Extended Description :

The WV Purchasing Division for the agency, WV State Police, is soliciting bids for a one-time purchase for three (3) Forensic Recovery of Evidence Device (FRED) workstations, per the attached specifications.

Three (3) - Forensic Recovery of Evidence Device (FRED) Workstations

We have proposed the Ace® FORensic Client Examiner 12 Pro, which meets or exceeds all specifications of the product specified.

We have attached a detailed quotation of the units, and also have these available on our WSCA contract B27157.

As the exact processor was not specified, we have provided pricing for our base processor offering above, with the Xeon E5-2609V2 and also for the full range of Intel® Xeon® E5-2600v2 series.

If there are questions on the quotation, please do not hesitate to contact us.
