requests will be set forth in Addenda issued in accordance with these Instructions to Bidders. All Addenda so issued shall become part of the Contract Documents.

4. Contractor's Personnel Requirements

The official title of the person signing the bid should be shown.

If a firm is a partnership, the full partnership name should be shown, and the bid should be signed by a partner. If a firm is a single proprietorship, the full name should be shown and the bid should be signed by the sole OWNER. If the bid of a partnership or single proprietorship is signed by a person other than the partners and OWNERS, there should be attached a written, duly acknowledged power of attorney clearly giving and showing that the signer has power sufficient to bind the partners and OWNERS of the firm to the bid.

If the firm is a corporation, and the person signing the bid is neither the president nor vice president of the corporation, there should be attached a written, duly acknowledged power of attorney or corporate resolution giving and showing that the signer has sufficient power to bind the corporation to the bid.
