Furnishing Workplace Results

Thank you for the opportunity, to provide pricing, for the State of West Virginia's DHHR project, located in Ohio County. Enclosed is our pricing proposal, with the furnishings that are contained in the Franklin Interiors SYSFURN contract. Some minor changes were discovered during the pre-bid meeting and outlined in Addendum #1. We've included the signed addendum form and have made those revisions. With that being said, there are points that have to be brought to your attention. They are:

- Franklin Interiors will submit a "No-Bid" for the 6 High 36" W x 12" D steel shelving units for the Storage Rooms numbered Room 122, Room 168, Room 182.(Our current product portfolio, on the SYSFURN contract, does not have a metal shelving manufacturer.)
- Franklin Interiors has chosen to submit an alternate product, for the chair that has the description of: Guest chairs-metal frame, no arms 4 legs, stationary without casters, molded poly shell, no upholstery. We are submitting a very comparable alternate that has all the mentioned specs, but is a "sled-base" style, versus 4 legs. A "sled base" chair offers much more "stability" and does not give the person sitting in the chair, the option to "lean back" and potentially fall backwards. Also there are many more "sled base" chair styles to choose from and usually are much more cost effective. (Please see the attached picture and chair specs). This chair is called out for two each in all nine interview rooms, two each in all 27 enclosed private offices, four in Room 105, two in Room 132, 24 in Room 162(Break Room) and 74 in Room 102, which requires the chairs to be "ganged". The Fixtures chair we have proposed, has that option.
- Franklin Interiors has estimated a time frame of three weeks, to deliver and install all product, we are bidding on, for Solicitation # BCF13078.

Thank you again for allowing us to bid on this project. If further information is required, my contact information is below.

PURCHASING AFFIDAVIT

MANDATE: Under W. Va. Code §5A-3-10a, no contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and: (1) the debt owed is an amount greater than one thousand dollars in the aggregate; or (2) the debtor is in employer default.

EXCEPTION: The prohibition listed above does not apply where a vendor has contested any tax administered pursuant to chapter eleven of the W. Va. Code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

DEFINITIONS:

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

"Employer default" means having an outstanding balance or liability to the old fund or to the uninsured employers' fund or being in policy default, as defined in W. Va. Code § 23-2c-2, failure to maintain mandatory workers' compensation coverage, or failure to fully meet its obligations as a workers' compensation self-insured employer. An employer is not in employer default if it has entered into a repayment agreement with the Insurance Commissioner and remains in compliance with the obligations under the repayment agreement.

"Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceeds five percent of the total contract amount.

AFFIRMATION: By signing this form, the vendor's authorized signer affirms and acknowledges under penalty of law for false swearing (*W. Va. Code §61-5-3*) that neither vendor nor any related party owe a debt as defined above and that neither vendor nor any related party are in employer default as defined above, unless the debt or employer default is permitted under the exception above.
