Any such interests shall be promptly presented in detail to the Agency. The individual signing this bid or offer on behalf of Vendor certifies that he or she is authorized by the Vendor to execute this bid or offer or any documents related thereto on Vendor's behalf; that he or she is authorized to bind the Vendor in a contractual relationship; and that, to the best of his or her knowledge, the Vendor has properly registered with any State agency that may require registration.

35. VENDOR RELATIONSHIP: The relationship of the Vendor to the State shall be that of an independent contractor and no principal-agent relationship or employer-employee relationship is contemplated or created by this Contract. The Vendor as an independent contractor is solely liable for the acts and omissions of its employees and agents. Vendor shall be responsible for selecting, supervising, and compensating any and all individuals employed pursuant to the terms of this Solicitation and resulting contract. Neither the Vendor, nor any employees or subcontractors of the Vendor, shall be deemed to be employees of the State for any purpose whatsoever. Vendor shall be exclusively responsible for payment of employees and contractors for all wages and salaries, taxes, withholding payments, penalties, fees, fringe benefits, professional liability insurance premiums, contributions to insurance and pension, or other deferred compensation plans, including but not limited to, Workers' Compensation and Social Security obligations, licensing fees, etc. and the filing of all necessary documents, forms, and returns pertinent to all of the foregoing.

36. INDEMNIFICATION: The Vendor agrees to indemnify, defend, and hold harmless the State and the Agency, their officers, and employees from and against: (1) Any claims or losses for services rendered by any subcontractor, person, or firm performing or supplying services, materials, or supplies in connection with the performance of the Contract; (2) Any claims or losses resulting to any person or entity injured or damaged by the Vendor, its officers, employees, or subcontractors by the publication, translation, reproduction, delivery, performance, use, or disposition of any data used under the Contract in a manner not authorized by the Contract, or by Federal or State statutes or regulations; and (3) Any failure of the Vendor, its officers, employees, or subcontractors to observe State and Federal laws including, but not limited to, labor and wage and hour laws.

37. Any extension of this Contract to the aforementioned Other Government Entities must be on the same prices, terms, and conditions as those offered and agreed to in this Contract, provided that such extension is in compliance with the applicable laws, rules, and ordinances of the Other Government Entity. If the Vendor does not wish to extend the prices, terms, and conditions of its bid and subsequent contract to the Other Government Entities, the Vendor must clearly indicate such refusal in its bid. A refusal to extend this Contract to the Other Government Entities shall not impact or influence the award of this Contract in any manner.

39. CONFLICT OF INTEREST: Vendor, its officers or members or employees, shall not presently have or acquire an interest, direct or indirect, which would conflict with or compromise the performance of its obligations hereunder. Vendor shall periodically inquire of its officers, members and employees to ensure that a conflict of interest does not arise. 41. BACKGROUND CHECK: In accordance with W. Va. Code § 15-2D-3, the Director of the Division of Protective Services shall require any service provider whose employees are regularly employed on the grounds or in the buildings of the Capitol complex or who have access to sensitive or critical information to submit to a fingerprint-based state and federal background inquiry through the state repository. The service provider is responsible for any costs associated with the fingerprint-based state and federal background inquiry.

After the contract for such services has been approved, but before any such employees are permitted to be on the grounds or in the buildings of the Capitol complex or have access to sensitive or critical information, the service provider shall submit a list of all persons who will be physically present and working at the Capitol complex to the Director of the Division of Protective Services for purposes of verifying compliance with this provision. The State reserves the right to prohibit a service provider's employees from accessing sensitive or critical information or to be present at the Capitol complex based upon results addressed from a criminal background check.

Service providers should contact the West Virginia Division of Protective Services by phone at (304) 558-9911 for more information.

42. PREFERENCE FOR USE OF DOMESTIC STEEL PRODUCTS: Except when authorized by the Director of the Purchasing Division pursuant to W. Va. Code § 5A-3-56, no contractor may use or supply steel products for a State Contract Project other than those steel products made in the United States. A contractor who uses steel products in violation of this section may be subject to civil penalties pursuant to W. Va. Code § 5A-3-56. As used in this section:

- a. "State Contract Project" means any erection or construction of, or any addition to, alteration of or other improvement to any building or structure, including, but not limited to, roads or highways, or the installation of any heating or cooling or ventilating plants or other equipment, or the supply of and materials for such projects, pursuant to a contract with the State of West Virginia for which bids were solicited on or after June 6, 2001.
- b. "Steel Products" means products rolled, formed, shaped, drawn, extruded, forged, cast, fabricated or otherwise similarly processed, or processed by a combination of two or more or such operations, from steel made by the open heath, basic oxygen, electric furnace, Bessemer or other steel making process. The Purchasing Division Director may, in writing, authorize the use of foreign steel products if:
- c. The cost for each contract item used does not exceed one tenth of one percent (.1%) of the total contract cost or two thousand five hundred dollars (\$2,500.00), whichever is greater. For the purposes of this section, the cost is the value of the steel product as delivered to the project; or
- d. The Director of the Purchasing Division determines that specified steel materials are not produced in the United States in sufficient quantity or otherwise are not reasonably available to meet contract requirements.

43. PREFERENCE FOR USE OF DOMESTIC ALUMINUM, GLASS, AND STEEL: In Accordance with W. Va. Code § 5-19-1 et seq., and W. Va. CSR § 148-10-1 et seq., for every contract or subcontract, subject to the limitations contained herein, for the construction, reconstruction, alteration, repair, improvement or maintenance of public works or for the purchase of any item of machinery or equipment to be used at sites of public works, only domestic aluminum, glass or steel products shall be supplied unless the spending officer determines, in writing, after the receipt of offers or bids, (1) that the cost of domestic aluminum, glass or steel products is unreasonable or inconsistent with the public interest of the State of West Virginia, (2) that domestic aluminum, glass or steel products are not produced in sufficient quantities to meet the contract requirements, or (3) the available domestic aluminum, glass, or steel do not meet the contract specifications. This provision only applies to public works contracts awarded in an amount more than fifty thousand dollars (\$50,000) or public works contracts that require more than ten thousand pounds of steel products.

The cost of domestic aluminum, glass, or steel products may be unreasonable if the cost is more than twenty percent (20%) of the bid or offered price for foreign made aluminum, glass, or steel products. If the domestic aluminum, glass or steel products to be supplied or produced in a "substantial labor surplus area", as defined by the United States Department of Labor, the cost of domestic aluminum, glass, or steel products may be unreasonable if the cost is more than thirty percent (30%) of the bid or offered price for foreign made aluminum, glass, or steel products. This preference shall be applied to an item of machinery or equipment, as indicated above, when the item is a single unit of equipment or machinery manufactured primarily of aluminum, glass or steel, is part of a public works contract and has the sole purpose or of being a permanent part of a single public works project. This provision does not apply to equipment or machinery purchased by a spending unit for use by that spending unit and not as part of a single public works project.

All bids and offers including domestic aluminum, glass or steel products that exceed bid or offer prices including foreign aluminum, glass or steel products after application of the preferences provided in this provision may be reduced to a price equal to or lower than the lowest bid or offer price for foreign aluminum, glass or steel products plus the applicable preference. If the reduced bid or offer prices are made in writing and supersede the prior bid or offer prices, all bids or offers, including the reduced bid or offer prices, will be reevaluated in accordance with this rule.

3.2 Contract Items and Mandatory Requirements: Vendor shall provide Agency with the Contract Items listed below as a lease/rental Contract Item on an open-end and continuing basis. Contract Items must meet or exceed the mandatory requirements as shown below.

3.2.1 Equipment Offered, without Operator, for Lease/Rental: The Vendor shall lease/rent equipment, without Operator, to the WVDOH-D6 per the day, week and/or month per Section 3.2.3.

3.2.1.1 The Pricing Page shall provide a description of each piece of equipment that the WVDOH-D6 is requesting. Vendor should provide the proposed piece of equipment by listing the Manufacturer's Name, Model Number and Serial Number, where applicable, as instructed in Section 4.2 of these specifications for each piece of equipment proposed.

This may include weekends and/or holidays. Pricing for mobilization shall be bid per mile. Mobilization bid in any form other than cost per mile shall be grounds to disqualify the Vendor's bid. Vendor shall bid the cost of

equipment delivery for the first mile and the cost for any additional miles after the first mile. Delivery/Mobilization fees shall be calculated and paid one-way only by the WVDOH-D6 from the Vendor's storage location to the WVDOH-D6 project site. When the Vendor has multiple projects or the equipment is traveling from WVDOH-D6 location or project to project, additional miles only will be paid from project to project or from the Vendor's storage location to the project, whichever is less mileage. Return mileage will not be paid to the Vendor. The WVDOH-D6 will provide the location for delivery of the leased/rented equipment to the Vendor on a Delivery Order.

The WVDOH-D6 will calculate the in-state delivery route mileage from the equipment owner's location of the equipment to the WVDOH-D6 job site utilizing the WVDOH-D6 Straight Line Diagrams. These Diagrams for WV Primary Routes and WV Secondary Routes are available in WVDOH-D6's District Office and the WVDOH Central Office located in Charleston, WV. The WVDOH-D6 will determine the route to be taken due to bridge and/or road restrictions.

Out-of-state delivery route mileage will be calculated by the WVDOH-D6 utilizing "Google Maps" or a similar source for routing from the equipment owner's location of the equipment to the WV State line at which time, the Straight Line Diagrams will be sourced to the WVDOH-D6 job site.

3.2.3 Lease/Rental Period: Quoted rates for leased/rented equipment, without Operator, shall be for lease/rental days, weeks and/or months.

A lease/rental day is a day of agency possession of equipment during which it is not down for four hours or more during the normal work period. NOTE: Days on which a piece of equipment is down for normal maintenance or repair for four hours or more during the normal work period shall be considered a day of downtime and shall not be considered a day of equipment lease/rental.

A lease/rental week is seven lease/rented days, including Saturdays, Sundays and Holidays.

A lease/rental month is thirty lease/rented days, including Saturdays, Sundays and Holidays.

The date of official receipt of leased/rented equipment by the WVDOH-D6 shall be considered the first day of lease/rental. The day

Equipment Rental Contract WITHOUT Operator

immediately preceding the date on which leased/rented equipment is officially returned to the owner shall be considered the last day of lease.

A day or days used by the Vendor solely for the purpose of travel to the site, set-up or breakdown of the equipment shall not be considered as a lease/rental day.

3.2.4 Maintenance, Down Time and Risk of Loss:

3.2.4.1 Maintenance: At its own expense, the WVDOH-D6 shall provide only fuel, oil and other lubricants, which are necessary for the operation, maintenance and use of the equipment leased/rented from this contract. The WVDOH-D6 shall repair or replace any part of the leased equipment which shall be destroyed, damaged or made inoperative by reason of the ordinary negligence, abuse or improper operation by its personnel. The WVDOH-D6 shall not be responsible for any such replacement or repair caused by a defect existing in such equipment at the time of delivery by the Vendor to the WVDOH-D6 or if the need for such replacement or repair resulted from normal usage. The WVDOH-D6 shall replace or repair any part of said equipment which shall be come lost, stolen or damaged by reason of the failure of the WVDOH-D6 and its personnel to use ordinary care for the protection of such equipment.

3.2.4.2 Down Time: All such equipment inoperable by reason of the necessity of replacement of parts or repair of damage for a period of time greater than four hours shall be considered by the WVDOH-D6 as “down” and no payment shall be made by the WVDOH-D6 for the use of such equipment for such periods unless such “down time” is due to the negligence or lack of reasonable care by the WVDOH-D6.

3.2.4.3 Risk of Loss, Damage, Destruction or Theft: While in the possession or under the control of the WVDOH-D6, due to or caused by the ordinary negligence of the WVDOH-D6 or its personnel or by the failure of the WVDOH-D6 or its personnel to exercise ordinary care for the protection of such equipment, the responsibility shall be borne by the WVDOH-D6 from and after the delivery of such equipment by the Vendor to the location designated by the Delivery Order and its acceptance by the WVDOH-D6 according to Section 6.1.1 of these specifications and the terms and conditions hereinafter set forth. The Vendor shall be responsible for any loss to such loss, damage, destruction or theft,

REQUEST FOR QUOTATION
Equipment Rental Contract WITHOUT Operator

partial or complete, caused by a defect in such equipment existing at the time of delivery thereof by the Vendor to the WVDOH-D6.

The total or partial loss of use or possession of any said equipment shall not abate any payments required to be made by the WVDOH-D6 to the Vendor if such loss of use or possession is caused by the ordinary negligence or the lack of ordinary care of such equipment by the WVDOH-D6 or its personnel.

The said equipment shall be deemed to be a total loss by reason of its disappearance or if it has sustained physical damage and the estimated cost of repairs is determined to exceed 75% of the market value of such equipment. If a claim is made by the Vendor against the WVDOH-D6 for the loss or damage to such equipment, the Commissioner of the WVDOH-D6 shall review such claim and if after review the Commissioner shall determine that a sum of money is due the Vendor and acceptable to the Vendor, issue a requisition to the Auditor of the State of WV for the payment of such agreed sum to the Vendor. Reference WV Code §17-3-4.
<http://www.legis.state.wv.us/WVCODE/ChapterEntire.cfm?chap=17&art=3§ion=4#03>

In the event that, prior to the payment of any claim to the Vendor by the WVDOH-D6, the Vendor shall receive any sum of money from any insurance company or from any person, firm or corporation, any such sum of money shall be deducted by the WVDOH-D6 from any claim to be paid by it to the Vendor. The same shall be with the Vendor. If the Vendor shall receive any sum of money from any insurance company or from any person, firm or corporation a sum of money after payment from the WVDOH-D6 has been received, the Vendor shall reimburse the WVDOH-D6 the amount received or such part received that equals the amount WVDOH-D6 has paid to the Vendor.

The Vendor may at its choice proceed to the WV Court of Claims as to any claim it may have against the WVDOH-D6 for such loss, damage, destruction or theft of said equipment.

4. CONTRACT AWARD:

- 4.1 Contract Award:** The Contract is intended to provide Agencies with a lease/rental price on all Contract Items. A Contract shall be awarded to all responsible Vendors that provide the Contract Items for lease/rental which meet all required specifications of this contract.

REQUEST FOR QUOTATION
Equipment Rental Contract WITHOUT Operator

4.2 Pricing Pages: Vendors may bid any or all items on the Pricing Pages.

Vendors should submit their proposed pricing for each item bid as daily, weekly and/or monthly pricing along with the delivery fee on the Pricing Pages. Proposed pricing submitted in any other form other than what is requested on the Pricing Pages shall be grounds to disqualify the Vendor's bid for the piece of equipment or the bid in its entirety.

Vendors should submit a description of the proposed equipment for each item bid on the Pricing Page. This information should include the Manufacturer's Name, Model Number and Serial Number, where applicable.

Multiple pieces of equipment can be proposed/identified on one Pricing Page whether pricing is the same or varying prices.

Counties serviced by the Vendor should be identified on the Information Attachment Form.

Failure to provide this information on the Pricing Pages and the Information Attachment Form for each item bid may result in disqualification of award to the Vendor for that particular item or the bid in its entirety.

The Pricing Pages contain a list of the Contract Items. At this time, there is no estimated lease/rental volume available for any item. No future use of the Contract or any individual item is guaranteed or implied.

Vendor should electronically enter the information into the Pricing Pages through wvOASIS, if available, or as an electronic document. In most cases, the Vendor can request an electronic copy of the Pricing Pages for bid purposes by sending an email request to the following address: misty.d.delong@wv.gov.

5. ORDERING, INVOICING AND PAYMENT:

5.1 Ordering: Vendor shall accept orders through wvOASIS, regular mail, facsimile, e-mail, or any other written forms of communication. Vendor may, but is not required to, accept on-line orders through a secure internet ordering portal/website. If Vendor has the ability to accept on-line orders, it should include in its response a brief description of how Agencies may utilize the on-line ordering system. Vendor shall ensure that its on-line ordering system is properly secured prior to processing Agency orders on-line.

At the time of need, the WVDOH-D6 will compute the cost of leasing/renting the equipment plus the cost of delivery of said equipment to the WVDOH-D6 job site

REQUEST FOR QUOTATION
Equipment Rental Contract WITHOUT Operator

and award the Delivery Order to the equipment owner who can furnish the needed equipment at the least overall cost. The WVDOH-D6 shall record the Vendor's equipment serial number on the Delivery Order.

An example: Lease/Rental of an Aerial Bucket Truck for three days, at \$100.00/day with 10 mile delivery at \$1.00/1st mile and \$.50/each additional mile. To calculate lease/rental: \$100.00/day x 3 days = \$300.00 for lease/rental of the equipment only. To calculate mobilization: \$1.00/1st mile plus \$.50/each additional mile x 9 miles = \$5.50 for mobilization of equipment only. Add \$300.00 for equipment and \$5.50 for mobilization for a total of \$305.50 lease/rental for three days.

Proximity of equipment to the WVDOH-D6 job site shall be a factor in determination of each Delivery Order. As explained in the preceding paragraphs, the Delivery Order will be issued to the lowest bidder; however, it is understood between the WVDOH-D6 and all Vendors whose bids are accepted, in the event that the low bidder for any given job is unable to perform, the Delivery Order will be cancelled and given to the next lowest bidder. In the event that no bidder can be found to perform the duties and obligations under this contract, then the Delivery Order may be cancelled and the lease/rental for the needed equipment may be bid on the open market.

5.2 Invoicing:

- 5.2.1 Invoicing shall be at a minimum of no less than one lease/rental day. Equipment lease/rented for one lease/rental day shall equal four or more hours as described in Section 3.2.3 of this contract.
- 5.2.2 Equipment leased/rented for one lease/rental week shall be invoiced at the weekly lease/rental rate or the number of lease/rental days times the daily lease/rental rate, whichever is less.
- 5.2.3 Equipment leased/rented for more than one lease/rental week, but less than one lease/rental month shall be invoiced at the monthly lease/rental rate or the number of lease/rental weeks times the weekly lease/rental rate including any period less than a multiple of seven days, whichever is less.
- 5.2.4 Equipment leased/rented for one lease/rental month or more shall be invoiced at the monthly rate. In the event that the lease/rental period is not a multiple of thirty lease/rental days, each day in excess of the multiple shall be evaluated as one-thirtieth of a lease/rental month.
- 5.2.5 An invoice submitted to the WVDOH-D6 shall include the following:

REQUEST FOR QUOTATION
Equipment Rental Contract WITHOUT Operator

- a) The beginning date and the date on which invoice period ends.
- b) The number of lease/rental days in the invoicing period.
- c) The number of equipment downtime days in the invoicing period.
- d) The make, model and serial number of the leased equipment being invoiced as identified on the Vendor's contract.
- e) The total owed to the Vendor and the method of calculation.

NOTE 1: The WVDOH-D6 will supply the equipment owner with the downtime days in any calendar month within ten days following the end of the calendar month or within two days following termination of a lease/rental, whichever is appropriate. The owner may obtain this information sooner by call WVDOH-D6.

NOTE 2: The period of need for leased/rented equipment as specified on the Delivery Order is only an estimate of need and shall not be used for invoicing purposes. Payment shall only be made for actual leased/rented days.

5.3 Payment: Vendor shall accept payment in accordance with the payment procedures of the State of West Virginia. The State of West Virginia currently utilizes a Purchasing Card program, administered under contract by a banking institution, to process payment for goods and services. The Vendor must accept the State of West Virginia's Purchasing Card for payment of all orders under this Contract.

6. DELIVERY AND RETURN:

6.1 Delivery Time: Vendor shall deliver standard orders within 24 hours after orders are received. Vendor shall deliver emergency orders within an agreed upon acceptable timeframe by the Vendor and the WVDOH-D6 after orders are received. Vendor shall ship all orders in accordance with the above schedule and shall not hold orders until a minimum delivery quantity is met.

6.1.1 Acceptance, Beginning of Lease/Rental Period: Upon delivery of each item of equipment by the Vendor to the location described in the Delivery Order, the WVDOH-D6 shall test and inspect the equipment. If such item of equipment is found to be in good order, the WVDOH-D6 shall accept such item of equipment and acknowledge the same in whatever form reasonably required by the Vendor. Such item of equipment shall be deemed to have been delivered to and accepted by the WVDOH-D6 on the date specified in such acknowledgement and the term of the Delivery Order and this contract shall be deemed to begin on that date.

REQUEST FOR QUOTATION
Equipment Rental Contract WITHOUT Operator

- 6.2 Late Delivery:** The Agency placing the order under this Contract must be notified in writing if orders will be delayed for any reason. Any delay in delivery that could cause harm to an Agency will be grounds for cancellation of the delayed order, and/or obtaining the items ordered from a third party.

Any Agency seeking to obtain items from a third party under this provision must first obtain approval of the Purchasing Division.

- 6.3 Delivery Payment/Risk of Loss:** Standard order delivery or emergency delivery shall be as per Section 5.1 of these specifications. Vendor shall include the cost of standard order delivery charges in its bid pricing/discount as directed in Section 3.2.2 of these specifications and is not permitted to charge the Agency separately for such delivery.
- 6.4 Return of Equipment:** Upon the completion of the project, the WVDOH-D6 will return the leased/rented equipment, at its expense to the Vendor at the original location at which such equipment was delivered to the WVDOH. The equipment must be washed and clean upon return to the vendor.
- 6.5 Return of Unacceptable Items:** If the Agency deems the Contract Items to be unacceptable, such as the Vendor delivering a piece of equipment that was not bid for lease/rent on this contract, the Contract Items shall be returned to Vendor at Vendor's expense and with no restocking charge. Vendor shall either make arrangements for the return within five (5) days of being notified that items are unacceptable, or permit the Agency to arrange for the return and reimburse Agency for delivery expenses. All returns of unacceptable items shall be F.O.B. the Agency's location. The returned product shall either be replaced, or the Agency shall receive a full credit or refund for the lease/rental price, at the Agency's discretion.
- 6.6 Return Due to Agency Error:** Items ordered in error by the Agency will be returned for credit within 30 days of receipt, F.O.B. Vendor's location. Vendor shall not charge a restocking fee if returned products are in a resalable condition. Items shall be deemed to be in a resalable condition if they are unused and in the original packaging. Any restocking fee for items not in a resalable condition shall be the lower of the Vendor's customary restocking fee or 5% of the total invoiced value of the returned items.
