PURCHASING AFFIDAVIT

MANDATE: Under W. Va. Code §5A-3-10a, no contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and: (1) the debt owed is an amount greater than one thousand dollars in the aggregate; or (2) the debtor is in employer default.

EXCEPTION: The prohibition listed above does not apply where a vendor has contested any tax administered pursuant to chapter eleven of the W. Va. Code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

DEFINITIONS:

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

"Employer default" means having an outstanding balance or liability to the old fund or to the uninsured employers' fund or being in policy default, as defined in W. Va. Code § 23-2c-2, failure to maintain mandatory workers' compensation coverage, or failure to fully meet its obligations as a workers' compensation self-insured employer. An employer is not in employer default if it has entered into a repayment agreement with the Insurance Commissioner and remains in compliance with the obligations under the repayment agreement.

"Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceed five percent of the total contract amount.

AFFIRMATION: By signing this form, the vendor's authorized signer affirms and acknowledges under penalty of law for false swearing (W. Va. Code §61-5-3) that neither vendor nor any related party owe a debt as defined above and that neither vendor nor any related party are in employer default as defined above, unless the debt or employer default is permitted under the exception above.

Question 1) Sec 6.5 of the specification Return due to Agency Error states that the agency can return any item if it's in resalable condition. Kodak Alaris' definition of saleable condition is unopened and unused. Can the specification be amended to reflect this description? Kodak Alaris does not allow the return of Care Kits. Can this exception be added to section 6.5 of the specification?

Answer: No, we are not at liberty to modify these terms and conditions.

Question 2) Under General Terms and Conditions: sec 26 warranty. Kodak Alaris does not provide this warranty and its authorized resellers are expressly prohibited from providing any warranty terms beyond what Kodak offers. Will the agency accept the attached limited warranties in lieu of section 26?

Answer: Yes, so long as the vendor accepts and signs the attached WV-96-A.

Question: 3) There is only one i3400 being solicited but there are 5 copies of SVRS Elite being solicited for that scanner. Is this a misprint?

Answer: We are soliciting 5 Kodak i4600 scanners and one i3400 as well as VRS 4.5 elite for each scanner. We do not need 5 copies of VRS 4.5 elite for the i3400 scanners. We require 5 copies of VRS 4.5 elite for the Kodak i4600 scanners and 1 copy of VRS elite for the Kodak i3400 scanner.

Question: 4) Do you have any old scanners that can be traded in and if so, what are the model and serial numbers?

Answer: No.
