## WasteZero No-Bid Reply

DATE: April 18, 2016

Bid: CRFQ 0212-SWC1600000007

Thank you for including WasteZero in your request for bids. We've received your bid for refuse bags.

Unfortunately, at this time we are submitting a "NO BID" for the following reason(s):

- We are not interested in selling through the bid process.
- We do not wish to bid under the terms and conditions of the request for bid document. Our objections include the following:
- We do not feel we can be competitive at this time.
- We cannot submit because of the marketing or franchising policies of the manufacturing company.
- We do not wish to sell to a public body. Our objections include the following
- We do not manufacture many of the items on which bids are requested
- Other: we cannot get enough information

We wish to ( remain on) ( be deleted from) the list of bidders.
