Questions & Answers

Question: What do the straight stations on the end of the panel packs (hallway side) consist of?

Answer: **End panels are 80" high (+/-4" maximum). All panels are acoustical, monolithic and solid core, no frame and tile panels will be accepted. See section 3.3**

Question: Are transaction tops wanted on the reception stations?

Answer: **No**

Question: In the private offices, do the overhead cabinets need doors, if so should they be locking?

Answer: **No doors leave open**

Question: A few of the offices show product that is not requested in the written part. For example: office 122 (4 lateral files), office 123 (table and chairs) are these to be quoted or ignored?

Answer: **Written scope of work has been corrected and all products should be quoted.**

Question: Is a 5 shelf high bookcase acceptable in the private offices?

Answer: **It is acceptable to offer your product's closest match (5% variation on each dimension) if your product does not conform to the exact dimensions of the products listed. See section 1.1**

Question: Is a separate hard wire connection required for every table in the training room?

Answer: **Yes**

Question: The worksurface height in the mail room is requested to be 36" high wall mount. Three high laterals and storage cabinets are 42" high. Is shorter storage or higher worksurfaces acceptable.

Answer: **Worksurface to be no more than 36" high. It is acceptable to offer your product's closest match (5% variation on each dimension) if your product does not conform to the exact dimensions of the products listed. See section 1.1**

Question: Can the storage cabinets in the large conference room have 1 lateral file and one storage cabinet as opposed to 2 pedestals and 1 storage cabinet?

Answer: **Large conference room has 2 credenzas 24" x 72 with filing on each side and storage in the middle. See section 3.5**

Question: West Virginia Division of Labor carpenter rates are \$37.40 + overhead. Does this apply to the SYSFURN contract which is delivered and installed?

Answer: **No**

Question: Please confirm the labor rate that is to be used.

Answer: Please delete section 12.1 of the original specifications.

Question: Is this a union or non-union installation?

Answer: **Not applicable**

Question: Will the invoice be paid by credit card?

Answer: **No**

Question: Please confirm anticipated award date.

Answer: **When all approvals are final**

Question: Are the drawings available in an AutoCAD format? If so, please provide.

Answer: **No**

RE: RFQ# BCF12051 for the Department of Health & Human Resources – Hardy County

Dear Krista:

Thank you for giving us the opportunity to bid on this project.

We have used our Herman Miller Action Office System. Our tall panel is 85"H. The glides can be run down if needed to be lower.

The lectern for the training room is in (2) sections.

The large conference table size is 42X84 (that may work even better in the space).

The mail area storage is at 39"H. If needed, the base may be adjusted and the surfaces can be mounted to the tops of the storage.

Please note that if awarded this project, adjustments *may* need to be made in order for the furniture to fit properly before ordering.

Please call if you have any questions or need any more information. (304) 344-1231.

Thank you for your interest in Contemporary Galleries.

Sincerely,

Jennifer B. Kirkpatrick
