Mr. Reynolds:

Sonny Merryman, Inc. is pleased to offer the enclosed quotation in response to RFQ PTR12033. We are offering the ElDorado National Amerivan PT. The Amerivan is a proven performer in the paratransit industry. You will find a list of references behind Tab Seven.

We received Addendum One and understand you will only require one wheelchair position. The Amerivan is built standard with two. You will find floor plans in Tab Eight. As you will see, if the passenger seat remains in place, then you will only have one wheelchair position; meeting your requirement.

You will find Sonny Merryman, Inc listed as the Technical Service Representative and the Parts Distribution Center. We will also coordinate with service centers in various regions around West Virginia to assist you with timely responses to your requests for service and parts.

Thank you for this opportunity to offer a quote. Please call if you have questions.

Sincerely,

Mark D. Roberts
