**Addendum #1 - Questions During Pre-Bid Conference
For 16*31
Princess Susan Coal Co.
Permit S-6-85**

The following questions were identified at the Pre-Bid Conference (PBC) conducted on-site on January 12, 2016. The answers and clarifications provided herein take precedence over verbal answers at the PBC and previously provided specifications and descriptions provided in the Solicitation should there be any conflicts between the two.

LOCATION: Site #20

Q1: Is there anything going on along the main access road here in the Site #20 area?

A1: The access road area adjacent to Site #20 is designated Access Road 'A', beginning at the short 'driveway' down to the manganese removal bed area. The existing road ditch, from the valley fill, past Site 20 and continuing along a portion of the main access road, will be upgraded as Limestone Rip-Rap Channel #5. This 660 LF channel will divert surface runoff around the treatment site, ending at Culvert #3 beneath the main access road.

Q2: How will the main access road up to Site #20 be handled?

A2: All work on the main access road will be performed under Item #2.0, 'Site Preparation', more specifically sections A.2 and B.7. This work need only be that necessary to provide adequate access during construction.

LOCATION: Site #22

Q3: What kind of bedrock will the Flushing Bed be excavated into?

A3: Due to the elevation of the inlet end of the structure, the Flushing Bed will be mostly excavated into the coal pavement. Based on information from the original mining permit application,

ADDITIONAL INFORMATION AND DISCUSSIONS:

1. Please note that each of the four separate access road areas (designated as roads A, B, C and D) have differing specifications for surfacing and construction and should therefore be priced accordingly.
2. The correct number of gates proposed on the project is three (3). The Plans and Bid Schedule correctly show a total of three (3) gates to be installed. However, the Scope of Work mistakenly lists two (2) gates.
3. Due to past problems with vandalism in the project area, 24/7 security measures and equipment protection are recommended.

PURCHASING AFFIDAVIT

MANDATE: Under W. Va. Code §5A-3-10a, no contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and: (1) the debt owed is an amount greater than one thousand dollars in the aggregate; or (2) the debtor is in employer default.

EXCEPTION: The prohibition listed above does not apply where a vendor has contested any tax administered pursuant to chapter eleven of the W. Va. Code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

DEFINITIONS:

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

"Employer default" means having an outstanding balance or liability to the old fund or to the uninsured employers' fund or being in policy default, as defined in W. Va. Code § 23-2c-2, failure to maintain mandatory workers' compensation coverage, or failure to fully meet its obligations as a workers' compensation self-insured employer. An employer is not in employer default if it has entered into a repayment agreement with the Insurance Commissioner and remains in compliance with the obligations under the repayment agreement.

"Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceeds five percent of the total contract amount.

AFFIRMATION: By signing this form, the vendor's authorized signer affirms and acknowledges under penalty of law for false swearing (W. Va. Code §61-5-3) that neither vendor nor any related party owe a debt as defined above and that neither vendor nor any related party are in employer default as defined above, unless the debt or employer default is permitted under the exception above.

2. DRUG-FREE WORKPLACE AFFIDAVIT: W. Va. Code § 21-1D-5 provides that any solicitation for a public improvement contract requires each Vendor that submits a bid for the work to submit at the same time an affidavit that the Vendor has a written plan for a drug-free workplace policy.
