**43. PREFERENCE FOR USE OF DOMESTIC STEEL PRODUCTS:** Except when authorized by the Director of the Purchasing Division pursuant to W. Va. Code § 5A-3-56, no contractor may use or supply steel products for a State Contract Project other than those steel products made in the United States. A contractor who uses steel products in violation of this section may be subject to civil penalties pursuant to W. Va. Code § 5A-3-56. As used in this section:

- a. "State Contract Project" means any erection or construction of, or any addition to, alteration of or other improvement to any building or structure, including, but not limited to, roads or highways, or the installation of any heating or cooling or ventilating plants or other equipment, or the supply of and materials for such projects, pursuant to a contract with the State of West Virginia for which bids were solicited on or after June 6, 2001.
- b. "Steel Products" means products rolled, formed, shaped, drawn, extruded, forged, cast, fabricated or otherwise similarly processed, or processed by a combination of two or more or such operations, from steel made by the open hearth, basic oxygen, electric furnace, Bessemer or other steel making process. The Purchasing Division Director may, in writing, authorize the use of foreign steel products if:
- c. The cost for each contract item used does not exceed one tenth of one percent (.1%) of the total contract cost or two thousand five hundred dollars (\$2,500.00), whichever is greater. For the purposes of this section, the cost is the value of the steel product as delivered to the project; or
- d. The Director of the Purchasing Division determines that specified steel materials are not produced in the United States in sufficient quantity or otherwise are not reasonably available to meet contract requirements.

**44. PREFERENCE FOR USE OF DOMESTIC ALUMINUM, GLASS, AND STEEL:** In Accordance with W. Va. Code § 5-19-1 et seq., and W. Va. CSR § 148-10-1 et seq., for every contract or subcontract, subject to the limitations contained herein, for the construction, reconstruction, alteration, repair, improvement or maintenance of public works or for the purchase of any item of machinery or equipment to be used at sites of public works, only domestic aluminum, glass or steel products shall be supplied unless the spending officer determines, in writing, after the receipt of offers or bids, (1) that the cost of domestic aluminum, glass or steel products is unreasonable or inconsistent with the public interest of the State of West Virginia, (2) that domestic aluminum, glass or steel products are not produced in sufficient quantities to meet the contract requirements, or (3) the available domestic aluminum, glass, or steel do not meet the contract specifications. This provision only applies to public works contracts awarded in an amount more than fifty thousand dollars (\$50,000) or public works contracts that require more than ten thousand pounds of steel products.

The cost of domestic aluminum, glass, or steel products may be unreasonable if the cost is more than twenty percent (20%) of the bid or offered price for foreign made aluminum, glass, or steel products. If the domestic aluminum, glass or steel products to be supplied or produced in a "substantial labor surplus area", as defined by the United States Department of Labor, the cost of domestic aluminum, glass, or steel products may be unreasonable if the cost is more than thirty percent (30%) of the bid or offered price for foreign made aluminum, glass, or steel products. This preference shall be applied to an item of machinery or equipment, as indicated above, when the item is a single unit of equipment or machinery manufactured primarily of aluminum, glass or steel, is part of a public works contract and has the sole purpose or of being a permanent part of a single public works project. This provision does not apply to equipment or machinery purchased by a spending unit for use by that spending unit and not as part of a single public works project.

All bids and offers including domestic aluminum, glass or steel products that exceed bid or offer prices including foreign aluminum, glass or steel products after application of the preferences provided in this provision may be reduced to a price equal to or lower than the lowest bid or offer price for foreign aluminum, glass or steel products plus the applicable preference. If the reduced bid or offer prices are made in writing and supersede the prior bid or offer prices, all bids or offers, including the reduced bid or offer prices, will be reevaluated in accordance with this rule.

The Discount Percentage and subsequent Discounted Price derived from that discount must take into account any and all fees, charges, or other miscellaneous costs that Vendor may require, including delivery charges as indicated below, because those fees, charges, or other miscellaneous costs will not be paid separately. Vendor may also be required to mail the Catalog free of charge to any Agency desiring to use this Contract if the Catalog is not electronically entered into wvOASIS. Vendor may be required to input its Catalog data into wvOASIS utilizing the format required by wvOASIS. Copies of the Catalog may also be requested in an electronic format. Vendor's Catalog, or data from the Catalog entered into wvOASIS will be used by Agencies to order Eligible Items under this Contract.

Vendor should identify all items listed on the Pricing Pages by circling or highlighting those items in its Catalog and earmarking, tabbing, or listing the pages for those items, to assist in the evaluation and verification of the bids and pricing. If any discrepancies exist between the Pricing Pages and the actual price listed in the Catalog, the actual price shall prevail and the Pricing Pages may be corrected by the Purchasing Division buyer for evaluation purposes.

brief description of how Agencies may utilize the on-line ordering system. Any on-line ordering system must have the capability to restrict prices and available items to conform to the Catalog originally submitted with this Solicitation. Vendor shall ensure that its on-line ordering system is properly secured prior to processing Agency orders on-line.

Vendor shall provide the Purchasing Division with access to its internet ordering portal/website, if one will be used under this Contract, to allow the Purchasing Division to ensure that the requirements of this Contract are being met.

**Agency Responsibilities:**

**A. Prior to Order:**

Agencies must reconcile the list price, found in the vendors catalog, to the agreed contract discount price, (Example: If a solenoid has a list price of \$100.00, and the discount percentage is 5%, the price to the agency would be \$95.00. The cost to the Agency is found by multiplying the list price (\$100.00) by the discount percentage (.05) and subtracting from the list price (\$100.00). This tabulation may be handwritten but must be included.

**B. Ordering Procedure:**

Eligible Items must be delivered to any location within the State of West Virginia.

**7.2 Late Delivery:** The Agency placing the order under this Contract must be notified in writing if orders will be delayed for any reason. Any Agency seeking to obtain items from a third party under this provision must first obtain approval of the Purchasing Division.

**7.3 Delivery Payment/Risk of Loss:** Standard order delivery shall be F.O.B. destination to the Agency's location. Vendor shall include the cost of standard order delivery charges in its bid pricing/discount and is not permitted to charge the Agency separately for such delivery. ## PURCHASING AFFIDAVIT

**MANDATE:** Under W. Va. Code §5A-3-10a, no contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and: (1) the debt owed is an amount greater than one thousand dollars in the aggregate; or (2) the debtor is in employer default.

**EXCEPTION:** The prohibition listed above does not apply where a vendor has contested any tax administered pursuant to chapter eleven of the W. Va. Code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

**DEFINITIONS:**

**"Debt"** means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

Code § 23-2c-2, failure to maintain mandatory workers' compensation coverage, or failure to fully meet its obligations as a workers' compensation self-insured employer. An employer is not in employer default if it has entered into a repayment agreement with the Insurance Commissioner and remains in compliance with the obligations under the repayment agreement.

**"Related party"** means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceeds five percent of the total contract amount.

**AFFIRMATION:** By signing this form, the vendor's authorized signer affirms and acknowledges under penalty of law for false swearing (W. Va. Code §61-5-3) that neither vendor nor any related party owe a debt as defined above and that neither vendor nor any related party are in employer default as defined above, unless the debt or employer default is permitted under the exception above.

**Addendum 1**  
**Answers to Vendor Questions**

**Q1.** Are there any taxes that in which the State of West Virginia is NOT exempt?

**A1.** Refer to Section 16 of the General Terms and Conditions regarding tax exemptions

**Q2.** Can a VIN be furnished for all three vehicles listed? Many different options for parts requested depending on build levels, factory options, etc.

**A2.** VINs are not available as this is just a small representation of the State of WV fleet. The pricing pages have been amended to provide sub models for each vehicle.

**Q3.** On the 2012 Chevrolet Impala, per the bid sheet, which is probably just a typo / error, it is listed as having a 3.5 engine. I find only a listing for a 3.6. (Again VIN would be helpful)

**A3.** A VIN is not available as this is just a representation of the State of WV fleet. The vehicle is being used for the bid scenario only. The pricing page has been amended to 2012 Chevrolet Impala 3.6L FWD V6 1WF19

**Q4.** Again on the 2012 Impala, you request a bid for a "U-joint". Vehicle has no "U-joint". Vehicle has CV joint / shaft, is this what is to be bid?

**A4.** Category 9 of Exhibit A Pricing Page C has been amended to CV Joint Boot Kit

**Q5.** On the 2015 Explorer, a request to bid "U-joint". Vehicle also does not have a "U-joint". Are we to bid on CV joint / shaft for this vehicle as well?

**A5.** Category 9 of Exhibit A Pricing Page A has been amended to Rear Inner and Outer CV Joint Boot Kit

**Q6.** In reviewing the RFP Statewide Contract for Auto Parts, can you tell me if the referenced F150 in attachment B if that is a 2 wheel drive or a 4 wheel drive vehicle.

Vehicle Model Year/Make: 2015 Ford F150 F1E

**A6.** Vehicle is Four-Wheel Drive, see amended pricing page for update

ADDENDUM 5

ANSWERS TO ADDITIONAL VENDOR QUESTIONS

Q1. I see that you have a 3-day delivery requirement. I can have product delivered in 3-5 days, depending on the specific commodity. Will this be ok?

A1. The 3-day delivery requirement will remain as is per Section 7.1 of the specifications

Q2. Also, on the pricing pages, should the discount offered for the specific items be the same discount that is offered on the category discount pages? For example, if I am offering 10% off widgets, do I have to offer 10% off the widget offered for the chevy impala?

A2. The percentage discount listed on the Category Discount page must be the exact discount for that category for all vehicles on Exhibit A Pricing Pages A through C

Q3. Should I submit price sheets with my bid?

A3. Vendors must submit the Exhibit A Version 4 pricing pages with their bids. These will be the only pricing pages evaluated for award

Q4. Within Solicitation Documents; Specifications; section 4.3; under Categories, it reads:

"The vendor is provide a *"single fixed discount percentage for all items included in a particular category"*. The discount percentage must be the same *"per category for each vehicle model year and make"*.

Since there are two (2) manufacturers involved, Ford and General Motors, can there be a separate and different *"single fixed discount percentage for all items included in a particular category"* for each manufacturer? That is to say a set discount for each of the seventeen (17) categories for Ford vehicles, and a separate set discount for all General Motors vehicles.

A4. No, the State requires a single discount per category for all makes and models. For example, the vendor's Discount Percentage for each Category line is to be the same across all vehicle makes and models represented in the vendor's catalog (Ford Chevrolet, Jeep, Dodge etc.).
