REQUEST FOR QUOTATION  
 LOT 519 AX Professional Services/Support & Maintenance

---

The Vendor will be subject to liquidated damages at a rate of \$1,000 per operational day for the following reasons:

- Failure to adhere to SOW timelines, completion of milestones and deliverables.
- Failure to respond to maintenance and emergency assistance within the time periods outlined in section 4.
- Unauthorized access to Lottery system and for introducing modifications to the production system without approval from Lottery personnel.
- Degraded system performance or loss of data in a disaster recovery/failover situation.
- Failure to notify Lottery personnel of system/software updates that are required for optimal system performance.
- Failure to advise Lottery personnel of critical system maintenance and failure to perform system maintenance to that necessary for optimal system performance.
- Failure to provide adequate system and administrative training.

Reference in this section to the term “operational day” and “operational days” refer to the period of time within twenty-four consecutive hours that the AX system is non-functional.

11.3 The following remedies shall be available to Agency upon default.

- 11.1.5. Assessment of Liquidated Damages.
- 11.1.6. Cancellation of the Contract.
- 11.1.7. Cancellation of one or more release orders issued under this Contract.
- 11.1.8. Any other remedies available in law or equity.

**12. MISCELLANEOUS:**

12.1. **Contract Manager:** During its performance of this Contract, Vendor must designate and maintain a primary contract manager responsible for overseeing Vendor’s responsibilities under this Contract. The Contract manager must be available during normal business hours to address any customer service or other issues related to this Contract. Vendor should list its Contract manager and his or her contact information below.

Contract Manager: Sandra Stewart  
 Telephone Number: 304-534-3291 EXT. 118  
 Fax Number: 304-534-3296  
 Email Address: Sandra.Stewart@gst.com

STATE OF WEST VIRGINIA  
Purchasing Division

**PURCHASING AFFIDAVIT**

**MANDATE:** Under W. Va. Code §5A-3-10a, no contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and: (1) the debt owed is an amount greater than one thousand dollars in the aggregate; or (2) the debtor is in employer default.

**EXCEPTION:** The prohibition listed above does not apply where a vendor has contested any tax administered pursuant to chapter eleven of the W. Va. Code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

**DEFINITIONS:**

**"Debt"** means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

**"Employer default"** means having an outstanding balance or liability to the old fund or to the uninsured employers' fund or being in policy default, as defined in W. Va. Code § 23-2c-2, failure to maintain mandatory workers' compensation coverage, or failure to fully meet its obligations as a workers' compensation self-insured employer. An employer is not in employer default if it has entered into a repayment agreement with the Insurance Commissioner and remains in compliance with the obligations under the repayment agreement.

**"Related party"** means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceed five percent of the total contract amount.

**AFFIRMATION:** By signing this form, the vendor's authorized signer affirms and acknowledges under penalty of law for false swearing (W. Va. Code §61-5-3) that neither vendor nor any related party owe a debt as defined above and that neither vendor nor any related party are in employer default as defined above, unless the debt or employer default is permitted under the exception above.

VENDOR PREFERENCE CERTIFICATE

Certification and application\* is hereby made for Preference in accordance with West Virginia Code, §5A-3-37. (Does not apply to construction contracts). West Virginia Code, §5A-3-37, provides an opportunity for qualifying vendors to request (at the time of bid) preference for their residency status. Such preference is an evaluation method only and will be applied only to the cost bid in accordance with the West Virginia Code. This certificate for application is to be used to request such preference. The Purchasing Division will make the determination of the Resident Vendor Preference, if applicable.

- 1. Application is made for 2.5% resident vendor preference for the reason checked: Bidder is an individual resident vendor and has resided continuously in West Virginia for four (4) years immediately preceding the date of this certification; or, Bidder is a partnership, association or corporation resident vendor and has maintained its headquarters or principal place of business continuously in West Virginia for four (4) years immediately preceding the date of this certification; or 80% of the ownership interest of Bidder is held by another individual, partnership, association or corporation resident vendor who has maintained its headquarters or principal place of business continuously in West Virginia for four (4) years immediately preceding the date of this certification; or, Bidder is a nonresident vendor which has an affiliate or subsidiary which employs a minimum of one hundred state residents and which has maintained its headquarters or principal place of business within West Virginia continuously for the four (4) years immediately preceding the date of this certification; or,
2. Application is made for 2.5% resident vendor preference for the reason checked: Bidder is a resident vendor who certifies that, during the life of the contract, on average at least 75% of the employees working on the project being bid are residents of West Virginia who have resided in the state continuously for the two years immediately preceding submission of this bid; or,
3. Application is made for 2.5% resident vendor preference for the reason checked: Bidder is a nonresident vendor employing a minimum of one hundred state residents or is a nonresident vendor with an affiliate or subsidiary which maintains its headquarters or principal place of business within West Virginia employing a minimum of one hundred state residents who certifies that, during the life of the contract, on average at least 75% of the employees or Bidder's affiliate's or subsidiary's employees are residents of West Virginia who have resided in the state continuously for the two years immediately preceding submission of this bid; or,
4. Application is made for 5% resident vendor preference for the reason checked: Bidder meets either the requirement of both subdivisions (1) and (2) or subdivision (1) and (3) as stated above; or,
5. Application is made for 3.5% resident vendor preference who is a veteran for the reason checked: Bidder is an individual resident vendor who is a veteran of the United States armed forces, the reserves or the National Guard and has resided in West Virginia continuously for the four years immediately preceding the date on which the bid is submitted; or,
6. Application is made for 3.5% resident vendor preference who is a veteran for the reason checked: Bidder is a resident vendor who is a veteran of the United States armed forces, the reserves or the National Guard, if, for purposes of producing or distributing the commodities or completing the project which is the subject of the vendor's bid and continuously over the entire term of the project, on average at least seventy-five percent of the vendor's employees are residents of West Virginia who have resided in the state continuously for the two immediately preceding years.
7. Application is made for preference as a non-resident small, women- and minority-owned business, in accordance with West Virginia Code §5A-3-59 and West Virginia Code of State Rules. Bidder has been or expects to be approved prior to contract award by the Purchasing Division as a certified small, women- and minority-owned business.

Bidder understands if the Secretary of Revenue determines that a Bidder receiving preference has failed to continue to meet the requirements for such preference, the Secretary may order the Director of Purchasing to: (a) reject the bid; or (b) assess a penalty against such Bidder in an amount not to exceed 5% of the bid amount and that such penalty will be paid to the contracting agency or deducted from any unpaid balance on the contract or purchase order.

By submission of this certificate, Bidder agrees to disclose any reasonably requested information to the Purchasing Division and authorizes the Department of Revenue to disclose to the Director of Purchasing appropriate information verifying that Bidder has paid the required business taxes, provided that such information does not contain the amounts of taxes paid nor any other information deemed by the Tax Commissioner to be confidential.

Under penalty of law for false swearing (West Virginia Code, §61-5-3), Bidder hereby certifies that this certificate is true and accurate in all respects; and that if a contract is issued to Bidder and if anything contained within this certificate changes during the term of the contract, Bidder will notify the Purchasing Division in writing immediately.

Bidder: Global Science & Technology, Inc. Signed: Sandra Stewart
Date: 3/24/2014 Title: DIRECTOR OF CONTRACTS

<b>Experience</b>	<p>2005-Present—Global Science &amp; Technology, Inc., Fairmont, WV            2011 – Present: Senior Systems Architect / Project Manager            2005 – 2010: Senior Systems Programmer</p> <ul style="list-style-type: none"> <li>• <b>ADIS.</b> Project manager, developer, and DBA for the WV Auditor's financial document imaging and management system. The system integrates Kofax Ascent Capture, a custom ASP.NET website, an ASP.NET webservice, and VB.NET programs and windows services to transfer financial related document images and data between geographically distributed sites, monitor the status of all systems, restart failed systems as necessary, and automatically report failures via email and event logs. This project contains a completely custom ASP.NET and SQL Server electronic document management systems (EDMS).</li> <li>• <b>CAMC Project Costing System.</b> Project manager for this system to help CAMC track project funding, costs, and payroll for their development office. It was written in VB.NET and uses SQL Server as the database. The client server architecture allows multiple simultaneous thick clients to access the server at one time. This project made extensive use of Crystal Reports to provide report functionality to CAMC staff.</li> <li>• Extensive writing and editing work on bids and proposals including a substantial amount of work on GST's winning WV ITECH10 AND ITECH 06 proposals. In our award we were certified to compete in all 9 of the project categories and all 18 of the staffing categories that we bid.</li> <li>• Responsibilities include creating work breakdown structures, budgets, schedules, allocating resources and directing effort, generating project documentation including requirement</li> </ul>

<p><b>Experience (continued)</b></p>	<p>specifications, design documents, and test plans, and being the project's primary architect.</p> <p><b>2002-2005—Ablesoft Solutions, Charleston, WV</b>  Programmer Analyst – Team Lead</p> <ul style="list-style-type: none"> <li>• <b>MOVIS<sup>plus</sup></b>. Team lead, developer, DBA, system administrator, and eventually project manager of the WV DMV's document imaging system. The system is used to capture and store all documents that the DMV are required by law to keep archived. The system is comprised of Kofax Ascent Capture, Documentum Server, Webtop, Administrator, and DFC, EMC DiskXtender and MediaStor, Quickscribe, Stellent OutsideIn, Deja TIFF viewer, custom Kofax panels in VB, an almost completely rewritten Webtop in Java and javascript, and various other application written in VB to support system tasks. System currently manages approximately 4TB of data and 25M documents with fifteen thousand documents entering the system daily. Personally wrote custom application to migrate data from old custom system running on Solaris to the new system.</li> <li>• <b>DOH Imaging System</b>. Developer, DBA, and system administrator for the WV Highways imaging system that captures and stores their various documents. System is made up of Kofax Ascent Capture, Documentum Server, Webtop, Administrator, DFC, and EMC DiskXtender and MediaStor. System has custom components written in Java and VB to support the system's features.</li> <li>• Responsibilities included being the primary author of project documentation including requirements specifications, design documents, and test plans.</li> </ul> <p><b>1995-2001—Strictly Business, Huntington, WV</b>  Software Engineer</p> <ul style="list-style-type: none"> <li>• <b>PROMIS</b>. Programmer for the Corps of Engineers Waterways Experiment Station Information Technology Laboratory's Programs and Projects Management Information System. This system was used to plan, cost, track, and report on the Corps of Engineers engineering projects and was used in over 5000 Corps districts. It was written in Ada and PL/SQL using Win32 for the GUI and Oracle and Access as databases and constituted hundreds of thousands of lines of code and more than 25 man years of effort.</li> <li>• <b>Interstate Data</b>. Programmer and DBA on this project for Interstate Data, Inc., that was used to collect and report on data related to interstate exits across the United States. This software allowed Interstate Data staff to take laptops across the country to survey interstate exits and enter data into a database on their local laptop and then upload and synchronize their data with a centralized SQL Server database through a dial-up internet connections. The software was written in Visual Basic and used SQL Server 2000 and MSDE as its databases.</li> <li>• <b>BASF Production Software</b>. Programmer on this project that enabled the BASF Production Manager to monitor and report on production and select raw inventory for use in producing pigment based dyes and ink. The application included a proprietary algorithm that would help the production manager select efficient combinations of inventory to produce product within adjustable tolerances. The program was written in VB and used Microsoft Access as the database and used Access's reporting capabilities.</li> </ul>

Time Allowed: 01:00:00  
Time Used: 00:10:53

Grade/Score:

Instructions: Congratulations. You passed the assessment. You can select the REVIEW button to see which questions you incorrectly answered.

#### IMPORTANT NOTES ABOUT EARNING YOUR ACCREDITATION:

1. You **MUST PRINT THIS PAGE** to retain the exact information from the **Examination Score Report** box below.

The Examination Score Report information will be required to log in to CertTracker for the first time. CertTracker is the EMC exam tracking tool that allows you to track your progress and update your profile.

2. When you select the "Email Results" button , **the email will NOT contain the Examination Score Report box with your registration number.** Again, you are required to print the page now to obtain this number.

In most cases, your assessment results will be updated on CertTracker within 24 Hours; in some cases it may take 72 Hours.

Retakes 3

Grade/Score: 

Instructions: Congratulations. You passed the assessment. You can select the REVIEW button to see which questions you incorrectly answered.

**IMPORTANT NOTES ABOUT EARNING YOUR ACCREDITATION:**

1. You MUST **PRINT THIS PAGE** to retain the exact information from the **Examination Score Report** box below.

The Examination Score Report information will be required to log in to CertTracker for the first time. CertTracker is the EMC exam tracking tool that allows you to track your progress and update your profile.

2. When you select the "Email Results" button , **the email will NOT contain the Examination Score Report box with your registration number.** Again, you are required to print the page now to obtain this number.

In most cases, your assessment results will be updated on CertTracker within 24 Hours; in some cases it may take 72 Hours.

Justin Steele

## AIIM Enterprise Content Management Certificate Program

*This individual has successfully completed the AIIM ECM Practitioner Program. AIIM is the community that provides education, research, and best practices to help organizations find, control, and optimize their information. For over 60 years, AIIM has been the leading non-profit organization focused on helping users to understand the challenges associated with managing documents, content, records, and business processes. Today, AIIM is international in scope, independent, implementation-focused, and, as the representative of the entire ECM industry - including users, suppliers, and the channel - acts as the industry's intermediary. [www.aiim.org](http://www.aiim.org)*
