Question 1:

I wanted to question and verify the quadrupling of the general liability insurance requirement that was listed for the April 1 aggregate bid for DOH. Is this correct? If so, please give an explanation. This requirement is going to make already high insurance premiums go up even more and may lead to a cease in our operations altogether leaving some DOH's at a disadvantage for their work on county roads. I feel sure that this 400% increase in insurance coverage is going to cause great difficulty for us and I would think most small businesses in rural areas in trying to make a living and helping our communities as well. Could you please verify if this is a misprint and if so I am requesting that you please revert to original insurance requirement for the upcoming bid opening April 1st. I look forward to your response in this matter.

Response 1:

Per WVDOT, Legal Division, \$1,000,000.00 shall remain on all Maintenance Division master agreements.

PURCHASING AFFIDAVIT

MANDATE: Under W. Va. Code §5A-3-10a, no contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and: (1) the debt owed is an amount greater than one thousand dollars in the aggregate; or (2) the debtor is in employer default.
