VENDOR PREFERENCE CERTIFICATE

Certification and application is hereby made for Preference in accordance with *West Virginia Code*, §5A-3-37. (Does not apply to construction contracts). *West Virginia Code*, §5A-3-37, provides an opportunity for qualifying vendors to request (at the time of bid) preference for their residency status. Such preference is an evaluation method only and will be applied only to the cost bid in accordance with the *West Virginia Code*. This certificate for application is to be used to request such preference. The Purchasing Division will make the determination of the Vendor Preference, if applicable.

1. Application is made for 2.5% vendor preference for the reason checked:

- Bidder is an individual resident vendor and has resided continuously in West Virginia for four (4) years immediately preceding the date of this certification; **or,**
- Bidder is a partnership, association or corporation resident vendor and has maintained its headquarters or principal place of business continuously in West Virginia for four (4) years immediately preceding the date of this certification;
- Bidder is a resident vendor partnership, association, or corporation with at least eighty percent of ownership interest of bidder held by another entity that meets the applicable four year residency requirement; **or,**
- Bidder is a nonresident vendor which has an affiliate or subsidiary which employs a minimum of one hundred state residents and which has maintained its headquarters or principal place of business within West Virginia continuously for the four (4) years immediately preceding the date of this certification; **or,**

2. Application is made for 2.5% vendor preference for the reason checked:

- Bidder is a resident vendor who certifies that, during the life of the contract, on average at least 75% of the employees working on the project being bid are residents of West Virginia who have resided in the state continuously for the two years immediately preceding submission of this bid; **or,**

3. Application is made for 2.5% vendor preference for the reason checked:

- Bidder is a nonresident vendor that employs a minimum of one hundred state residents, or a nonresident vendor which has an affiliate or subsidiary which maintains its headquarters or principal place of business within West Virginia and employs a minimum of one hundred state residents, and for purposes of producing or distributing the commodities or completing the project which is the subject of the bidder's bid and continuously over the entire term of the project, on average at least seventy-five percent of the bidder's employees or the bidder's affiliate's or subsidiary's employees are residents of West Virginia who have resided in the state continuously for the two immediately preceding years and the vendor's bid; **or,**

4. Application is made for 5% vendor preference for the reason checked:

- Bidder meets either the requirement of both subdivisions (1) and (2) or subdivision (1) and (3) as stated above; **or,**

5. Application is made for 3.5% vendor preference who is a veteran for the reason checked:

- Bidder is an individual resident vendor who is a veteran of the United States armed forces, the reserves or the National Guard and has resided in West Virginia continuously for the four years immediately preceding the date on which the bid is submitted; **or,**

6. Application is made for 3.5% vendor preference who is a veteran for the reason checked:

- Bidder is a resident vendor who is a veteran of the United States armed forces, the reserves or the National Guard, if, for purposes of producing or distributing the commodities or completing the project which is the subject of the vendor's bid and continuously over the entire term of the project, on average at least seventy-five percent of the vendor's employees are residents of West Virginia who have resided in the state continuously for the two immediately preceding years.

7. Application is made for preference as a non-resident small, women- and minority-owned business, in accordance with *West Virginia Code* §5A-3-59 and *West Virginia Code of State Rules*.

- Bidder has been or expects to be approved prior to contract award by the Purchasing Division as a certified small, women- and minority-owned business.

Bidder understands if the Secretary of Revenue determines that a Bidder receiving preference has failed to continue to meet the requirements for such preference, the Secretary may order the Director of Purchasing to: (a) rescind the contract or purchase order; or (b) assess a penalty against such Bidder in an amount not to exceed 5% of the bid amount and that such penalty will be paid to the contracting agency or deducted from any unpaid balance on the contract or purchase order.

By submission of this certificate, Bidder agrees to disclose any reasonably requested information to the Purchasing Division and authorizes the Department of Revenue to disclose to the Director of Purchasing appropriate information verifying that Bidder has paid the required business taxes, provided that such information does not contain the amounts of taxes paid nor any other information deemed by the Tax Commissioner to be confidential.

Bidder hereby certifies that this certificate is true and accurate in all respects; and that if a contract is issued to Bidder and if anything contained within this certificate changes during the term of the contract, Bidder will notify the Purchasing Division in writing immediately.

PURCHASING AFFIDAVIT

MANDATE: Under W. Va. Code §5A-3-10a, no contract or renewal of any contract may be awarded by the state or any of its political subdivisions to any vendor or prospective vendor when the vendor or prospective vendor or a related party to the vendor or prospective vendor is a debtor and: (1) the debt owed is an amount greater than one thousand dollars in the aggregate; or (2) the debtor is in employer default.

EXCEPTION: The prohibition listed above does not apply where a vendor has contested any tax administered pursuant to chapter eleven of the W. Va. Code, workers' compensation premium, permit fee or environmental fee or assessment and the matter has not become final or where the vendor has entered into a payment plan or agreement and the vendor is not in default of any of the provisions of such plan or agreement.

DEFINITIONS:

"Debt" means any assessment, premium, penalty, fine, tax or other amount of money owed to the state or any of its political subdivisions because of a judgment, fine, permit violation, license assessment, defaulted workers' compensation premium, penalty or other assessment presently delinquent or due and required to be paid to the state or any of its political subdivisions, including any interest or additional penalties accrued thereon.

"Employer default" means having an outstanding balance or liability to the old fund or to the uninsured employers' fund or being in policy default, as defined in W. Va. Code § 23-2c-2, failure to maintain mandatory workers' compensation coverage, or failure to fully meet its obligations as a workers' compensation self-insured employer. An employer is not in employer default if it has entered into a repayment agreement with the Insurance Commissioner and remains in compliance with the obligations under the repayment agreement.

"Related party" means a party, whether an individual, corporation, partnership, association, limited liability company or any other form or business association or other entity whatsoever, related to any vendor by blood, marriage, ownership or contract through which the party has a relationship of ownership or other interest with the vendor so that the party will actually or by effect receive or control a portion of the benefit, profit or other consideration from performance of a vendor contract with the party receiving an amount that meets or exceeds five percent of the total contract amount.

AFFIRMATION: By signing this form, the vendor's authorized signer affirms and acknowledges under penalty of law for false swearing (W. Va. Code §61-5-3) that neither vendor nor any related party owe a debt as defined above and that neither vendor nor any related party are in employer default as defined above, unless the debt or employer default is permitted under the exception above.

ATTACHMENT A

**Class 5 Dump Trucks for Various Parks
CRFQ DNR170000013
Vendor Questions and Agency Answers**

- Q1.)** Dump body understructure. Both are available, but the stainless steel structural members would be at least \$1500 more than carbon steel. We just need to know which type of steel is intended. Ref p.24 & p.28 (3.1.1.6.3, 3.1.1.6.4, and 3.1.2.6.3).
- A.1)** Dump body understructure shall be constructed of carbon steel pursuant to sections 3.1.1.6.3, 3.1.1.6.4, and 3.1.2.6.3.
- Q2.)** The hoist called for is a "6" double acting direct lift pusher type". Most body builders would now use a scissors type of hoist similar to the attached specification. J&J believes that this style of hoist is more stable and provides a better mechanical lifting advantage over the "direct push" type of hoist. We would like the specification to permit the class 40 underbody hoist or the direct push hoist.
- A.2)** Delete 3.1.1.6.17 that states: "must have a 6" direct lift pusher type double acting cylinder; and replace with must have a scissor hoist that shall be a minimum class 40 scissor hoist with 12' bed, 12" overhang, 6" bore electric hydraulic, minimum 2500PSI with minimum 12 ton dump capacity.
- Q3.)** Engine is specified as gasoline, minimum 360 HP and min 425 lbs torque. Ford F-550 6.8L V10 gasoline engine provides 288HP @ 4000RPM and 424 lbs of torque. This is fords strongest gas engine. Accept as equal? Or Is diesel a consideration?
- A3.)** An equal substitution shall be considered a minimum 6.2L V8 (4.88 limited slip / 6 speed automatic)
- Q4.)** Specs called for an external transmission cooler. Not available from Factory with Ford, as an 11 channel cooling system is built in standard. I've included specs on the cooling system for review. Accept as equal?
- A4.)** Yes, 11 channel cooling system shall be accepted as an equal substitution.
- Q5.)** You've specified minimum 19,000 GVWR. This is able to be achieved, but does require a 4.88 Limited slip rear axle, which conflicts with a later requirement of a 4.10-4.33 gear ratio. Even with base payload package of 18,000 GVWR, a 4.88 gear ratio NON limited slip is the only option with the gas engine. If you switch to diesel, we can provide the requested gear ratio, but only at 18,000 GVWR. To get 19,000 GVWR, gas or diesel, it is required to go to a 4.88 Gear ratio. Request to accept 4.88 limited slip gear ratio with 19,000 GVWR as equal.
- A5.)** Yes, 4.88 limited slip gear ratio with 19,000 GVWR shall be accepted as equal.

Q6.) You've requested automatic locking hubs for 4 wheel drive. The gas engine again, eliminates this feature. To get an Electronic 4x4 Shift on the Fly with automatic front locking hubs, you would need to transition to the diesel engine. Otherwise, with the gas engine, your 4x4 shifter is on the floor, and you will need to manually lock the hubs from the front wheels. Please reconsider diesel, or remove automatic locking hubs from requirements.

A6.) Manual locking hubs, with 4x4 shifter on the floor shall be accepted. Delete reference automatic locking hubs for 4 wheel drive.

Q7.) On Line Item 3, you requested a trailer brake controller, and a trailer tow package, but unlike the previous two vehicle descriptions, did not include what type of hitch you wanted installed on the flat bed. Do you want this hitch not to be included in vehicle 3? Or use the specs from previous vehicle type? Or please specify hitch requirements here.

A7.) a Class V Hitch (minimum 6,000 – maximum 10,000 lbs) shall be required for the flatbed.

Q8.) The truck I would like to bid for this RFQ is only available with a 4.88 rear axle ratio. The specification requests 4.10 – 4.33. Would 4.88 be acceptable?

A8.) A 4.88 rear axle ration shall be acceptable.

I am providing two sets of bids on the following pages. Based upon the questions that were submitted and the answers that were received in the addendum, I was not clear if the agency wanted gasoline engines or diesel engines, so I have provided a bid with each and have noted at the bottom of the pricing page the type of engine, the GVWR, horsepower and torque ratings.
